The transition from Primary School to High School is an important time in the life of a young person. The staff at Rutherford Technology High School are keen to make that transition as pleasant as possible. This is done by a structured transition process involving visits to the High School and familiarisation with school staff and processes.

If you would like further information about Rutherford Technology High School please contact our school principal, Ms Simone Hughes, via the school administration office on 49325999 or email: [rutherford-h.school@det.nsw.edu.au](mailto:rutherford-h.school@det.nsw.edu.au)
