

RUTHERFORD

TECHNOLOGY HIGH SCHOOL

RESPECT • RESPONSIBILITY • COMMITMENT

STUDENT AND PARENT Information Session

Information/Open Afternoon

MONDAY 19th FEBRUARY 2024
from 5:30pm - 6:30pm
Commencing in the MPC

Interested families from Year 7 to Year 12, but particularly our incoming Year 7 cohort for 2025, are invited to meet with students and staff of Rutherford Technology High School. Students and staff will provide insights into learning, welfare and extracurricular opportunities at Rutherford Technology High School. Student led tours will provide an inside into our state-of-the-art educational facilities.

ABOUT RUTHERFORD TECHNOLOGY HIGH SCHOOL

Rutherford Technology High School promotes a culture of high expectations through a supportive and innovative environment that is the showcase for Public Education. Via an atmosphere of open communication and cooperation between the whole school community, fostering adherence to the principles of democracy, freedom of expression and equality of opportunity and social justice.

Ensuring that our students have the necessary social, emotional, and work ready skills that enable them to contribute as active members of an ever-changing global environment. Always striving to achieve their personal best.

Rutherford Technology High School has an Aboriginal Learning and Engagement Centre that provides wellbeing, academic and cultural support for Aboriginal and Torres Strait Islander students to enhance educational outcomes. Key focus areas of the Learning and Engagement Centre is to improve student engagement, attendance, retention, HSC attainment and support for students at key transition points.

The core values of the school community are Respect, Responsibility and Commitment. The school has a Positive Behaviour for Learning (PBL) program operating.
