TEACHERS SHOULD NOT BE JEALOUS OF STUDENTS BUT SOMETIMES IT HAPPENS...

Grace Quilty, Year 11 student, has successfully applied for a position at the 'Women in Engineering Camp' at UNSW during the Christmas school holidays. Although many girls throughout the state apply for this camp, only a select group meet the criteria. Congratulations, Grace, on such an achievement.

So Grace will be participating in a mighty range of activities: from learning about Bio-medical Engineering with prosthesis and bionic eyes; to Google Site visit to see how Google's analytics solutions can help turn customer insights into action for business; to rotating activities on campus in the fields of electrical engineering, mining materials, aerodynamics etc; to ResMed site visit where research takes place for the causes and effects of obstructive sleep apnoea and then the ResMed designs and solutions to control and limit the condition; to Sydney Water Site visit; to networking opportunities with engineering students and Industry Professionals. The best part though, is the Thursday evening Harbour Bridge Climb – a privileged time to see the best of Sydney lights.

Well done, Grace. There will be photos next year to view.

Congratulations!

SENIOR EXECUTIVE REPORT

ASSESSMENT WEEKS

Many classes have been undertaking end of year tests or assessment tasks over the last week and into next week to determine final subject grades. This is a crucial time for attendance at school.

HSC

The HSC exams are gradually drawing to a close with the last tests next week. I look forward to catching up with everyone at the formal on Tuesday 10 November at Crowne Plaza. HSC results will be published on Wednesday 16 December.

STEM (Science, Technology, Engineering and Mathematics)

Three of our Head Teachers Mr Edwards, Mr Trotter and Mr Cromarty recently travelled to a conference in Melbourne looking at innovations in STEM education across Australia. This is in preparation for the exciting launch of our STEM program in 2016.

SCHOOL LEADER INDUCTION

Our 2016 school leader induction will be held on Monday 2nd November to welcome in a very exciting leadership team. Pictures and names will feature in the next newsletter.

YEAR 10 STAGE 5 N DETERMINATIONS

The window of opportunity is closing. Year 10 students with outstanding assessment tasks need to get them completed urgently as we are looking at final N Determinations across all faculty areas.

EVERY DAY COUNTS.....

A day here or there doesn't seem like much, but.....

If your child misses.....	That equals.....	Which is.....	And from Kindy to Year 12 that is.....	Which means the best your child can achieve is.....
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed....

Every day counts!

EXECUTIVE REPORT C.A.P.A FACULTY

(CREATIVE AND PERFORMING ARTS FACULTY - ART, DRAMA AND MUSIC DEPARTMENTS)

The CAPA Faculty has had a busy second half of the year as our Year 12 students finished up and submitted and presented their major HSC works.

The Drama class went off site for both their Trial and HSC monologues and group performances. We were very lucky to have the drama space at Francis Greenway High School made available to us, thanks to their drama teacher Ms Megan Marshall.

Our year 12 students attended rehearsal afternoons at Francis Greenway High for their trial before presenting their own pieces to parents, staff and friends in an evening concert. An innovative idea of Miss McCann's was to set up a panel of Drama teachers to critique the students' performances on the night. This allowed each student to have feedback on their performances. Thanks to Miss Clunies-Ross, Miss Kovats, Ms Marshall and student Ashley Fry for assisting Miss McCann and being with her on the panel. The class then returned to the venue a week later for their HSC. Mr Fean assisted Miss McCann on the day by taking year 10 and 11 Drama students over to the school to be the audience for the HSC exam.

Mr Avery's Year 12 music class had to also find an external performance venue appropriate for their group pieces. A big thanks to Maitland City Bowling Club for their generosity in allowing the school to use their facilities for the two days. Thanks to members of the year 11 music class - Emily, Kate, Tim, Jared, Jack and Ryan, who played in ensembles for the year 12 students and to Miss Clunies-Ross for assisting on the day.

Ms Clarke had a busy year teaching both the Year 12 Visual Arts and Visual Design classes. I must acknowledge the support of Mr Fean and Ms Wolff in assisting Ms Clarke in checking the BOW (Body of Work) for the Visual Arts class. Thank you also to our Art intern Miss Moretti for her assistance and support of the students in the completion of their work. We are pleased to announce that the major works were finally marked on site on October 20th, and I am pleased to present, on behalf of Ms Clarke, photos of some of these major projects which have taken nearly 12 months to complete from their initial conception.

We must congratulate Mr Fean and his very talented year 10 Visual Design class for the School Magazine. Bigger and better in design, the magazine, which I have been lucky to preview, will be ready for sale from November 10. The articles and photos include all the year group pictures, special events like the MADD showcase, swimming and athletics carnivals plus reports and many, many more images of the different faculties. Reserve a copy of this limited edition and order now at the front office.

CAPA were involved in the Business Breakfast earlier this term, displaying a beautiful selection of Art works from across all year groups. The works were mainly 2D and were placed on display boards around the hall for our visitors to view. Also at the breakfast we were entertained by Year 11 music student Ryan Peters who performed solo classical guitar music. Thank you, Ryan.

The Drama Ensemble has continued to meet weekly for rehearsals with Miss McCann and Miss Clunies-Ross. The students involved, from years 8-12 who auditioned for membership, have the opportunity to perform in external drama competitions including the Sharp and Short festival in Sydney. Three pieces written by the group were entered, with one going into the final. A full bus load of spectators journeyed to Sydney to see the play win two major prizes on the night.

The music department offers two performance groups for interested students. The School band, which has been running since 1987, meets every Wednesday for rehearsals during first break. We welcome any students who wish to learn brass, woodwind or keyboard instruments to join us. We are pleased to currently have a group of year 11, 10 and year 7 students learning and playing in the ensemble and we are currently busy preparing for end of year performances.

Meanwhile, the Vocal Ensemble performed a beautiful rendition of the national anthem at both the year 12 graduation assembly and the annual Sports assembly. The group are currently busy rehearsing pieces for the end of year activities and all are welcome to join them at their weekly rehearsal every Tuesday at recess in Music 2.

We are looking forward to the students finishing up their class projects for the end of year assessments. We have some great skill emerging in the year 7 keyboard classes, talented vocalists in the choir elective who are preparing for a mini concert, whilst budding Rock stars are popping up throughout year 8. The year 7 elective animation has been a popular class with the students designing their own digital cartoons, whilst the year 7 & 8 drama classes have learnt the art of acting, group work and performances with Miss McCann and Miss Clunies-Ross. It has been great to hear the year 9 & 10 Music classes, not only in their practical lessons, but in the composing activities. The year 9 drama class have finally finished their group soap operas which they have spent a period of time writing and editing. We are also looking forward to seeing the year 10 short films which they are going off to Paterson to film. Once again, the class has worked in groups to write scripts, and complete all production work on their pieces. After filming they will then come back to school and edit before submitting them for assessment. We wish the class success in this fun and exciting project.

Many thanks to all of the CAPA staff and students for all of their creativity and hard work throughout the semester; many thanks also go to all of the temporary and casual staff who have worked in our faculty with our wonderful Drama, Art and Music classes.

YEAR 7 NEWS

On November 13th this year our Year 7 students will have the exciting opportunity to participate in an excursion to Revolution Sports Park in Newcastle. Students will have three hours to play on the various equipment available at Revolution including Bubble Soccer, Laser Skirmish, Trampolining and Dodgeball. The day will also include a sausage sizzle for lunch. This is a fantastic chance for all students to relax and have fun with the entire year group and to mix with new friends and old ones at a new facility to the Hunter area. All students were given notes and parents need to remember to sign the waiver attached to the note to ensure that students are allowed to participate on the day. Spare notes are available from the PE staffroom.

Term 4 has seen the beginning of the Year 7 Lifesaving program at Maitland Pool. Students attend the pool during their double sport periods and will be learning valuable skills in relation to swimming and lifesaving situations. It is hoped that all students will participate in the program where essential survival and rescue techniques will be demonstrated and taught, with the hope that they will develop a more confident attitude towards swimming and lifesaving. After the first few weeks of this program most students have seen the benefits of spending some school time at the pool cooling off, having fun and learning at the same time.

SOMETIMES IT'S NOT A GOOD IDEA TO WALK PAST THE TAS KITCHENS.

Last Friday, the most delectable aromas emanated from the new Commercial Kitchen area. Year 10 Food under the tutelage of Mrs Caryn Rasmsus had cooked roast chicken breasts wrapped in bacon, piped then fried mashed potato buttons and steamed carrots and beans. The meals, with warmed bread buns and butter, were served in the bistro area. During the meal preparation there were many skills and competencies developed, with photos taken for the students' portfolios. Then at the end ... a most enjoyable meal. Well almost the end – then there was the washing up to do but that was quick in the new commercial dishwasher.

Mrs Rasmus and students enjoying a delicious lunch.

YEAR 9 NEWS

Year 9 are settling in to another busy term with plenty of opportunities for students to continue to develop and expand upon their knowledge and skills both inside and outside of the classroom.

Several year 9 students are in the process of completing their training to be panel members for the upcoming year 10 'Impressions 10' interviews, where year 10 students are required to showcase their skills and knowledge to a panel of members derived from the schooling and local community. This is a fantastic opportunity for the year 9 students, who will be panel members, to gain an insight into the way interviews operate, as well as a valuable chance to enhance their own connections with the community. Additionally, being on the panel provides these students with the opportunity to prepare themselves for their own interviews when they are in year 10 next year.

Year 9 students will also have the opportunity in the coming weeks to complete training as peer mediators for next year. This is also an excellent opportunity for students to develop skills in healthy conflict resolution and to help guide their peers to develop and nurture strong relationships with others.

The Year 9 girls 'Shine' group continues to run under the very dedicated guidance of Mrs James. Recently, Kayla Lawton from Splendor came and gave the girls tips on nail care and how to perform a basic manicure. She also spoke about what steps she took to get into the beauty industry. A lot of the girls were inspired to hear an ex student and how she worked hard to achieve her goal. Thanks must go to Mrs James, as well as Kayla for very generously giving up their time to work with and inspire our students!

YEAR 10 NEWS

Sixty Year 10 students will be participating in this year's peer support program. The program is facilitated by wellbeing staff and is run over the period of two days. Students will learn different strategies that will assist Year 6 students transitioning into Year 7. The vast amount of Year 10 students who have signed up for the program, demonstrates student acknowledgement of the need to support students in the early stages of high school.

The staff and students who are involved in the Breakfast Club would like to acknowledge the generosity of 'Bakers Delight' at Rutherford who now provide us with bread. There are many local businesses who donate their time, service or products to our school. In return we express our appreciation and hope our school community can reciprocate.

Hello,

My name is Monique Christensen, I am a parent at Rutherford Technology High School. I'm holding a fundraising event to support Cancer Council NSW on their mission to defeat cancer and I'd love for you to come along. My mother Margaret was diagnosed with Multiple Myeloma in 2013. So, I have decided with the support of the community, my family and friends, I would like to shave my hair and raise money for cancer, honouring my mother and all the other people whose lives have been affected by this horrible disease. It has been ten years since I have cut my hair and have spent over \$3000 for my dreadlocks. With much thought I have made a date of the 28th February 2016 to SHAVE for a CURE. On the 28th February we will be holding raffles and auctions, the location is still being arranged, I will let you know.

The details of my fundraiser are:

If you are unable to attend, you can still help by donating to my fundraiser. To make a secure donation online, please click on the link below to visit my fundraising page.

You can also support Cancer Council NSW to defeat cancer by visiting the [Do It For Cancer](#) website and signing up. Don't forget you can also join the [Facebook](#) and [twitter](#) pages to see photos, videos and inspiring stories of others who have been involved.

As a non-government organisation, Cancer Council NSW is 97% funded by people like ourselves, so every dollar raised really does make a difference!

Thanks for your support!
