CONGRATULATIONS

Congratulations to Rutherford Technology High School Year 8 Student, Bailey Maier, on being nominated for the City of Maitland Service Award.

Bailey attended the nominee recognition presentation on Tuesday 11 June 2019 at the Maitland Regional Gallery with her family and two staff members.

Bailey was the youngest and one of the six nominees for the overall award. Whilst Bailey was not the award recipient, she was presented with a recognition certificate and congratulated by many for her achievement at such a young age.

Bailey's nomination highlighted her outstanding service along with her drive and willingness to help others by continually giving up her own time to volunteer and help both at school and out in the community.

SENIOR EXECUTIVE REPORT

NAIDOC week

This year the theme for NAIDOC week is VOICE. TREATY. TRUTH.

The Indigenous voice of this country is over 65,000 plus years old. They are the first words spoken on this continent. Languages that passed down lore, culture and knowledge for over millennia.

It's that Indigenous voice that include know-how, practices, skills and innovations - found in a wide variety of contexts, such as agricultural, scientific, technical, ecological and medicinal fields, as well as biodiversity-related knowledge. They are words connecting us to country, an understanding of country and of a people who are the oldest continuing culture on the planet.

Reports

Staff have been working really hard to complete half yearly reports for students. Looking over some of the comments, most students have demonstrated the school values of Respect, Responsibility and Commitment. Trying their best both in class and working with staff to ensure their work is the best they can produce. Congratulations in particular to students who have been working to improve from last year.

School Values

Commitment

Completing assessment tasks is an important part of schooling, not just as a way of us gauging how a student is going – what level of understanding they have around content, but as part of the learning process. Skills are developed through completing assessment tasks as well as improving understanding of concepts covered. For those students in Years 10, 11 and 12 who have outstanding N warnings due to incomplete tasks, we provide plenty of opportunities for students to complete their work and to ensure that they meet the requirements of the credential they are completing. Please contact the school if you feel your child requires further help completing their tasks.

Responsibility

Staff are providing equipment for many students throughout the day at school. This is including pens and books. With the holidays coming up, it is a good time to have a discussion and review of the equipment taken to school. Obviously high school students are more than old enough to be responsible for ensuring they let you know if they need anything new or anything replaced, and then bringing what is needed for each day of learning. I certainly intend to begin following up a lack of equipment with Year 8 over the final weeks of term, so parents are aware if their child is not meeting their responsibilities in this area.

Respect

I am already so proud to work at Rutherford Technology High School. I have been made to feel so welcome by this community and have seen that the vast majority of students here are fantastic. It is important for students to remember that before and after school – particularly on the way to and from school (and in uniform) that they represent our school. It is so disappointing that many in the community judge all students by the negative behaviours of the very few – but they do. Please be treat our school and yourself with respect through your actions as you move around the community.

Ms Tina Pratt

Deputy Principal

**Please be aware when collecting a student at
Rutherford Technology High School it is compulsory
to show Photo Identification.**

*Thank you in advance for your assistance in helping protect
our students.*

SUPPORT

Support students have been working extremely hard throughout the year to increase their knowledge and skill levels. This has included students learning to understand change and the Support Unit has introduced a rotating system of teachers this year. This consist of the Support Unit running like mainstream classes where students have a different teacher for each subject. Student remain in the one classroom with their designated SLSO, however teachers rotate to give students variety and further differentiated activities. Students across the four classes have also participated in a wide range of Community Access excursions, Work Experience and in School Project Based Learning (PBL) task throughout the year.

Some of the Community Access activities which have been undertaken include: Travel training to Maitland pool, completing a 6 week swimming program, attending Rutherford library to learn how to use all functions and resources in a library, and attending Rutherford Shopping centre to learn shopping skills/financial mathematics. After attending Rutherford shopping centre, students have learnt to cook nutritious meals which have been purchased by staff members to support the students.

Students from all 4 classes have also completed group and individual Work Experience at a variety of locations including: Bunnings, Child Day Care Centres, Coles, Woolworths, Kmart, Automotive Company, Logging Company, Mechanics Workshop, Cinemas, Gardening Company and a Disability Support Centre. All staff at RTHS are extremely proud of all students completing Work Experience as all feedback has been extremely positive saying our students show great levels of Respect, Responsibility and Commitment.

Term 2 has seen a new initiative being developed in the Support unit which is a PBL unit. The unit incorporates hands on learning, practical skills, and group work, whilst also meeting critical English, Maths, Science, HSIE, Work Studies, Technology and PDHPE outcomes. Students earn 'dots' throughout the week based on positive behaviour and attendance. These 'dots' earn them points to attend the PBL Friday activities. If students don't accrue 15 'dots' in the week, they go to the Black room where Literacy and Numeracy activities are undertaken. However, if students are only missing 1-3 dots, if positive behaviour is performed when in the Black room, they can earn their 'dots' to then join an activity. There are 2 sessions that students who have achieved their 'dots', get to choose which activity room they attend. Activities that have been available to date include: Cooking lessons, dance classes, outside sport, inside sport, sewing, coding/gaming, makeup/beauty, puzzling/games/computers, craft/design, challenge room (mini mathematical/science challenge activities performed individually to compete against others), music, and gardening. All students have responded extremely positively to this initiative, seeing an increase in attendance and positive behaviours.

Ms Teliah Buckton
Head Teacher Support

TERM 2: WEEK 7 ASSEMBLY – SCIENCE FACULTY PBL AWARDS

Year 7

Bethany Corrigan	Application in Science
Skye Blundell	Commitment to Classwork
Izaak Coyle	Excellence in Science
Jayden Davey	Excellent Effort in Science
Tyler Hagan	Excellence in Science
Carroll Jackson	Excellence in Science
Hannah Tremble	Excellent Effort in Science
Chloe McInnes	Commitment to Classwork
Laura Playford	Commitment to Classwork
Phillip Reid	Excellent Effort in Science
Caleb Skinner	Excellence in Science
Indyana Snow	Continued Effort in Technology Mandatory
Sebastian Williams	Striving for Personal Best in Technology Mandatory

Year 8

Sharee Blackwell	Excellent Effort in Science
Emma Cook	Excellent Effort in Science
Brianna Giblin	Excellent Effort in Science
Zane Gough	Improved Commitment in Animal Farm
Joel Heiligman	Application in Science
Bella Kattau	Application in Science
Emelia McIntyre	Application in Science
Fiona Rivera	Excellence in Science
Isabella Visinko	Excellence in Science
Analeigh Votano	Commitment to Personal Best in Animal Farm

Year 9

Jayden Cooper	Commitment to Personal Best in Agriculture
Bianca Duardo	Application in Science
Natasha Germon	Application in Science
Mitchell Houghton	Consistent Effort in Science
Destiny Mains	Consistent Effort in Science
Satine Murrell-Rivett	Commitment to Personal Best in Agriculture
Caoimhe Ryan	Excellence in Science
Braydon Sherwood	Excellence in Science
Braydon Taylor	Excellence in Science
Brooklynn Tyra	Improved Effort in Science
Gemma Watson	Excellence in Science

Year 10

Harris Baldwin	Commitment to Personal Best in Science
Lachlan Brazier	Improved Effort in Science
Jeremy Gamueda	Commitment to Classwork in Agriculture
Kiarah Moloney	Commitment to Personal Best in Agriculture
Rhiannon Nicholls	Application in Science
Marley Wilson	Commitment to Classwork in Science
Byron Winkler	Consistent Effort in Science
Zayhne Zwirek	Consistent Effort in Science

Year 11

Seth Crockett	Excellence in Physics
Natalie Jones	Outstanding Effort in Biology
Phoebe Quilty	Outstanding Effort in Biology

Year 12

Charli Field	Commitment to Learning-Biology
Emilie Hamer	Commitment to Learning-Biology
Monique Jones	Commitment to Learning-Earth & Environmental Science
Mikayla Nisbet-Gore	Excellence in Physics
Alanna Ogden	Commitment to Personal Best in Agriculture
Lauren Oliver	Commitment to Learning-Earth & Environmental Science

TERM 2: WEEK 8 ASSEMBLY – SUPPORT FACULTY PBL AWARDS

Tyrone Blanch	Being Responsible, Safe & a Great Role Model on Class Excursions out in to the Community
Hayden Darcy	Committed Approach to Increasing Skills in Senior Science
Daniel Edwards	Excellence in Advancing his Own Learning in Senior Mathematics
Jason Foote	Consistent Commitment & Application in Junior Mathematics
Ebony Giles	Excellence in Senior English
Holly Johnson	Showing Responsibility for her Own Learning & Writing Incredible Sentences
Jett Habgood	All Round Excellence and Increased Application in all Key Learning Areas

Charlie Williams	Increased Application, Commitment & Development in Literacy Skills
Skye Woods	Consistent Application & Commitment to Learning in Senior Science

MP AITCHISON VISIT

Jenny Aitchison MP (Member for Maitland) visited our school on Tuesday 11 June 2019 to recognise Rutherford Technology High School 2019 Student Leaders for their achievement by presenting them with a Parliament certificate, congratulations to:

School Captains
School Vice Captains
Year 12 Student Leaders
Indigenous Leaders

Jacinta Mangnall & Connor Gallagher
Alexis Kik & Capree Sales
Sophie Crawley, Riley Lewis & Emily Playford
Chantel Sinclair & Jake Collins-Doherty

Whilst at the school MP Aitchison spoke to our Student Representative Council (SRC) about what the SRC as a group goals for this year, in particular, domestic violence and local safe haven *Carrie's Place* and opportunities available or could be developed for young people in the Rutherford area.

PBL NEWS

PBL Assembly

At Rutherford Technology High School we continue to encourage the students to continuously work towards demonstrating the core values of Respect, Responsibility and Commitment. At our end of term PBL Assembly students who have demonstrated these values consistently will be recognised and commended.

Our PBL Assemblies will be held on Tuesday 25th June (Week 9) in the hall. Students are encouraged to wear full school uniform and to demonstrate the three school values of Respect, Responsibility and Commitment during the event. Years 7, 9 and 11 will attend Period 2 and Years 8, 10 and 12 during Period 3.

PBL Reward Day

Throughout the Term, it has been wonderful to see so many students demonstrating the core values of Respect, Responsibility and Commitment. These students will be more than happy to know that our second end of term Reward afternoon is just around the corner! On Thursday 4th July (Week 10) students will be able to finally spend their hard earned **Behaviour Bucks** (B Bucks). The organisation of this exciting day is almost complete with our staff members organising activities and food stalls for students to purchase delicious and fun items from.

This terms reward afternoon includes activities such as; Console Gaming, Face painting, Soccer shoot out, Mindfulness colouring, Juke Box, Putt Putt Golf, Nerf Gun shooting and so much more! Students that are interested in a fun afternoon filled with snacks and drinks, staff suggest heading towards 'Food Alley' where they will be stunned with the variety of food purchases available. Students will be able to use their B Bucks to purchase pizza, hot chocolates with marshmallows, cup of noodles, lollies, chocolates, hot dogs and doughnuts! As the reward afternoon gets closer we encourage our students to start counting up their B Bucks whilst continuing to demonstrate the core values of Respect, Responsibility and Commitment.

STUDENT NEWS

Congratulations to Rutherford Technology High School Year 7 students, Kobe Groves & Riley Hall, who represented the Hunter Valley over the June long weekend at the State SAP Football Championships.

Both boys played extremely well, Kobe captaining the team and Riley playing through injury to demonstrate that true Rutherford Technology High School TSP Football spirit!

Well done Kobe & Riley and thank you to Kilinda Sorensen for providing us the information and photo

Congratulations also to our community aerobics team ***"Intensify Rutherford"***.

The team recently achieved a silver medal at the State Finals in Chatswood and from there were invited to join Team NSW to contest the National Championships on the Gold Coast on 18 August 2019.

This team is coached by Rutherford Technology High School ex-student, Whitney Evans, and six of the eight team members are current Year 7 -Year 9 Rutherford Technology High students.

Well done to the team, and Whitney, and good luck on the Gold Coast!!

TAKE THE BUS TO SCHOOL AND MAKE BEANIES COOL

You may be surprised to learn that, in Australia, brain cancer kills more children than any other disease and more people under 40 than any other cancer, yet it is one of the most underfunded and under researched cancers of all time. Your participation in Beanie for Brain Cancer Day will enable us to increase awareness of this terrible disease, and raise much needed funds for brain cancer research.

Your school community can help us by participating in our Beanie for Brain Cancer campaign. It's easy, fun, and a great opportunity for students to experience first hand how a small effort by many can make a big difference!

On Tuesday 30th July 2019, Hunter Valley Buses will be donating 10 cents per school Opal tap for school students using their school bus.

Transport for NSW will be providing Hunter Valley Buses with the total school Opal taps for the day so we can contribute to finding better treatments and ultimately to finding a cure for brain cancer.

Participating is simple, wear your beanies and tap on and tap off with your school Opal card when boarding and alighting your school bus.

Make your taps count... to apply or update your child's details visit

- be computer literate
- ability to follow instructions and work autonomously

Experience with HACCP and Food Safety and in a similar role in a canteen, café or restaurant is not essential but would be an advantage.

Previous volunteer experience in Rutherford Technology High School's Canteen will be highly regarded.

The successful applicant **MUST** be available Monday to Friday for rostered hours and also when required on a casual basis as well as provide a current Working With Children Check.

If you wish to apply please send a covering letter, CV and relevant qualifications marked "Private & Confidential" to the P&C President by email: rutherford-h.school@det.nsw.edu.au or alternatively hand deliver to the school administration office in a sealed envelope.

Our school canteen provides a very important service for our students and staff every day. Although the P&C employs some workers to ensure the smooth operation of the canteen, we still rely heavily on parents and the community members to help on a daily basis.

Applications close Friday 5:00pm Thursday 25 July 2019.

Take advantage of this convenient new service. Go to www.flexischools.com.au and click register.

2014

Flexischools allows parents, students and staff to place and pay for orders from home, work or school at any time via their mobile, tablet or computer.

As well as being convenient for parents, the online orders are much faster and easier for the school canteen to process – so it makes everyone's life a little easier!

Flexischools is well established, operating in over 1,000 schools across Australia and having processed over 25 million orders.

How to Register:

1. Register for Flexischools by visiting www.flexischools.com.au. Add your student, their school and class/year to get started.
2. Top-up your account via Visa, Mastercard, PayPal or Direct Deposit.
3. Make an order by selecting from the range of options available and proceed to make payment for the order listed in your order pack.

What Does it Cost?

Online Ordering Fees: \$0.29 per canteen order

Account Top-ups: Direct Deposit – FREE
(2-3 days to become available in your Flexischools account)
Visa / Mastercard / PayPal – Surcharge of 16c + 1% of your top up value (immediately available on your Flexischools account)

Need assistance registering, topping up your account or placing orders, please call the Customer Service Team at Flexischools on **1300 361 789**.

PARENT ONLINE PAYMENTS (POP)

It is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card, and can be made via computer, tablet or mobile phone. The payment page is accessed from the front page of the schools website by selecting [\\$ Make a payment](#)

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' this to cover items not covered in the previous headings, Other can be used to make a complete payment of a school invoice.

When you access the [\\$ Make a payment](#) you must enter:

- All relevant details (follow prompts)

These details are entered each time you make a payment as student information is not held within the payment system. There is also the option to enter the Student Registration Number and Invoice number these are not used at our school, please leave blank.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the School Administration Office.

Many Thanks

Lexi Fitzgibbon

School Administration Manager

Harvey Norman Maitland

The staff and students who are involved in the Breakfast Club would like to acknowledge the generosity of 'Bakers Delight' at Rutherford who now provide us with bread. There are many local businesses who donate their time, service or products to our school. We express our appreciation and hope our school community can reciprocate.

Rutherford Technology High School has an Official Facebook Page – just go to Facebook and look for "Rutherford Technology High School NSW Official Site" and click on "Like".

We will be using the Facebook page to keep everyone informed about events at the school, important dates for your diary, and general information about the school.
