SCIENCE FACULTY REPORT

F1 in Schools Challenge

In support of the achievements announced in the last newsletter, Skorosk Racing: Leeza Goyal, Beau Medland, Will Gibson, Shianne Gillin, Brayden Taylor have already been busy preparing for State Finals in November. Skorosk Racing will compete at the University Western Sydney representing the Hunter Valley, competing against all Schools throughout NSW. The team is currently looking for support from local businesses that make wish to assist with monetary or equipment donations. If your business is interested in helping in any way please contact the school.

Staffing

Congratulations to Mr Daniel Hunter who was successful in gaining a permanent Science teaching on faculty. He comes with a wealth of experience and unique and interesting ways to deliver the curriculum.

Year 12 HSC Science

Good Luck and all the very best for your upcoming HSC examinations in Term 4. Many hours of hard work and dedication has gone into preparing our students in Science course by the Faculty. We are looking forward to seeing the new form for the HSC examinations as this will be the first cohort to experience the examinations under the new curriculum that was launched in 2017.

Year 11 Science

Best wishes to Year 11 Science students for their upcoming Yearly Examinations next week. Ensure you are well prepared and rested.

VALID 10

Over the last two weeks Year 10 have been completing the online VALID 10 test. Students have been asked a variety of questions in numerous different ways about Science ideas and concepts. Once the marking is complete, a written feedback report will be available later in the year to give feedback on students' achievements.

Mr Steven Edwards
Head Teacher Science

The *Tell Them From Me* parent survey (Term 3, 2019)

This Term, our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent/carer surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 26 August and 25 October. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

To access the survey for our school go to: <http://nsw.tellthemfromme.com/kpt5n>

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>

The survey is available in 23 languages.

Parent Information

IMPORTANT PARENT INFORMATION **Leaving School Early**

Permission from the school will only be approved for:

- A. A medical/dentist/specialist appointment substantiated by a copy of the appointment slip and/or the doctor's name, surgery address and appointment time; **or**
- B. Family emergency. Brief details to validate this request must be provided (or parent contact details).

Whilst parents may give their permission for a student to leave early, it is ONLY the school which can approve the leave.

If a student has a note from their parent/caregiver and they satisfy A. or B. of the conditions above, the student must: give the note/details to the Administration Office before Roll Call. Students are not to leave the school grounds without a school "early leaver" slip. Students attending TAFE or other courses carry school approval documentation.

Unscheduled collection of students during the last lesson is disruptive to teaching and learning. *Unless it is an emergency situation, parents will be asked to wait until the end of the school day for student/s to be collected.*

If a student is collected early from school by a parent/guardian, please ensure you bring with you photo identification.

Please be aware when collecting a student at
Rutherford Technology High School it is compulsory
to show Photo Identification.

Thank you in advance for your assistance in helping protect
our students.

REQUEST FOR ALL SCHOOL MAINTENANCE LOCAL TRADES PROVIDERS AND SUPPLIERS

The NSW Government has committed the largest investment in planned maintenance at public schools in the history of NSW. A record \$1.3 billion is being spent on an ambitious delivery program, focused on employing local businesses and contractors across the state.

To assist in addressing regional school maintenance issues and at the same time provide work for local trade's persons and suppliers across the Hunter / Central Coast regions, over \$100 million is being invested to upgrade and maintain our school infrastructure.

Given this record spend by School Infrastructure NSW, you are invited to an Asset Management Unit industry breakfast briefing. This will provide information to existing and new contractors on how you can get involved.

To find out more by attending our Industry breakfast register at:
<https://www.eventbrite.com.au/e/industry-engagement-information-session-tickets-65766578607>
or contact your Asset Management Unit on 4088 3500.

YEAR 12 REPORT

It was great to see the students of Year 12 raise over \$400.00 from their cake and ice cream day on Thursday 5 September. The students donated the ingredients, baked, labelled and sold to the school. Such was the quality of the goodies that there were no leftovers. When I say that I was impressed, I wish to add, that I am comparing these students to all who have come before them as I have been here a long time.

Students are also fundraising through auctioning their services as labour during the last week. This is also likely to raise a significant sum which can be used to offset some of the costs of the formal, donation to a charitable cause and gift to the school.

As the excitement builds and the last days of schooling approach I would remind the students not to lose focus on their studies. I have read the final reports and a common theme from staff involves revision of past papers. We ask the students not to lose sight of the purpose for being at school and work at their potential.

Mr Kevin McMullen
Year 12 Year Advisor

YEAR 10 REPORT

With the end of Term 3 approaching, this marks one more Term left of their junior year.

Year 10 students have been busy demonstrating their talents in both their studies and extracurricular activities.

This term Year 10 were able to participate in the New Brave Program, students were given a presentation about mental health, self-empowerment and were given advice on how to seek help and lift others. We want to commend Year 10 on being respectful and attentive during their session and by asking relevant and engaging questions.

Next term Year 10 will spend some time training as leaders in the Peer Support Program for next year. This program will allow them to have the opportunity to lead, guide and support the Year 7 students as a Peer Support Leader, any students interested in doing so please come and see your year advisors. This is a massive opportunity for Year 10 to develop some leadership skills and be active role models for the upcoming Year 7's.

Year 10 have a lot of upcoming assessment tasks and a lot of outstanding tasks waiting to be resolved. The Learning Hub and the Homework Centre are facilities students can access at school and are encouraged to seek additional support if needed to help complete assessment tasks.

We want to encourage students to get into good study habits for their upcoming Yearly Exams and for preparation for their senior years. Make sure you are up to date with your work, get a good night sleep and don't be afraid to ask for help if you need any. Remember that your teachers are always willing to help you.

We would also like to congratulate the following Year 10 students for receiving a Year Advisor Award for their ongoing commitment to the schools core values: Jye Youlten, MacKenzie Apps, Jeremy Gamueda, Cameron Hayward, Ben Hackett, Kasie Moy, Kade Windon, Jordan Lodo, Rhys Mayer, Matt Houghton, Ruby Geering, Harrison Brown and Jessica Roser.

Don't forget to save your B-Buck for Rewards Day at the end of week 10! Keep up the Good work Year 10 and get pumped and excited for your final junior term.

Ms Genevieve Scott
Year 10 Year Advisor

SUPPORT REGIONAL ATHLETICS CARNIVAL SUCCESS

On Monday 9 September 2019, 22 x students, 1 x senior student helper and 8 x very excited teachers headed to the Glendale Sports Complex for the combined Support Regional Athletics Carnival. As Rutherford Technology High School students had not attended in many years no one knew what to expect or how the results would go.

The day started with all 15+ schools and 200+ students completing a march past then going in to some fun activities. These fun activities were tunnel ball and captain ball and the two events were also a competition. RTHS had three teams in each event with them all competing. Team 1 won both captain ball and tunnel ball gaining 1st place ribbons. Team 2 came 2nd in captain ball and Team 3 came 3rd in tunnel ball. All students displayed great sportsmanship and team work and were congratulated by other schools for their respect and communication skills. From the start, RTHS teachers knew we were in for a great day!

The day then moved in to the track and field events where RTHS students shone in all age categories (Junior, Intermediate, Senior). Both girls and boys won places in every event, but the most pleasing is that all students tried and participated with an excellent attitude. RTHS was extremely proud of Year 11 student, Jessey Goodridge, as she volunteered her time to come support the students, demonstrate skills and marshal on the day. Jessey showed great leadership, communication skills and a brilliant attitude throughout the entire day. Students have broken records and gained age champions, however we are waiting on exact times/distances before giving out those awards.

Confirmed results are below:

Junior Girls:

GOLD STAR STORY

Gold Star Award for Lilly Sarv who is a student in Year 8 originally from Thailand.

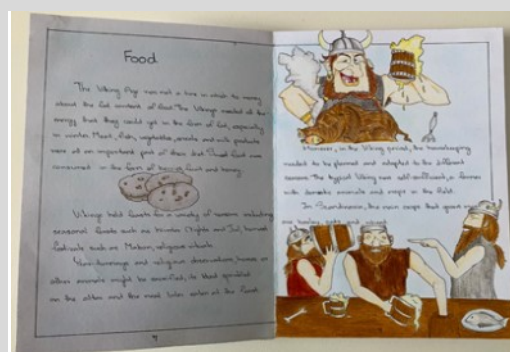

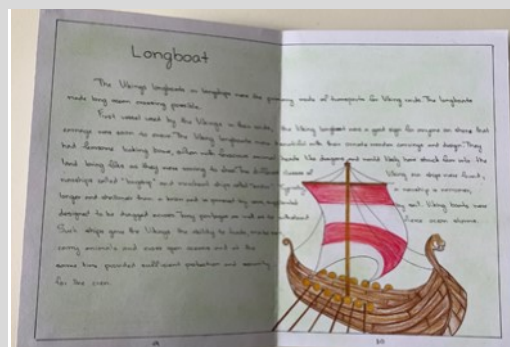

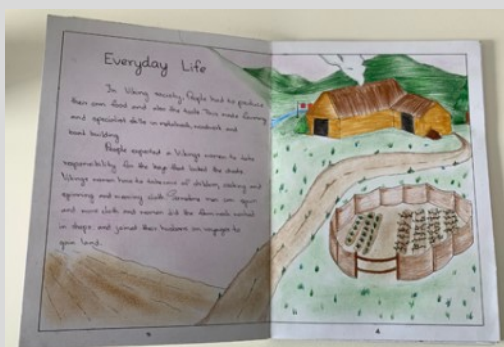

Lilly has shown great commitment to her studies this year and has been working really hard in her English as an Additional Language Classes with Miss Webb.

Lilly worked really hard and created an absolutely outstanding hand-made book which is completely hand drawn and hand bound.

Lilly's English has progressed and she is so creative and an amazing artist.

Well done Lilly!!!

Miss Sophie Webb
Learning and Support Teacher

CCC NEWS

Congratulations to the Year 7 CCC Mural Students who worked so hard and had an amazing time creating murals to add beauty and a message of Having a Positive Attitude.

Year 12 Formal

Traditionally the graduating students and their parents of Rutherford Technology High School have formally celebrated the end of 13 years of primary/secondary schooling by hosting a dinner-dance. The organisation for this event has commenced.

Rutherford Technology High School extends an invitation to all graduating Year 12 - 2019 and their parents/guardians as well as school staff, to join together to celebrate this milestone in the lives of the students.

Venue: Crowne Plaza Hunter Valley

Date: Wednesday 13th November 2019

Time: 5:30pm Foyer Photos, Doors open 6:30pm for 7:00pm start (sharp)

- ♦ Tickets are non-refundable and all guests **MUST** be approved by the principal.
- ♦ Tickets cannot be exchanged.

EVERY DAY COUNTS.....

A day here or there doesn't seem like much, but.....

If your child misses.....	That equals.....	Which is.....	And from Kindy to Year 12 that is.....	Which means the best your child can achieve is.....
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed....

Every day counts!

Use the graphic organizer to help you summarise a story. Your summary can help you recall information at a later date.

Write a Simple Summary

After reading, complete the organizer. Then, use keywords (wanted, but, so, then) to summarize, or re-tell, the story in the space provided.

Title or Chapter:

Somebody:

Who is the main character?

Wanted:

What does the main character want?

But:

What is the problem?

So:

How does the character try to solve the problem?

Then:

How does the story end?

Use the keywords in the boxes above to write a summary paragraph

R U OK? DAY IS THURSDAY 12 SEPTEMBER

😊 **You've got what it takes** 😊

**Ask
R U OK?**

or something like this:

"How you travelling?"

No, I'm not OK.

Dig a bit deeper:

"What's been happening?"

"How long has that
been the case?"

"I'm ready to listen
if you want to talk."

Yes, I'm fine.

But your gut says
they're not:

"It's just that you don't seem
your old self lately."

"I'm always here if
you want to chat."

"Is there someone else
you'd rather talk to?"

Listen; don't judge

Encourage action and offer support:

"How can I help?"

"What would help take the pressure off?"

"What do you enjoy doing? Making time for that can really help."

"Have you thought about seeing a professional?"

Make time to check in:

"Let's chat again next week."

Developing Effective "STUDY HABITS"

Successful students have learned how to study smarter, not harder. Effective approaches to share with student include:

- Choose specific times to study**
a routine helps mental preparation to study.
- Set specific goals for each study period**
this helps to stay focused so it is easy to evaluate progress
- Stick to the plan**
delaying a study session because of a difficult assignment is only procrastinating and can mean sloppy and rushed work later.
- Tackle the difficult assignments first**
when mental energies are highest.
- Review class notes**
before beginning an assignment to be sure all instructions are understood.
- Ask for help**
when it is needed sometimes a task related call to a classmate is all that is needed.
- Take short breaks**
during studying to refresh energy
- Plan on reviewing**
what has been covered in class to identify what subject matter is most important
- Maintain a positive attitude**
even if a subject seems difficult; shift priorities and spend a little more time in these areas.

HSC MINIMUM STANDARD

You need reading, writing and maths skills for everyday life after school. This why you are required to demonstrate a minimum standard of literacy and numeracy to receive the Higher School Certificate (HSC) from 2020.

To make sure you have the basics right, and show you meet the minimum standard, you need to pass short online tests of everyday reading, writing and maths skills.

- ✓ The tests will be available to take at school up to twice a year in Year 10, Year 11 or Year 12, and even after the HSC.
- ✓ Sample questions and answers are available online, as well as practice tests and advice from students who have completed the tests.
- ✓ Your school will help you decide when you are ready to take each test.
- ✓ You do not need to sit the reading, writing or numeracy online test(s) if you achieved Band 8 or above in the respective 2017 Year 9 NAPLAN test(s).

STUDENTS WITH DISABILITIES

Some students with disabilities will be eligible for extra provisions for the online tests, or an exemption. Talk to your teachers to determine whether you are eligible for provisions. A Disability Provisions, Exemptions and Appeals policy is available on the NESA website.

The staff and students who are involved in the Breakfast Club would like to acknowledge the generosity of 'Bakers Delight' at Rutherford who now provide us with bread. There are many local businesses who donate their time, service or products to our school. We express our appreciation and hope our school community can reciprocate.

Rutherford Technology High School has an Official Facebook Page – just go to Facebook and look for "Rutherford Technology High School NSW Official Site" and click on "Like".

We will be using the Facebook page to keep everyone informed about events at the school, important dates for your diary, and general information about the school.
