ASPIRE AMBASSADORS SPREAD THE CAREERS WORD

Over the last month or so our Aspire Ambassadors from Years 10-12 have visited Rutherford Public School and Telarah Public School to undertake the 'Little Aspirations' workshop with Year 4 students.

The workshop has been designed to create career awareness and develop employment skills such as problem-solving, personal presentation, communication and self-promotion for primary students. RTHS students have also been given the opportunity to improve their leadership skills through facilitating the workshop.

Students from Telarah and Rutherford Primary Schools had a lot of fun and enjoyed the workshop activities, showing great enthusiasm and interest at all times.

Special thanks go to the Aspire Ambassador Team who have donated much of their own time to make this program possible. These students are Brandon Currie, Lachlan Sim, Emily Lambourne, Georgia Horne, Courtney Martin, Zoe Fletcher, Priyanka Kumar, Tiffany Burbage, Courtney Walsh, Jhon Barrios, Brooke Sweetman, Daniel Gibson, Declan Payne and Jordan Hamson.

SENIOR EXECUTIVE REPORT

SCHOOL CAPTAINS / SCHOOL PREFECTS FOR 2015/2016

Congratulations to the following students who have been elected as prefects to the RTHS Student Leadership Team for 2015/16.

Senior Leaders –Lara Butler, Eula Pacamalan, Ephream Osborne, Joslyn Ware, Emily Lambourne

Female Vice Captain – Grace Quilty

Male Vice Captain – Jack Williams

Female School Captain – Melissa Travis

Male School Captain – Liam Faustini

They will soon be embarking on a number of leadership courses and developing a leadership plan to improve some aspect of the school or community.

I would like to acknowledge our outgoing Leadership Team for 2014/15

Senior Leaders – Alana Mayo, Amber Dennis, Jhon Barrios, and Brittany Jones.

Vice Captains – Grace Harper and Daniel Gibson

School Captains – Brooke Sweetman and Declan Payne

They have worked tirelessly to support the school in many ways, including volunteering for community service, dealing with individual student issues, representing the school at special events and generally promoting all the positive aspects of this great school. Many of these activities and events occur outside of normal school hours. I would like to convey my personal thanks and good luck to each of the outgoing prefects.

NAPLAN 2015

As in previous years, our students have performed extremely well in the NAPLAN exams. The results have once again cemented Rutherford Technology High School as a great school.

Well done and congratulations to all of the students involved.

Your child's report will show his or her results in comparison with all other students from the same year group in Australia who sat the tests and will include:

- The national average
- The range for the middle 60 per cent of students
- Whether your child has achieved the national minimum standards

An important feature of the national assessments is that your child's achievement in literacy and numeracy is now measured against common national assessment scales that continue from Year 3 through to Year 9. This means that as your child advances through school and has these assessments every second year, you will be able to monitor your child's progress in literacy and numeracy.

Another important feature of the report is how the achievement of the national minimum standard is shown. The old 'benchmark' report showed achievement of the national minimum standard as being above or below a single score. The new report shows the national minimum standard as a full band on the scale. For example, the national minimum standard for Year 7 is Band 5. If your child's result is in this band, then he or she has typically demonstrated the basic elements of literacy and numeracy needed to participate in school in Year 7. If your child's result is in the bottom band for the year level, he or she has not achieved the basic skills of literacy and numeracy for that year and needs focused intervention and additional support to help achieve the skills required to fully participate in schooling. If you would like further general information about the new national literacy and numeracy assessments, please visit http://www.naplan.edu.au/home_page.html or contact Mrs Walkerden Head Teacher Support

HSC

By the time this newsletter is released, our Year 12 students will have finished school. The staff of RTHS would like to wish all of our Year 12 students good luck in their exams. We look forward to reporting on their results and future paths.

SCHOOL UNIFORM & SHOES

It is great to see the vast majority of students wearing the correct school uniform.

As the end of the year approaches we will be advertising to all families the correct uniform requirements (including shoes) so that purchases can be made for 2016.

Black leather shoes are the only acceptable shoes (except for sport). These shoes have no markings (like the Nike Swoosh etc.) and are a plain black leather shoe. We will send information out before the end of Term 4.

Examples of correct footwear to be worn with the school uniform

When you enter a school and see students in the correct uniform it creates a very positive impression of the school. The school uniform is just like a uniform worn in the workplace. If you are working at McDonalds and you arrive for a shift in 'almost the right uniform' – you will be sent home. It is an important habit to develop. If you are experiencing financial difficulties, please contact the school so that we can assist.

SENIOR STUDENTS

Teachers have almost completed Year 11 reports and are ready to start teaching Year 12 content next term. Students in Year 12 will receive their Assessment Task Booklets in the first week of term 4 and it is a good idea for parents/carers to take a look too, and familiarise themselves with the rules and regulations of the HSC. The HSC can be daunting for students and parents alike. Parents should spend some time with their child, learning about their subject choices and assessment task due dates. Start early...
... too early? NEVER!

JUNIOR STUDENTS

The juniors are busy too studying for their Yearly Examinations. When students aren't in examinations they will be expected to be in class, business as usual. Help prepare your child for their exams by:

- working out a revision timetable for each subject
- break revision time into small chunks - hour-long sessions with short breaks
- make sure your child has all the essential books and materials
- buy new stationery, highlighters and pens to make revision more interesting
- go through school notes with your child or listen while they revise a topic

The price of success is hard work, dedication to the job at hand, and the determination that whether we win or lose, we have applied the best of ourselves to the task at hand.

ATTENDANCE

I remind all students about the protocols of leaving school during the day. If sick, students may report to Sick Bay with a note from their teacher. Contact will be made with family and if possible, students will be collected by a family member. They will then be signed out of school by the office staff. Students must not simply leave the school. It will be treated as truancy by the school and the usual school protocols will be followed.

Deputy Principal

WELLBEING REPORT

ATTENDANCE

Regular attendance at school is fundamental to student learning, with students who attend school regularly more likely to achieve educational success, and increase their career and life options. Poor patterns of attendance place students at risk of not achieving their educational, social and psychological potential and disadvantage them in the quality of choices they are able to make in later life situations. Rutherford Technology High School takes a positive approach to improving student attendance and implements a broad range of individualised strategies for improving school attendance, within a framework of student well-being.

At the beginning of next term approximately 100 students will be invited to attend a complimentary pizza lunch to celebrate and acknowledge their excellent attendance during Term 3 2015. The pizza lunch will take place on Tuesday 13th October. In addition an excursion has been organised to reward those students whose attendance has been excellent throughout the entire year. This year's excursion will take place on Wednesday 25th November, with students having the opportunity to enjoy a Dolphin Watch Cruise and lunch at Port Stephens. Information will be given to eligible students early in Term 4. As this excursion is subsidised by the school there will only be a small cost involved for students.

STUDENTS ARRIVING LATE TO SCHOOL

This term has seen increasing numbers of students regularly arriving late to school. Punctuality and reliability are key characteristics which are highly valued by employers, with students who arrive to school on time establishing positive routines which will be needed for all students as they transition from school into the workforce.

Please discuss with your child the importance of arriving to school on time and work with them in establishing morning routines which ensure they do not arrive late to school. The school understands that occasionally families experience unforeseen circumstances which can result in a child arriving late to school – please assist the school by notifying and explaining these situations. Department of Education guidelines do not accept 'slept in' as a valid excuse, and must be recorded as unjustified.

Rutherford Technology High aims to work collaboratively with parents in establishing positive school attendance – if you have any concerns regarding your child's patterns of attendance please do not hesitate to contact the school to discuss your concerns.

EVERY DAY COUNTS.....

A day here or there doesn't seem like much, but.....

If your child misses.....	That equals.....	Which is.....	And from Kindy to Year 12 that is.....	Which means the best your child can achieve is.....
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed....

Every day counts!

RTHS SHOW TEAM

This week the RTHS Show Team went to one of the final shows for the year. The show team went to Tocal Steer Show on Tuesday 15th September. The Show Team would like to thank Mr O'Leary for his time and guidance. He works with us on Thursdays and in Ag class and also lunch and recess breaks. We work with the steers and get them ready for the shows. Well you might think it is an easy run from now on, however it isn't! We have to start all over again for next year and clean up the cattle yards. The Show Team would like to thank Mr O'Leary and Mrs Young for their time working with and helping the show team break in and train the steers.

NSW SCHOOL VACCINATION PROGRAM 2015

School vaccination clinic has been completed for 2015 at Rutherford Technology High School.

WHAT IF MY CHILD HAS NOT RECEIVED ALL VACCINES BEFORE THE END OF 2015?

Students who missed the last school vaccination on Wednesday 9th September 2015 will be contacted and there is a catchup clinic date offered.

Any year 7 student with missed doses of vaccine can also be caught up in 2016.

Additionally – any year 8 student who commenced HPV vaccination while in year 7 and are yet to finish all 3 doses of HPV (and who has not received any from their local doctor) can still receive these at the next clinic at their school.

Don't forget a Record of Vaccination is given to each student for each vaccination. Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated if they do not receive this Record of Vaccination.

Any questions, visit the NSW Ministry of Health website at:

<http://www.health.nsw.gov.au/immunisation/Pages/schoolvaccination.aspx>

If you have any questions contact Mrs Anne Young at school on 49325999.

LAURA WADE LOOKS DIFFERENT.

There appeared to be a new student in Year 10. She looked like Laura Wade but without the dreadlocks. And it is! Laura lost her grandmother to cancer a couple of years ago. When her grandmother was undergoing the cancer treatments she lost her hair as so many cancer sufferers do. Laura woke up one morning with the realization: "I don't really need my hair".

Laura then decided to have her beloved 'dreads' lopped off and donated to the Cancer Council so that wigs could be made from her hair. These wigs are provided to cancer patients who have lost their hair.

Congratulations, Laura, on your generous donation to help out people in a difficult situation.

YEAR 10 NEWS

A reminder for Year 10 students to pay for their tickets for the Luna Park excursion taking place on the 23rd of November, full payment is to be made by the 29th of October. Also Mr Buckie is looking for students who would like to be a peer support leader next year. As a peer support leader, students have the opportunity to learn key skills in mediation and take an active role in peer leadership.

VOCATIONAL EDUCATION AND TRAINING (VET) NEWS

RTHS students have been making strong progress in the courses of Business Services, Construction, Hospitality, Metals and Engineering, Primary Industries, Retail Services and Sports Coaching. Many Year 12 students will be receiving full Certificate II qualifications for their study at our school which will greatly improve their chances of future employment.

Year 11 and 12 students have also been undertaking their mandatory work placement experiences. Mr Cromarty's Year 11 students have had excellent feedback from their host employers. Mitchell Brown, Caitlyn O'Brien and Emily Lambourne have been highly commended from Mrs Weber's Year 11 class and Brooke Herd and Beau Law from Year 12 performed so well in their Business Services placements they have been offered employment.

In 2016, RTHS will be offering our full range of VET courses and students have chosen these subjects in very strong numbers. Construction, Metals and Engineering and Retail Services will be offering two classes.

At RTHS, we are also continuing to have great success with our School-Based Apprenticeship and Traineeship (SBAT) program. Currently, we have second largest number of SBATs in our region and offer students opportunities in a large variety of industry areas. These areas include; Aged Care, Metal and Engineering, Primary Industries (Equine), Warehousing Operations and Retail. If local employers are interested in investigating the prospect of offering students further opportunities in this area they should contact our school's SBAT Coordinator, Mr Toby Butler.

YEAR 11 AND 12 BUSINESS STUDIES STUDENTS VISIT LOCAL INDUSTRY

On 1st September our Year 11 and 12 Business Studies student took part in an excursion to visit local industry and see how what they learn in class about business operations, marketing and human resources.

Students were treated to a presentation from David Haggarty Real Estate, a tour through National Ceramic Industries and 100% Bottling Company manufacturing plants, and a site visit to Hunter Valley Training Company.

A huge thank you must go to the businesses involved for allowing us to spend time with them. It was a very informative and enlightening experience.

SCHOLARSHIPS

FOR THE CHILDREN & GRANDCHILDREN OF AUSTRALIAN VETERANS

The Australian Veterans' Children Assistance Trust (AVCAT) is a not-for-profit organisation. AVCAT administers bursaries and scholarships to help children, and in some cases grandchildren, of Australian veterans with the costs of full-time education. The most deserving candidates are provided with financial assistance to facilitate their tertiary studies.

The *Long Tan Bursary* is specifically available for the children of Vietnam veterans. Other sponsored scholarships available include those made available due to the generosity of various ex-service organisations and private donors.

"It means the world to me that someone I don't know cares about my education and believes I have potential."
