

INTRODUCING OUR NEW INTERVIEW BOOKING SYSTEM

TUESDAY 24 JULY 2012

PARENT TEACHER INTERVIEWS

3:00 - 6:00 PM

Rutherford Technology High School

Phone: 4932 5999

Fax: 4932 8166

What do I have to do ?

School reports will be sent home on Wednesday 26 June 2012 – look inside for:

- ⇒ Your child's personalised booking code
- ⇒ Instructions and information on how to book an interview time with the teachers YOU want to talk to.
- ⇒ Log on to www.edval.com.au/book to enter your booking code and then follow instructions - deadline for entering your preferences is 18 July.
- ⇒ Your personalised interview schedule will be available for you online on 20 July.
- ⇒ Amendments can be made after 20 July via the online system.

- ◆ *Speak only to teachers you need to meet.*
- ◆ *Reduce waiting time to talk to teachers.*
- ◆ *Prioritise the teachers you really need to see.*

What if I don't have Internet access at home?

- ⇒ A paper copy of the request form is included with your child's report. Complete all details and return it to the Front Office by 18 July, OR
- ⇒ Pop into the school and ask staff at the Front Office for access to the parent computers that are being made available especially for booking interview times, OR
- ⇒ Make your online booking using a Smartphone.
- ⇒ Phone the school after 20 July to get details of your interview times.

INTERVIEWS WILL TAKE PLACE IN THE SCHOOL LIBRARY
AND NEARBY CLASSROOMS (C18,C19,C20 & Rooms 1/2/3)

RESPECT

RESPONSIBILITY

COMMITMENT

CALENDAR - JULY

Monday 2nd

P & C Golf Day

Monday 16th

School Development Day
(students do not attend)

Tuesday 17th

**Students resume school for
Term 3**

P & C meeting at 6:30 pm in
school common room.

Wednesday 18th

PBL Celebration Assembly in
School Hall

Year 7 and 9 reports sent home
with students

Tuesday 24th

Parent Teacher Interviews 3pm -
6pm in Library and selected
classrooms.

Office Opening Hours

Please be aware the
office is open on Monday,
Wednesday, Thursday
and Friday between 8 am
and 4 pm and on
Tuesday between 8 am
and 2:30 pm. Outside
office hours a message
may be left on the school
answering machine.

Parents and caregivers
are reminded an
appointment is necessary
before meeting with
teachers as they have
class, playground duty
and other commitments
during the school day.

School Library and nearby classrooms

PLAN IT YOUTH

Plan it Youth students and mentors have been meeting every Wednesday during Period 1 and 2 for the last 7 weeks. After the initial nerves students and mentors are settling into the program and getting to know each other. The students involved are really enjoying having someone outside of school as a support person.

Recently students and their mentors travelled to the Newcastle Careers Information Centre, where they spent time researching career possibilities and pathways. This gave the students an opportunity to look at the skills and qualifications needed for a range of jobs and will be followed up further in the coming weeks.

Thank you to our Plan it Youth mentors for taking our students on this excursion and for being involved in the program.

Kris Turner
Plan it Youth Coordinator

EXECUTIVE REPORT

MADD Night

The CAPA Faculty held their showcase of talent with their MADD night on 20 June. The night, which was held in the school hall, featured Visual Arts, Visual Design, Photography, Dance, Drama and Music items from individual students and ensembles from years 7 to 12. The large crowd were treated to a smorgasbord of the talented students we have at RTHS. Congratulations to the performers, helpers and hard working CAPA staff. Thank you to all the parents, students and community members who came along to support the evening.

NAIDOC Week

We celebrated our Aboriginal and Torres Strait Islander cultures with NAIDOC celebrations this week. We held an assembly, had workshops on Aboriginal dance, didgeridoo, and boomerang making. On Friday we held a barbeque for the whole school. Unfortunately the activities planned for Wednesday had to be postponed because of the stop work.

Goodbye Bruce Read

Long-serving Home Economics teacher Bruce Read retires at the end of this term. Bruce has made an outstanding contribution, not only to the education of our students at RTHS, but in nurturing their lives with his wise advice and the running of programs such as our Breakfast Club. He will be missed, but we wish him all the best in retirement.

Year 12 Trial Exams

Year 12 start their HSC Trial examinations on Thursday 19 July for a week. Plenty of study time over the holidays.

Education week

Education Week is the week commencing 30 August 2012 next term. This year we will have an open afternoon on Tuesday, 31 August from 3:30 pm - 5:30 pm followed by an award evening with our partner Primary Schools to celebrate the success of our students, staff and community members. More information will come home at the start of next term.

PBL Celebration

Our positive rewards assemblies to recognise the positive achievements of students in Term 2 will take place on Wednesday 18 July.

School Holidays

Another term is over. Year 12 only have one term of schooling left. School resumes on Tuesday 17 July. Be safe.

Michael Whiting
Principal

YEAR 12 REPORT

A number of reminders for Year 12 students:

- ✓ Students are advised to dress in warm uniform for their trial HSC exams in the Hall (19 - 27 July 2012).
- ✓ An excursion to Luna Park has been organised for Friday 27 July. Please give notes to Mr McMullen and take money to the Front Office.
- ✓ Please bring in your laptops for Mr Wirth. He needs to check them.
- ✓ If you have not paid for your locker or subject fees, please do so.
- ✓ Tickets for the Formal will go on sale shortly. Seating is in tables of 10. The cost of the ticket is \$80. While most of the details have been organised, there are a few items that have to be finalised. Students have been made aware of these details and they will be finalised shortly.

Term 3 for Year 12 – The last term of teaching and learning. Hopefully all the groundwork for success has occurred and students will enjoy their last term of official schooling and finish the term with some outstanding activities/events and be as stress free as possible for the HSC. We have put much time and effort into developing self worth, year group morale and maturity. Accordingly we expect students to excel, raise the standard and be proud of themselves and their achievements.

Kevin McMullen
Year 12 Adviser

SENIOR STUDY

Trial HSC Exams

The Trial Exam period for Year 12 students starts on Thursday 19 July, Week 1 of term 2 and concludes on the following Thursday 26 July. In order to be fully prepared for the trial exams all students should be well underway with their program of revision. It is recommended that students spend time in the school holidays completing topic summaries for each of their subjects and most importantly, practising applying their knowledge by completing past HSC papers. These papers can be accessed by all students by going to the Board of Studies website: <http://www.boardofstudies.nsw.edu.au/>

Trial exam results will contribute towards the school based assessment mark for each subject. These marks directly contribute to the final HSC result.

A copy of the Trial Exam timetable has been included in the newsletter. Students are only required to attend school as per the instructions on this timetable.

Year 12 Student Review

Rutherford Technology High completes a Year 12 Student Review in term 4 and term 2 throughout the HSC year. This process helps staff and students to identify any areas of concern, enabling strategies and support structures to be developed which meet the learning needs of individual students. This week all Year 12 students have been given a copy of their 'Student Review' results.

Please discuss these results with your child and if you have any concerns regarding their progress do not hesitate to contact the school.

If you have any concerns regarding your child's progress in their HSC year please do not hesitate to contact the school.

K Turner
Senior Study Co-ordinator

FAREWELL MR READ

Rutherford Technology High School says farewell this week to Home Economics Teacher, Mr Bruce Read, who is retiring from the Teaching profession after many years at the school.

Unfortunately Bruce won't get to work in the newly renovated kitchen which is the pride of the Home Economics faculty, but his legacy lives on through the inspiration he provided many students to take up Commercial Cooking as a career pathway, working in kitchens across the Hunter region and beyond.

We wish Bruce many congratulations on a long and happy retirement.

Trial HSC Schedule (19th-26th July, 2012; Term 3, weeks 1A & 2B)

Exams are in the Hall unless otherwise specified

Special Provisions*: SP (See Mr WARD)

Exams outside the schedule: English Studies in class

Rules

Nothing on desks except a clear bottle of water, pens and other writing equipment. Anything else may be placed under the chair.

No talking or communicating with other students.

No copying, eating, drinking, reading, ipods, mobile phones, chewing gum, turning around, borrowing equipment
Students should go to the toilet before the exam to avoid disturbance in the exam venue.

Students stay in the room until the end of their exam, leaving quietly when directed to do so.
Students must sit in allocated seats where provided.

Procedures

Students go to the exam venue 10 minutes **BEFORE** the scheduled starting time.

Late comers may be admitted but they must finish the exam at the same time as the others.

Students should wear normal school uniform.

At the end of the exam students hand in ALL papers including any scrap paper.

If you do not have an exam you are not required to be at school.

Mobile phones and electronic communication devices which are capable of storing, receiving or transmitting information are not permitted in the examination room under any circumstances. No liability will be accepted for equipment left outside the exam room.

M.A.D.D showcase

On June 20th the CAPA faculty held their Music, Art, Dance & Drama showcase.

The day began with the Matinee performance to an audience made up of stage 3 students from Lochinvar and Rutherford Public schools. We thank Principals, Mrs Tomlins and Mr Andrews, staff and parents for bringing the students along for the concert.

The primary school concert ran for seventy-five minutes and brought forward a few new performers to the stage. This included year 11 student Hayley Newstead, the 7K drama class, year 7 vocal soloist Bellina Pannowitz, year 10 solo dancer Brittany Lucas, year 10 pianist Luke Hall and a year 8 rock band from the mini elective class featuring Tahj Perry, Eula Pacamalan, Emily Lambourne, Jack Williams & Ryan Paton.

In this program there was a combined schools concert band featuring budding musicians from the high school and Rutherford Public School. Mrs Rebecca Bridge from the public school wanted to encourage an instrumental music program at her school. The matinee concert was their premier concert performance. The group, in smaller numbers, again played in the night showcase and will again perform early next term at the Maitland District Performing Arts festival.

The evening showcase was a smash hit. There was an excellent turn out of over 300 parents, family, friends and staff who were a supportive audience for the performers.

The evening featured the award winning Drama ensemble, the highly talented school dance ensemble, various drama groups from years 7, 8 & 11, the year 9 elective dance class, various group items from the Year 12 music students, vocal solos from Emma Moore, Hillary Chatimba and Natasha Selkrig.

The Aboriginal Dance group performed at both the Matinee and evening concerts, and as usual, were great ambassadors of the indigenous culture. Besides their traditional dances, we were delighted to have Isaac York play his didgeridoo as part of their performance. The group have been invited to dance in the Maitland District Performing Arts festival in mid-July.

One of the highlights of the evening was a beautiful Samoan dance by sisters Tiffani and Sofia Betham who were joined on stage by their older sister and ex-student Siobhan. The ladies were attired in traditional Samoan dress and were a hit with the audience.

The Visual Arts department featured works from classes across stages four to six. The displays which were set up the perimeter of the hall showcased various art mediums including photographs, t-shirt designs, paintings, portraits, clay sculptures and student portfolios. Some of the artists were present at the concerts to discuss their work with the audience.

On behalf of the CAPA faculty, I wish to thank all our Parents, Friends and Staff for attending the concerts. A special thanks to our MC's - Alex Cichon, Mason Brett, Nadine Clancy and Bradley Walker; to our Music, Drama and Dance performers and Visual Arts students for presenting their work, and to the students and staff for setting up and running this very successful showcase.

Ms Hornery - HT CAPA (relieving)

CULTURAL AWARENESS DAY

On 31 May 2012 the Beacon Leaders were accompanied by Mr Butler to a Cultural Awareness Day at the Maitland Neighbourhood Centre.

The contingent from Rutherford Technology High School was fortunate enough to hear acclaimed author Donna Meehan talk about her history, her journey through life and her thoughts on present Australian society.

Donna explored issues such as the Stolen Generation and its impact on Indigenous people, the process of reconnection of stolen children and their families, the support services available to Aboriginal people today and the stereotypes and misconceptions people have about a variety of issues in Australian society.

The Beacon Leaders participated enthusiastically in all aspects of the day and the other community members present commented on the exceptional conduct and positive attitude demonstrated by these students.

Thank you to the Maitland Neighbourhood Centre for their invitation to attend and their hospitality.

Back L - R: Mason Brett, Ryan Jackson, Dylan Clarke, Hannah Witherdin, Jake Robinson
Front L - R: Keely Clack, Rhiarna Hopley, Molly Crissell, Jaymee-Leigh Wood

BING LEE - THORNTON

A reminder that Bing Lee Thornton is continuing its schools program aimed at assisting local schools to acquire electrical appliances at no cost. Every dollar spent within the store can earn credits for the school if nominated by the customer at the point of sale.

Rutherford Technology High School has signed up to be a part of this program so please keep this in mind if making a purchase at Bing Lee Thornton. All you need to do is to mention to the cashier that you are supporting this program and advise them the name of the school. Any member of the local community can donate their credit dollars to the school of their choice so please mention this to family and friends if they intend purchasing electrical items at the store.

JAKE ROBINSON - WATER POLO STAR

Best Wishes to Year 10 student, Jake Robinson, who flew out this week to New Zealand as a member of the Under 15 Combined High Schools Water Polo team at the Pan Pacific Games where he will be playing against teams from countries including New Zealand and America.

Jake's position in the team is a reflection of his dedication to his sport – travelling to Sydney several times a week to train. Jake has to maintain a balance between his school work and his sport.

Whilst the focus of the trip will be in the pool, there will also be plenty of opportunities for Jake to socialise with players from other teams and to experience New Zealand.

We all wish Jake well and look forward to hearing about the team's experiences on his return.

UNIFORM SHOP

A reminder that the Uniform Shop has a good supply of Winter Uniforms. This includes:

Fleecy Hooded Jackets	\$40.00
Micro-fibre Jackets	\$65.00
Knitted Jumpers	\$72.00
Tracksuit Pants	\$35.00
Long Black Pants	\$39.00
Scarves	\$20.00

The Uniform Shop is open every Tuesday morning during the term, from 8.00 am to 12.00 midday, and on Thursday afternoons from 12.30 – 4.30 pm. Payment may be made by cash or EFTPOS/Credit Card – please note that cheques cannot be accepted.

The Uniform Shop is closed during the school holidays.

COLES - SPORTS FOR SCHOOLS VOUCHERS

Last year, with support from our students and their families, Rutherford Technology High school earned over \$1,000 through the Coles Sports for Schools Program. With this money we purchased equipment for the school gym, increasing the number of students able to participate in cardio lessons throughout our sports programs.

Rutherford Technology High has again registered in this program in 2012. A collection box is located in the PE staffroom and we would gladly accept your support in collecting and returning to us any vouchers you may obtain through your regular shopping. It will assist us in resourcing our students with additional equipment. Thank you.

ATHLETES FOOT

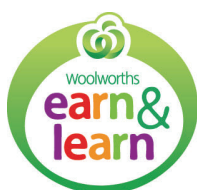

The Athletes Foot sponsors Rutherford Technology High School by donating \$5 to the school for every pair of shoes purchased at any of their three stores at Green Hills, Charlestown and Glendale. The support provided by The Athletes Foot results in valuable funding for additional resources at the school.

When purchasing shoes at any of The Athletes Foot shops, please mention Rutherford Technology High School to ensure that your purchase is linked to the school.

This applies to anyone shopping at the Athletes Foot so please let your family, friends and workmates know and ask them to mention Rutherford Technology High School to gain credits for the school.

The Athletes Foot also runs a Loyalty Program where for every \$500 spent you receive a \$50 gift voucher towards future purchases.

WOOLWORTHS EARN AND LEARN PROGRAM

Rutherford Technology High School has registered to be part of the Woolworths Earn and Learn Program. For every \$10 spent at Woolworths you will receive a sticker. Please keep these stickers and place them onto the Sticker Card that is being given to every student at the school. Additional sticker cards can be obtained from the school or from Woolworths stores.

Completed sticker cards should be sent to the school and placed in the large green box by the Student Desk at the Front Office.

The more stickers we receive, the more items we can buy for the school. This is an excellent way for the school to obtain valuable resources for the school – please help us to help provide additional resources to support your child's learning.

Professor Tony Attwood

An Asperger's Syndrome Seminar for parents and carers and professionals presented by

Autism Spectrum Australia (Aspect)

Professor Tony Attwood will provide parents, carers and professionals with practical support strategies to promote positive functioning for individuals with Asperger's Syndrome and High Functioning Autism. Strategies will be useful in settings such as school, home and work.

Date: Saturday 4th August 2012

Venue: Panthers Newcastle, Cnr King and Union Street, Newcastle West, NSW

Time: 9.00am to 4.00pm - Registration from 8.20am

Cost: \$150 (payable by credit card, cheque, or money order)
(\$130 Early Bird payable before 1 July 2012)

workers

eheadspace is a national
online and telephone
support service

eheadspace.org.au
1800 650 890
9am-1am AEST

eheadspace is a confidential, free* and secure space where a young person or their family can web chat, email or speak on the phone with a qualified youth mental health professional.

Who can access eheadspace?

eheadspace offers online and telephone mental health support to young people aged 12-25 years and their families or friends. Young people may contact **eheadspace** if they need advice, are worried about their mental health or are feeling isolated or alone. **eheadspace** is not a crisis service.

eheadspace email, web chat and phone support provides flexible ways for young people who don't have a **headspace** centre nearby or don't feel ready to visit a centre, to get the help they need.

eheadspace aims to provide improved access to support for young people who are known to be less likely to use traditional services such as young men, Lesbian, Gay, Bisexual, Transgender and Intersex (LGBTI), Aboriginal and Torres Strait Islander, Culturally and Linguistically Diverse (CALD), homeless, rural and remote young Australians.

What does eheadspace offer?

eheadspace is staffed by qualified youth mental health professionals who can help young people by exploring what is on their mind, what help is available and how they can build coping skills.

Depending on the needs of the young person, **eheadspace** may provide esupport or etherapy. Interventions offered will be based on assessment, formulation and shared decision making.

Registering with eheadspace

Young people or family members must register at www.eheadspace.org.au to use the online and email service. They can remain anonymous (full name is not required for

registration), but they will need to provide a username and email address as registration is a two-step process requiring email verification. There will also be some information collected as part of the registration process such as age, sexuality, gender, postcode, education and other information to assist the **eheadspace** clinicians. Young people who make their first contact with **eheadspace** on the phone will be asked to provide the same information.

Referrals to eheadspace

Workers and teachers can provide referral information that may assist **eheadspace** clinicians to support a young person. To provide referral information or to negotiate a shared care arrangement call **eheadspace** on 0488 200 053.

It can be helpful to assist young people with the **eheadspace** registration process at eheadspace.org.au. Young people can send an email to **eheadspace** to schedule their first appointment.

Referrals from eheadspace

eheadspace acknowledges that not all mental health problems can be appropriately addressed online. When this is the case, young people will be supported and encouraged to attend face to face services. **eheadspace** aims to make referrals and communication between **eheadspace** and other services as seamless as possible.

eheadspace will offer assisted referral, where young people are supported to access face to face services (including **headspace** centres) and will continue to support young people while they await an appointment or are in the process of engaging with a face to face service. An **eheadspace** clinician may stay involved and be part of the overall care plan for a young person, even if they have been referred to face to face services.

When young people accessing **eheadspace** already have face to face services in place, **eheadspace** aims to work collaboratively with these services.

* Calls from mobile phones attract normal call charges

NEW SOUTH WALES
MINERALS COUNCIL LTD

SAVE THE DATE

Do you want a cool career in mining?

Do you want to know more about the possible trade careers in the mining industry?

Are you in Year 10, Year 11 or Year 12 but don't know what to study?

Do you want the opportunity to speak one-on-one to mining representatives, apprentices and trainees?

Your questions can be answered at one of the NSW Minerals Council's 'Trade Careers in the Mining Industry' evenings.

If you are a student in Years 10 – 12, a parent or a teacher then we invite you to attend one of the NSW Mineral's Council's 'Trade Careers in Mining Industry Evenings'. This informal and interactive evening will provide an appetiser for those considering a trade or operator role in the mining industry.

An intimate and unique opportunity to hear first-hand from current apprentices and employees about their chosen career pathways in the mining industry, their experiences, and their studies as well as the variety of career opportunities available in the minerals industry, both in NSW and globally. There will also be a chance to speak one-on-one to TAFE and RTO staff and representatives from local mining companies and ask your questions.

Invitations will be emailed to schools shortly. In the meantime, please to save the date so that you don't miss out.

When: Tuesday 24 July 2012

Where: Hunter Valley – Venue to be confirmed

Time: Registration at 5.45pm. Presentations commence at 6:00pm sharp.
Evening concludes at 8pm.
Light refreshments will be served.

For further information, please contact Chrissie Clarke on 02 9274 1423 or email education@nswmin.com.au

AUSTRALIAN AIR FORCE CADETS CADET RECRUITING

The Australian Air Force Cadets is one of the Premier Youth Organisations of Australia. We are currently recruiting for 2012.

Do you want to:

- Learn to fly
- Develop your leadership and communication skills
- Participate in adventure training and field craft activities
- Meet new people and make life long friends
- And heaps more

If you:

- Are an Australian resident
- Have good general health
- Are between 13 and 18 years old
- Can attend weekly activities
- Have permission from your parent or guardian

Become a Cadet in the Australian Air Force Cadets
