## **OFFICE OPENING HOURS**

Please be aware the  
office is open Monday to  
Friday between 8am and  
4pm. Outside office hours  
a message may be left on  
the school answering  
machine.

Parents and caregivers  
are reminded an  
appointment is necessary  
before meeting with  
teachers as they have  
class, playground duty  
and other commitments  
during the school day.

## **Upgrade Works Continue ....**

At present administration is still located in the demountables at the northern end of the school. Access for visitors is through the northern carpark and students through the gate near Industrial Arts.

***Parking is still tight at present. Please take care with drop offs and pickups.  
The car park is for staff parking only.***

Stage 1 of our Upgrade of Facilities is well underway and despite some wet weather delays should be finished by the end of Term 1.

Ready will be:

New Administration Block  
New Southern Carpark  
Cover over Basketball Courts (looks great, you could park a jumbo in there)  
Cover over the Canteen Quad Area

## **EXECUTIVE REPORT**

Welcome back to the 2015 school year, especially Year 7 students and parents who are entering a new phase of their education journey. I hope everyone had a great Christmas and New Year.

### ***E-mail Addresses***

***We urgently need e-mail addresses to electronically send out the Newsletter. Please complete the return slip on the last page included within the Newsletter and return it to the office.***

### **STRATEGIC PLAN 2015-2017**

This year we move into the start of a new planning phase. Significant consultation has taken place across the whole school community to arrive at our three strategic directions:

- Quality Learning
- Quality Relationships
- Quality Community Connections

The full document will be released shortly.

### **PBL**

Rutherford Technology High School is a Positive Behaviour for Learning, or PBL, school. There will again, this year, be a strong focus on the recognition of positive behaviours. Last year saw a significant reduction in suspensions and negative referrals in the school, a trend we hope to see continuing. A big part of PBL is in encouraging students to take responsibility for their own behaviour and learning. This revolves around students demonstrating all aspects of our core values outlined below.

### **RUTHERFORD TECHNOLOGY HIGH SCHOOL CORE VALUES**

<b><i>RESPECT</i></b>	Well mannered and polite to all Use appropriate language Care for all property Value others and their opinions Listen
<b><i>RESPONSIBILITY</i></b>	At the right place at the right time Engaged in learning Make good choices about your behaviour Represent the school with pride Be safe Support each other
<b><i>COMMITMENT</i></b>	Value achievement Attend regularly Prepared for learning

### **P&C**

The P&C at Rutherford Technology do a fantastic job in supporting the school at various events and through their fund-raising efforts. They are an extremely sociable and friendly group. If you are interested in attending meetings they are on the third Tuesday of each month at 6:00 pm in the Staff Common Room.

**The next meeting is on the 17th February  
Hope to see you there!**

### **CANTEEN**

Our Canteen is run by our P&C. They are always looking for volunteers to help during the day. If you can help in any way please contact our office and ask to speak with Jenny Brazier. Parents, Grandparents and other Family Members are always welcome.

### WELFARE TEAM 2015

Our Welfare structure at Rutherford Technology High is very strong. Please contact your child's Year Advisor in relation to any immediate concerns.

We welcome them and know they will enjoy being a part of such a fantastic school.

### RELIEVING POSITIONS

Head Teacher English - Mrs Jenny Blackwell

Head Teacher Welfare - Mr Blair Newham

### COMMUNICATION

To help with communication don't forget we have our Website, Facebook page and our School App. Please utilise these. SMS will continue to be used to notify you of student absences.

### YEAR 7 2016

We are starting visits this week to Primary Schools to talk to parents. There is an information evening on Tuesday 3rd March for Year 6 and their Parents at RTHS.

### PLEASE MAKE AN APPOINTMENT

From time to time parents and caregivers need to speak in person with a Deputy Principal or the Principal. We request that you phone ahead and make a convenient time to avoid having to wait unnecessarily or be told that the person is unavailable.

**Michael Whiting**  
**Principal**

## **WELFARE REPORT**

Rutherford Technology High School has an enthusiastic and committed Welfare Team who work collaboratively to support the social, emotional and learning needs of all students. Throughout 2015 students will have the opportunity to participate in a range of welfare activities and programs aimed at developing and strengthening communication skills, self-esteem and resilience.

### **Term 1**

Already this term the following programs or initiatives have been scheduled:

**Every Wednesday Period 2** – Year 7 Peer Support run by Year 11 Peer Support leaders

**Monday 2<sup>nd</sup> February** – Year 7 Cyber Safety session with the School Liaison Police Office, Senior Constable Jalam Glossop

**Monday 23<sup>rd</sup> February** – Elevate Education study skills sessions for all Year 11 and 12 students

**Tuesday 10<sup>th</sup> March** – Year 7 Peer Support excursion to Walka Water Works

**Friday 20<sup>th</sup> March** – School based activities to promote the National Day of Action against Bullying.

**Shine Program** – Promoting personal and life skills for targeted Year 9 girls

**PBL Lessons** – Timetabled fortnightly for all students in Year 7-10 and taught by Year Advisors

**Plan-it Youth** – A mentoring program for targeted Year 10 students

### **Peer Support**

During Term 4 last year a significant number of Year 10 students took part in a 2 day Peer Support Leadership training program. Many of these students went on to become Peer Support leaders and very effectively demonstrated their leadership skills by running two Peer Support sessions on the Year 6 Orientation Day last December. Peer Support will run at Rutherford High during Term 1 to assist our Year 7 students with transitioning to high school. Peer Support will run for a series of 8 sessions which will be held during Period 2 each Wednesday. Year 7 students will meet with their Peer Support Leaders each week and work through a range of activities which focus on the specific values of respect, responsibility, inclusion and integrity. It is hoped that through these sessions, each student will clarify their personal values, respect themselves and others, recognize the importance of integrity and discuss ways of contributing to their school community. This program also ties in with the schools PBL core values of respect, responsibility and commitment.

### **How can parents support the Peer Support program?**

Each week you can discuss with your child the activities, concepts and understandings they developed by participating in the Peer Support program. This will help to develop a positive connection between school and home. If you would like more information about the program please contact the school.

### **Student Health Care: A reminder to parents to notify the school about your child's health**

We welcome information from parents about your child's health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child's health care needs change or if a new health condition develops. Information about allergies, medical conditions such as asthma and diabetes and other health care related issues should be provided to the school by parents.

It is also important to notify clerical office staff of any changes to your contact details or the contact details of other people nominated as emergency contacts.

***Kris Turner / Blair Newham***  
***Head Teacher Welfare***

## **ENGLISH FACULTY REPORT**

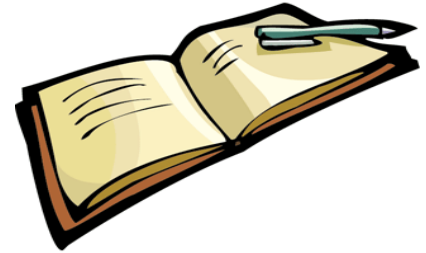

Welcome to English Rutherford Technology High School 2015. Our Faculty is looking forward to a fun and successful year. We have drama performances booked and other activities such as a writing competition in the pipeline. It can be a challenge working around our building improvements at the moment but in the long run we will have some fabulous learning spaces to utilize for our performances.

At the end of last year many of the English rooms were revamped by teachers and students and are looking very smart and inviting. We hope students enjoy the new classroom atmospheres.

Congratulations to Miss Morgan who has returned as Mrs Hedges and a welcome back to Miss Voorbij who has been on maternity leave.

Please feel free to contact the English Faculty at any time during the year - our door is always open!

**Jenny Blackwell**  
**Rel HT English Department**

## **ABORIGINAL EDUCATION**

### **Coming Events:**

A reminder for Aboriginal students that 'BROSPEAK' will take place each Monday in the Hall during Period 6.

Aboriginal Dance will take place each Wednesday in the Hall during Period 6.

**Michael Heitmeyer**  
**Aboriginal Liaison Officer**

## **SPECIAL PROVISIONS FOR THE HSC**

Please take note:

Are you currently in year 12 at RTHS or are you a family member of a year 12 student and you haven't already applied for provisions for the HSC?

Do you feel anxious and stressed with assignments and exams?

Do you sometimes feel that you struggle with your school work?

Do you have a current issue that affects your concentration for long periods?

Is there something that makes it hard for you to read or write?

Is there something that might affect your ability to complete the HSC?

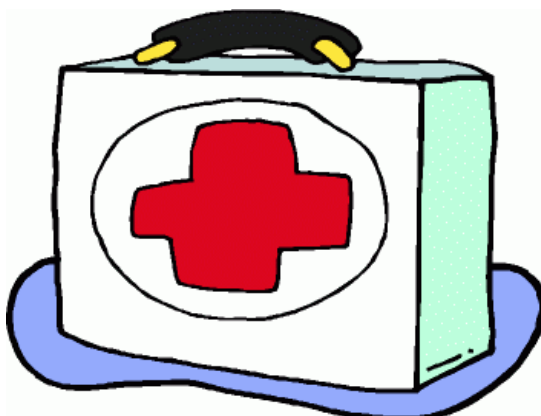

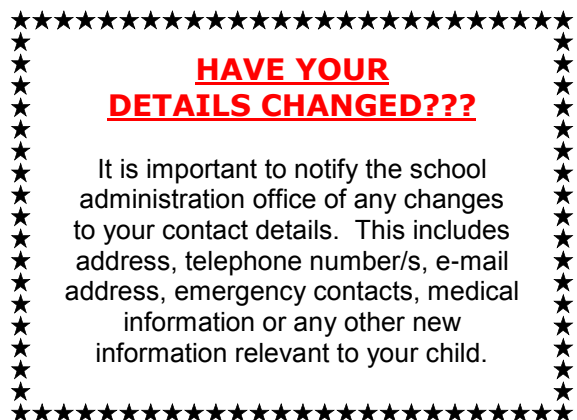

If you have answered 'yes' to any of the above, you may be eligible for SPECIAL PROVISIONS which could include rest breaks, extra time, small group supervision or a reader/writer during your HSC.

Special provisions are not something to be ashamed of. It is there to make sure that all students are treated fairly and are on a level playing field.

Please come and see Mr *Matthew Marselos* (Learning and Support Teacher) in the Support Staffroom, or your year advisor if you want to chat about provisions.

**NSW SCHOOL VACCINATION PROGRAM**

Each year NSW Health works in partnership with schools to offer the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school vaccination program.

In 2015 the following vaccines will be offered:

**Year 7 students\***

- dTpa vaccine (Diphtheria, Tetanus & Pertussis (whooping cough)) as a single dose
- varicella vaccine (chickenpox) as a single dose; and
- human papillomavirus (HPV) vaccine in a 3-dose schedule at 0, 2 and 6 months (students who commence HPV vaccination in Year 7 but do not complete the course may be offered catch-up doses at school in Year 8)

**Year 11-12 students\***

- measles-mumps-rubella (MMR) vaccine as a single dose as part of a catch-up vaccination program for students who are not fully protected.

**PLEASE CHECK HOW MANY DOSES OF MMR VACCINE YOUR CHILD HAS RECEIVED BY CHECKING THEIR BABY VACCINATION BOOK (BLUE BOOK) OR CONTACTING MEDICARE ON 1800 653 809. IF THEY HAVE EVIDENCE OF TWO PREVIOUS DOSES – DO NOT COMPLETE THE CONSENT FORM.**

- *The Parent Information Kits contain a consent form, information sheet and privacy statement that details how personal information will be collected, stored and utilised.*

*Consent form kits* will be sent home to parents/guardians. To consent to the vaccination of their child, parents/guardians are advised to:

- read all the information provided
- complete the consent form, including signing their name next to the vaccine/s they would like their child to receive
- return the completed consent form to their child's school
- ensure that their child eats breakfast on the day of the school vaccination clinic.

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal or phoning the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at [www.health.nsw.gov.au/immunisation](http://www.health.nsw.gov.au/immunisation)

To improve vaccination completion, students will be opportunistically offered any missed doses throughout the year where possible.

Please note that for HPV vaccine only, parents/guardians must record their Medicare Number (all 10 digits and the 11<sup>th</sup> number beside the child's name) on the consent form, as this is required to record the student's information on the National HPV Vaccination Register and (for female students only) link to the National or State Cervical Screening Program.

A Record of Vaccination will be provided to each student vaccinated at each clinic. Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated if they do not receive this Record of Vaccination.

## **PLAN-IT-YOUTH MENTOR PROGRAM**

Mr Kai Tryk, Mrs Jan Davis, Mrs Christine Walmsley, Ms Kris Turner and Mrs Kay Pritchard (pictured below) held their first meeting on Wednesday as part of the planning process for the 'Plan-It-Youth' Mentoring Program.

The program will commence during week 5 and lasts for eleven weeks. During the two hours each week, targeted Year 10 students will be mentored by community volunteers who are willing to share their vast experiences and knowledge with our students.

Further volunteers for this program would be appreciated by the students and the school. If you are willing to assist, then you can contact Ms Kris Turner by ringing the front office.

## **2015 INTERNATIONAL WOMEN'S DAY**

On the 7<sup>th</sup> March 2015, Maitland City Council, as part of the campaign to celebrate the contribution that women make to our workplaces, families and communities, will be holding a celebratory International Women's Day walk.

The walk is not just for women and girls but calls on everyone to stand up for gender equality and support the 2015 International Women's Day theme ***'Let's not wait another 20 years to achieve Gender Equality'***. This invitation is extended to all students, parents and staff at Rutherford Technology High School.

Council in partnership with Maitland Parkrun will host a 7km walk/run (or as much as you can manage) at Walka Water Works, Scobies Lane, Oakhampton. The Walk will be followed by a fruit breakfast.

Event Time: 7:45am – 9:45am

## **SCHOOL PHOTOS**

Dear Parents,

School Photo Day will be held **MONDAY 23rd FEBRUARY, 2015.**

We will have a makeup day on Friday 27th February, 2015 for about one hour.

Our dress code for photos is full school uniform with no visible undershirts, no dangly earrings and no facial piercings please.

Students will receive a personalized envelope about a week before photo day. MSP Photography advises the following:

"Payment for the whole family can be placed into ONE envelope. It is important that each family member hands in their own personalized envelope to the photographer indicating where the payment will be found. The pre-pay envelope must be handed to the photographer before individual portraits will be taken. Please make cheques payable to MSP Photography or enclose correct money as the school does not handle any money and therefore cannot give change. There is 100% money back guarantee if not satisfied with the photos."

MSP Photography has been our photographer for many years now and are part of our school community in so many ways. Please mark the date on the calendar and remember to ask your child to show you the personalized envelope when they receive it.

## **WEP STUDENT EXCHANGE PROGRAMS**

Applications Open Now!

World Education Program (WEP) Australia is now accepting applications from students who wish to participate in 2015/16 exchange programs for a summer, semester or year. Students can choose to study and live life with a carefully selected host family in more than 25 countries. Exchange students return to Australia with maturity, confidence and in many cases, proficiency in another language. If learning another language is not for you, excellent programs to the USA, Canada, the UK and Ireland are also available.

**Find out More:** Request an information pack on-line or attend one of WEP's information sessions near you. Visit [www.wep.org.au](http://www.wep.org.au) to find out more. Early Bird Specials are now available for programs commencing in 2016.

### **Newcastle Information Session**

Date: 28th February, 2015

Time: 10:00am - 11:30am

Venue: Cardiff RSL (45 Macquarie Road, Cardiff)

## **SCHOOL LOCKERS STILL AVAILABLE**

Just a quick message to let parents know that a limited number of lockers are available to hire.

Students with health conditions, such as back problems, may be especially interested as they can leave heavy text books there instead of carrying them around all day.

The hire costs \$20 and runs from Term 4, 2014 to the end of Term 3, 2015. Some students share a locker and this cost with a friend. Pay the front office and see Mrs Clarke in the Visual Arts Staffroom to be allocated a locker.

## **SRC NEWS**

Congratulations to our nine outstanding SRC representatives who were nominated for the 'Young Citizen of the Year' as part of the Australia Day Awards Ceremony at Maitland.

**Jhon Barrios, Jac Gardiner, Daniel Gibson, Brittany Jones, Natasha O'Neil,  
Declan Payne, Josef Pemberton, Brooke Sweetman, Kiarra Tilden**

When nine of the thirteen nominees are enrolled at the one school, it indicates the depth and calibre of our students.

Our SRC encourages and promotes leadership, involvement in community and a social conscience. These nine remarkable students are only a fraction of the many, many young people who contribute so much to our local community.

Perry Duffin from the local paper, 'The Star', profiled each of our students throughout the month of January.

Congratulations, again, to our amazing students.

## **GREAT NEWS**

We are pleased to share some great news about former students of Rutherford Technology High School.

### **Cal Treherne**

Cal Treherne form Year 10 (2014) has been offered an apprenticeship in welding and fabrication by Industrial Maintenance & Fabrications Pty Ltd (IMF). IMF is a Hunter Valley based steel fabrication firm in Rutherford. IMF services companies Australia wide in the fields of mining, smelting, building and other associated industries. The school has been strongly supported by IMF throughout last year, especially with their sponsorship of the Targeted Sports Program. Well done Cal & IMF.

### **Lane Southern**

Another good news story from one of our 2014 HSC students! Lane Southern is happily off to University. He has been offered a place in the Bachelor of Arts course majoring in Psychology at Newcastle Uni. At this stage, he intends to transfer into a Bachelor of Science after first year and hopes to pursue a research career in Physics. He is proof that encouraging and recognizing responsibility and commitment in our students can motivate them to strive to reach their goals. The school and staff feel proud to be part of the RTHS Learning Community.

**Photo of Lane Southern**

## **NATIONAL YOUTH SCIENCE FORUM**

In March, 2014 I applied to go to the National Science Youth Forum in Canberra. Knowing there were quite a few applicants and only 400 places was daunting but thanks to the Rotary Club of Maitland Sunrise I was accepted. Yay!

I had done my homework; I knew what the NYSF was about - likeminded senior students coming together to share and experience something they love and are passionate about. That, and getting to go on cool Science excursions every day for two weeks; dream come true!

It made me so much happier when I got there in early January and I found it was all this and so much more. The trip to the Canberra Hospital Pathology Lab and Pharmacology Lab at ANU (where I got to make medicine creams) were by far my favorite Science things, but having the opportunity to talk to amazing doctors and scientists, some of whom are world renowned was absolutely brilliant. The forum gave me so many ideas and taught me so much about Science but also about impromptu speaking, pair presentations, networking and how to deal with the last year of school stuff and starting Uni, all from staffies in Uni.

I have made wonderful friends from all over Australia and overseas. The NYSF is more than just 'Nerd Camp' as my friends so eloquently phrased it, it's the people you meet there that make the difference.

I strongly urge anyone that loves Science in Year 11 this year or next to look into applying for the NYSF, because if you go, you will have one of the best experiences of your life.
