FAREWELL AND GOOD LUCK!

Last term we said a final farewell to our outgoing Year 12 students, the Class of 2017. An amazing week of activities, with Henchmen Day, a Zoo Trip and Staff vs Students sports day, culminated in an incredible and emotional farewell assembly. The school has been much emptier without their presence. Rutherford Technology High School, and I personally, would like to thank all of our Year 12 students for the huge impact they have made on the school, students and staff over the last six years, and wish them all the best in their HSC and beyond.

Graeme Buckie

Year 12 Adviser 2017

SENIOR EXECUTIVE REPORT

Welcome back to an exciting and very busy Term 4. I hope all students are well rested and ready to tackle their final assessments and exams to enhance their performance on their Semester 2 reports.

We farewelled Year 12 at the end of Term 3, and a big thank you to everyone involved in a fantastic assembly.

Welcome to staff

Welcome to Ms Erin Carter a new permanent Science/Agriculture teacher.

Welcome back from extended leave to Mr John Lacey and Miss Loretta Hornery.

There are some major events also occurring this term:

- **HSC.** Currently our Year 12 students are sitting their exams. The exams are taking place in a number of spaces around the school. Students are reminded to remain quiet in these spaces as we respect the right of these students to have a quiet environment. We wish all of our Year 12 students all the very best during the exam period.
- **Senior Leader induction assembly** – will be held on Monday 30 October. Invites are being mailed out at present.
- **Sports Assembly** – a separate sports assembly will be held on Tuesday 14 November to recognise our student's sporting achievements during the year.
- **Presentation Assembly** – our major presentation assembly will held on Monday 11 December.

A thought

An important aspect of wellbeing is a sense of optimism and this is what a vision for your life gives you. A picture, a hope and a dream of what is possible. As you dream of your future there are going to be hurdles, mishaps, mistakes, tough times, the desire to want to give up, turn around and go back, but I encourage you to keep going. Look beyond your present circumstance to what can be. There is a long delay between sowing and harvesting, but keep cultivating the land, keep living out our school core values, because the vision for your life should be so strong that it keeps spurring you toward the goal. Our role at school is to set you on that course, that you may grab hold of that vision.

Bunnings BBQ

A big thank you to the P&C, staff and students who operated the BBQ at Bunnings last Saturday. We raised over \$2100.00 towards a new school bus.

Yr 12 2018 assessment booklets

Assessment books have been issued to Year 12 students. These are a very valuable resource for organisation and preparation during the HSC course. Any student who has not received the booklet please see Ms Hughes Deputy Principal for Year 12.

Reminders

I would like to remind parents, carers and students of the following:

- **Mobile phones, hats, earbuds** in class are not allowed. The expectation is that hats are off, mobile phones are off and in bags and earbuds are in bags. If mobile phones are removed from students they will be stored at the front office for collection at the end of the school day. For students who continue to not follow our school mobile phone policy, parents may be required to collect the phone from the office.
- **Carpark.** Parents, carers and students are not to park in the carpark. The staff carpark is for staff and student taxi services only.
- **Road safety.** The front of our school becomes a very busy place in the morning and afternoon. There is a student pedestrian crossing, and the expectation is that students use this to cross the road. Parents are reminded not to park in the bus bay and to park in designated areas to drop off and collect students. As with the front of the school, the roundabout on Alexander Ave becomes extremely busy in the afternoon. Students are reminded to take caution and we ask that parents speak with their children about crossing the road safely.
- **Arriving at school.** Students are expected to arrive to school before 9am. When students arrive at school the expectation is that they enter the school grounds and do not wait out the front of the school. Students are not to go to the **shops before school**.
- **Uniform.** Our students are looking very good in their uniform and we have had a number of compliments from the community. A reminder that black tights or jeans including jean shorts are not part of the school uniform.
- **Energy drinks.** These drinks are a health concern and are a banned item at school. If students have these at school they will be asked to either hand them to staff or place them in the rubbish bin.

Deputy Principal

Class of 2017

PDHPE REPORT

Term 4 has seen the school oval re-open after extensive drainage work and re-grassing and it looks great! This is a timely reminder for students to be prepared for the hotter weather with water bottles, hats and sun protection (sunscreen is available at the PE staffroom free of charge to all students). Bringing a change of shirt is also particularly important in the hotter months, and a reminder that aerosol sprays are on the Department's banned items list; instead, a roll on deodorant should be brought to school if needed.

Year 7 and Year 10 will be participating in an exciting Swimming Awareness program this year at Lambton pool. Students in Year 7 will travel to Lambton Pool on Friday the 3rd November (Week 4) and Year 10 will travel to Lambton Pool on Friday the 17th November (Week 6). This is a most important program, catering for all levels of swimmers and providing the opportunity for greater water awareness and competency at the beginning of the swimming season. Parents and students are encouraged to support this program, as it is an excellent opportunity to prepare for the summer season. The cost of the day is \$20. Notes have already been sent home with students so if parents could read and sign the notes and return with payment as soon as possible that would be greatly appreciated.

Congratulations are extended to Nicholas Olive, who represented the school at the State CHS Athletics carnival. Nicholas came 2nd at this carnival in the under 13's Javelin. He then competed in the All Schools Carnival (Nationals) where he achieved sixth place. A wonderful result for a very talented athlete.

There has also been further success for Mrs Stork and her Aerobics team. In August, the team travelled to the Gold Coast to compete for the National title in the Stage 1 Classic Division. The team were successful and crowned National Champions for this competition. Well done to all the students for their hard work and commitment to this team.

Similarly, Jake Collins-Doherty is to be commended on his selection in the NSW U/16 Young Achievers Rugby League team. Jake recently toured Papua New Guinea in the last school holidays playing with this team. These performances represent excellent achievements and solid proof that the Targeted Sports Programs are assisting to develop quality Football and Rugby League players at Rutherford Technology High School.

Dear Year 8 Parent or Carer

The *Validation of Assessment for Learning & Individual Development* (VALID) test for Year 8 students will be held between **Wednesday 1 November** and **Friday 10 November 2017**. The test takes approximately 70 minutes. The *VALID Science 8* test is an interactive, multimedia test completed entirely on a computer.

VALID Science 8 contains multiple choice, short response and extended response tasks that are grouped around real-world issues, including scientific investigations. This is a diagnostic test, with tasks framed on Stage 4 outcomes and essential content in the NSW *Science Years K–10 Syllabus*. Students will be tested on their:

- knowledge and understanding of science
- understanding and skills in the process of scientific investigation
- ability to evaluate evidence, make judgements and think critically
- ability to access information and communicate scientific ideas.

Students also complete a survey about their opinions, attitudes and values about science. Since students complete *VALID Science 8* on a computer, each student needs to bring **headphones or earbuds** that plug into a school computer. Earbuds for an iPod or portable player are suitable.

If your child has a disability that needs special consideration or has been educated in English for less than one year, please contact your child's school to discuss special provisions or possible exemption from the test.

Results of the test will be available during Term 1 2018. Information about each student is treated confidentially and held securely to ensure that the right to privacy of all students is maintained. A personal report for each student will be sent to parents/carers to describe the science knowledge and skills demonstrated by the student in the test. There will also be information about how your child's results compare with overall performance of all students in the test.

The principal of your child's school is able to provide you with more details about the VALID program if you require additional information.

Yours sincerely

Jenny Donovan
Executive Director, Centre for Education Statistics and Evaluation
Department of Education

ABSTUDY KEY MESSAGES TERM 4

Advise parental income online

- ◆ Annual Parental Income Test (PIT) reviews are required to ensure that each ABSTUDY student's correct entitlement is paid from the start of each new calendar year.
- ◆ A PIT review letter was sent out in September to all dependent ABSTUDY recipients, except where the parent/s are PIT exempt, or the parent/s actual 2016/2017 financial year income details are already known to the Department of Human Services. The letter includes a One Time Access Code with a request to have their parent/s provide the necessary information using the Advise Parental Income Online Service.
- ◆ Where the parental income is not received by 31 December 2017, the ABSTUDY recipient's Living Allowance rate will be reduced to zero from 1 January 2018.

ABSTUDY Verbal Declarations

- ◆ Verbal declarations for ABSTUDY claims continue to be taken over the phone. Claimants who accept a verbal declaration for their claim will no longer need to sign and return the paper Customer Declaration Form (CDF).
- ◆ Claimants will be advised at the time of the claim if they are required to provide any additional information to support their claim.
- ◆ Recipients are still required to notify if any claim information has changed or is incorrect.

Students should commence study in week 1

- ◆ Boarding school students must commence school within the first 3 weeks of each term to be eligible for the maximum rate of ABSTUDY assistance for that term.
- ◆ Students who fail to commence by the 3rd Friday of term will only receive a pro-rata amount of ABSTUDY for that term.
- ◆ Any gap between the maximum rate of ABSTUDY and the school's annual board and tuition cost will need to be paid by the parent or guardian.

End of Year Circumstance Reviews

The End of Year Circumstance Review (EOY) will automatically update the following:

- ◆ Secondary non-boarding students completing Year 11 or below will have their study details automatically updated to the following year and payments will continue into the next calendar year.
- ◆ ABSTUDY secondary boarding students will have study and boarding details automatically updated to the following year and payments will continue into the next calendar year.
- ◆ ABSTUDY tertiary students whose course end date falls in a future calendar year will have payments continue into the next calendar year.
- ◆ On completion of the updates recipients will be issued a letter advising them of their study details for the following year. Recipients must contact Department of Human Services (DHS) if the information is incorrect.

End of Year/Start of Year Travel

Travel requests should be compiled over the next few weeks to be returned to the ABSTUDY travel team for processing. Please consider the following when requesting travel:

- ◆ Discuss student travel dates with parents
- ◆ Years 11 and 12 finish earlier than other students therefore their travel requests should be lodged earlier with the 6 week cut-off in mind

- ◆ Consider travelling siblings together even if they attend different schools or are studying at different levels
- ◆ Ensure final exam dates have been taken into account for years 10 – 12 when requesting end of year travel
- ◆ Travel should only be requested from the students place of study to their permanent home address
- ◆ Consider the Public Holiday, 26 January 2018, when requesting start of year travel for 2018
- ◆ Variations to pre-booked travel will only be considered if unforeseen or exceptional circumstances are presented

Supervisor Travel

- ◆ ABSTUDY organises travel for around 3,400 Indigenous secondary school aged children who travel to and from their home to education institutions each term.
- ◆ Student travellers vary in age, generally originate from rural or remote locations, can travel great distances alone, on multiple legs via different modes (air, sea, rail, bus and charter) and consequently can be vulnerable.
- ◆ Weather, transport delays, carrier maintenance or students choosing to miss travel can lead to unaccompanied minors experiencing travel disruptions.
- ◆ Supervisors are mandatory for secondary students under 12 years of age and DHS strongly encourages parent/guardians to nominate a supervisor for all students studying at secondary school and/or under 18 years of age who are:

travelling great distances;
on multiple carriers; or
Who may be 'at risk' of a travel disruption.

- ◆ A supervisor must be 18 years of age or over and a:

parent/guardian;
family member;
a community representative; or

Penalties for missed travel

- ◆ It is important for students and non-student travellers to travel on the date arranged. Changes to booked travel will not be approved unless there are exceptional circumstances.
- ◆ If a secondary school student misses travel for the first time in a calendar year, the journey can be re-booked. If a secondary school student misses travel again in the calendar year, DHS will not re-book their travel in advance for the same trip. The parent/guardian or school will need to book and pay for that journey and, if eligible, seek reimbursement.
- ◆ If a tertiary student, secondary non-school student, or a non-student traveller misses travel, DHS will not re-book or pay for the same trip in advance. They will be required to book and pay for that trip and, if eligible, seek reimbursement.
- ◆ Students and non-student travellers may have to pay back the costs if we were charged by the travel provider for the trip they missed.

Students should be encouraged to apply for a Tax File Number

- ◆ Claimants applying for ABSTUDY must supply their Tax File Number (TFN). If a claimant has a partner or is dependent, the claimant's partner or parent/s TFN(s) must also be supplied.
- ◆ If a claimant does not have a TFN or does not know their TFN request the recipient to complete the TFN application form (NAT1589).
- ◆ Claimants 16 years of age or over who fail to provide a TFN or TFN application form will have their ABSTUDY claim rejected.

Identity Confirmation

- ◆ Claimants applying for ABSTUDY are required to provide identity documents to meet the Identity Confirmation process. Claimants must provide 1 document from each category: The form SS231 can be downloaded from the Department of Human Services website at www.humanservices.gov.au

Commencement of Identity

Primary Use in Community

Secondary Use in Community

- ◆ When claimants have satisfactorily identified themselves to the department, they will achieve an Identity Status of 'Confirmed' and will not be required to provide these documents again.
- ◆ Claimants that experience difficulty in confirming their identity will still be eligible to use the Alternative Identity Confirmation procedures.

Claim ABSTUDY now

- ◆ Secondary students commencing in 2018, especially those students who will be living away from home for studies in 2018, should lodge their claim now for next year's schooling.
- ◆ It's important to encourage students to claim early so they can get their ABSTUDY before school starts next year and travel to school on time.

PPE allows parent(s)/guardian(s) or organisations to make enquires on behalf of the recipient to discuss:

payments issued to students or organisations on their behalf

- ◆ To qualify, the parent/guardian or parent/guardians partner must be in receipt of an Income Support payment, or hold a current Low Income Health Care Card or a Health Care Card.

Schools, Colleges and Student Hostels

- ♦ At the end of Term 1, 2 and 3 the Department of Human Services (DHS) requests attendance information from schools, colleges and distance education providers to work out if ABSTUDY students under 16 years meet the attendance requirements to get ABSTUDY School Term Allowance.
- ♦ At the commencement of each term DHS requests schools and hostels to provide start dates for ABSTUDY Away from Home students to work out the amount of ABSTUDY assistance payable.
- ♦ On 25 August 2017 DHS faxed a letter to qualified boarding schools and hostels inviting them to apply for the ABSTUDY under 16 Boarding Supplement for eligible ABSTUDY Away from Home students who are under 16 years.
- ♦ Education Institutions are to use the Education Institutions eService to send DHS the range of information required to determine ABSTUDY assistance for schools, hostels and Indigenous students.

Students must advise of any change in circumstances using online services

ABSTUDY recipients must advise when things change to avoid getting a debt. ABSTUDY payments may also be cancelled or suspended if we become aware of a change the recipient has not advised us of.

- ♦ ABSTUDY recipients who commence work are required to notify this initial change by contacting ABSTUDY on 1800 132 317. Students and apprentices will then be eligible to use online services to report their income fortnightly.

The staff and students who are involved in the Breakfast Club would like to acknowledge the generosity of 'Bakers Delight' at Rutherford who now provide us with bread. There are many local businesses who donate their time, service or products to our school. We express our appreciation and hope our school community can reciprocate.
