COMMITMENT

For Your Calendar

14-18 Sept	Year 11 Exams
15 Sept	Yr 7 Vaccinations Round 2 Day 1
15 Sept	HSC Music Exam
15 Sept	P&C Meeting
16 Sept	Yr 7 Vaccinations Round 2 Day 2
18 Sept	Yr 7 Coalfields Gala Day
18 Sept	Year Meetings
22 Sept	Attendance BBQ
22 Sept	'Google' Virtual Tour
25 Sept	Students Last Day for Term 3

Due to COVID-19 a number of school events have either been postponed until further notice

The next P&C meeting will be held 15th September 2020 at 6:00pm via Zoom.

All welcome - if wishing to attend please contact Mrs Lexi Fitzgibbon for Zoom details.

OFFICE OPENING HOURS

Please be aware the office is open Monday-Thursday 8:00am-4:00pm and Friday 8:00am-3:30pm. Outside office hours, a message may be left on the school answering machine. Parents and caregivers are reminded an appointment is necessary before meeting with teachers as they have class, playground duty and other commitments during the school day.

TSP FOOTBALL GIRLS DEVELOPMENT & IDENTIFICATION LESSONS

On Wednesday 26th August 2020 our female TSP Footballers had the honour of hosting Paul Devits for Talent Development and Identification sessions.

Paul is the Technical Director of Women's Premier League heavyweights Newcastle Olympic and was working with our girls' squads as part of our ongoing community partnership with the club.

Paul conducted the sessions with the aim of improving the core skill development of our talented girl footballers and also used the sessions as possible avenues of talent identification for our students. The 33 x Stage 4 girls and 22 x Stage 5 girls selected, gained massive benefits from Paul's expertise in Striking the Ball and we thank Paul and Olympic for their continued support of our school football program.

Great Work Girls!!

FROM THE DEPUTY PRINCIPAL

Well the countdown is well and truly on for Year 12. Certainly it's disappointing to miss out on activities in Week 10, but there will continue to be quality teaching and learning in that week and the first week back next term. Luckily our Formal and the Graduation Assembly were already booked in for Term 4 and remain "safe" - for now! I'd like to thank students and their families for their support and understanding as we navigate this new COVID world.

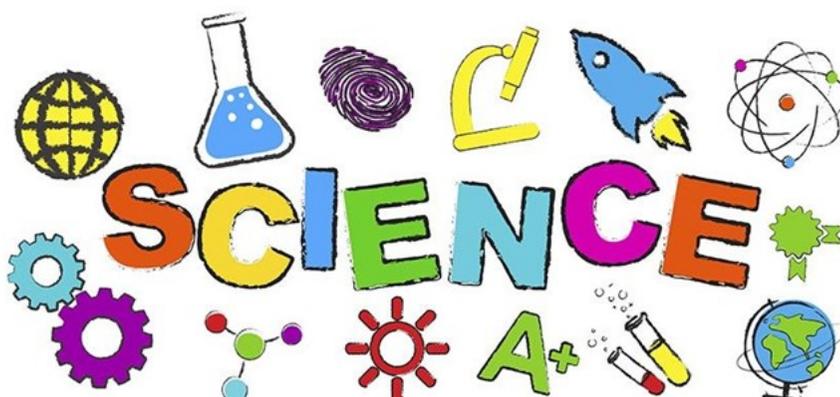

I also know that students will take advantage of the study sessions offered in the holidays. These were well attended last holidays - thank you to all staff who are volunteering to give up their time to run these sessions.

Congratulations go out to all the students in Year 12 who have completed major projects or performed for their HSC subjects. It must feel good to be on the way to completion already!!

Not every morning runs smoothly for families as we are all trying to get out of the house for work and school and so as a result, students sometimes arrive late to school. The Department does require that we chase up students who arrive late and seek explanations as this is a safety concern when they arrive without explanation. Thank you to all parents who respond and let us know why their child was late.

This week we had R U OK? Day and I wanted to acknowledge the large number of students at our school who support and care for others. Who are willing to step up and defend someone who is being harassed or who are willing to speak up and/or let us know when something is happening that is not OK. This week in particular, when a very upsetting video was being shared, we had so many students let us know about it and work with us to try and protect students from seeing it. These students are living by "the standard you walk past, is the standard you accept" and are an example of the strength within our school community.

Mrs Tina Pratt
Deputy Principal

SCIENCE FACULTY REPORT

It's been exciting to see students back in the laboratory this term enjoying experiments and practical tasks and teacher demonstrations.

This term we have successfully hosted three pre-service teachers – Miss Bailey, Mr Poulsen and Mr Salem. It is great to see some excellent teachers training at our local University of Newcastle. We wish them well – and hope their experience at Rutherford Technology High School holds them in good stead for future teaching opportunities.

Year 10 are currently finishing up online testing in the VALID 10 Test. Students have been asked questions from all the science disciplines. We look forward to seeing some great results later in the year.

This term Year 12 have been wrapping up their HSC studies. Mr Hancock, Mr Hunter and Mr Edwards wish the Stage 6 students all the very best for the HSC Exams and the final few weeks of preparation prior to the commencement of exams.

With only a few weeks remaining this term, students in Year 7 to Year 10 should be turning their attention to exam preparation too. Early in Term 4 all Stage 4 and Stage 5 science courses will have Yearly Examinations. These will be formal exams with marks going towards final assessment marks for 2020 reports.

Mr Steve Edwards
Head Teacher Science Faculty

WELLBEING FACUTLY REPORT

RUOK? Day is Thursday 10th September 2020.

It is the national day of action when Australians are reminded that every day is the day to ask, "Are you OK?".

The message for **RUOK?** Day 2020 is: **THERE'S MORE TO SAY AFTER RUOK?**

2020 has been a challenging year for everyone and circumstances have made it even more important for us all to stay connected and, for those who are able, be willing to support those around us. The RUOK Website has a range of resources to help Australians know what to say when someone says they're not OK and guide them through how they can continue a conversation that could change a life. <https://www.ruok.org.au/>

You don't have to be an expert to keep the conversation going when someone says they're not OK. By knowing what to say you can help someone feel supported and access appropriate help long before they're in crisis, which can make a really positive difference to their life.

A reminder that if you have a wellbeing concern about your child please contact a member of the Rutherford Technology High School Wellbeing Team:

Wellbeing Team 2020 - Term 3

Deputy Principal:

Mrs Lidija Nenad Year 7 and Year 10
Mr Ben O'Leary Year 8 and Year 11
Mrs Tina Pratt Year 9 and Year 12

Head Teacher Wellbeing - Located in Room 7A:

Ms Kristine Turner Year 7, Year 9 and Year 11
Ms Sarah Thornton Year 8, Year 10 and Year 12

	Year Adviser	Assistant Year Adviser
Year 7	Erin Bartlett	Brad Delforce
Year 8	Samantha Linhart	Charlotte Hewitt
Year 9	Ashley Rooney	David Connaughton
Year 10	Mallori Hedges	Allison Orr
Year 11	Gen Scott	
Year 12	Josh Potapczyk	

Student Support Officer:

Ms Mary Kate Ferguson

School Counsellor:

Ms Petra Andrews Monday and Wednesday
Ms Katie Garlick Tuesday
Ms Sara Donald Thursday and Friday

Ms Kris Turner
Head Teacher Wellbeing Faculty

If you're worried about someone start by asking "Are you OK?"

No, I'm not OK.

Dig a bit deeper:

"What's been happening?"

"Have you been feeling this way for a while?"

"I'm ready to listen if you want to talk."

Yes, I'm fine.

But your gut says they're not:

"It's just that you don't seem to be your usual self lately."

"I'm always here if you want to chat."

"Is there someone else you'd rather talk to?"

Listen with an open mind

Encourage action and offer support:

"How can I help?"

"What would help take the pressure off?"

"What do you enjoy doing? Making time for that can really help."

"Have you thought about seeing your doctor?"

Make time to check in:

"Let's chat again next week."

**Learn what to say at ruok.org.au
A conversation could change a life**

WEAR IT PURPLE DAY – FRIDAY 28TH AUGUST 2020

Wear it Purple Day is a day to celebrate diversity and promote the creation of supportive, safe and empowering environments for LGBTIQ+ people.

The theme for this year's Wear it Purple events is "We are the change", recognising the important role that each one of us play in creating a positive and inclusive workplace and society.

Students and staff of Rutherford Technology High School showed their support on the day by wearing purple and included the reading of a poem written by Year 9 student, Bailey Maier, during roll call/assembly.

What is Wear it Purple Day?
Well I can tell you that
It's a day for love and support
Though you might not have the facts
You see some of those who love who they will
Feel pressured by society
They hide in the shadows feeling unloved conforming to propriety
But those of us who yearn to love freely
Should never feel this way for they are loved
And cared about I mean who cares if they're gay
Though this may be a single day of which we show we care
We should support them everyday spreading our love everywhere
So say what you will throw your stones for we will rise above
We are here to support a loving community so I'm spreading the message
LOVE IS LOVE!

Poem Witten and Read by Bailey Maier

YEAR 7 REPORT

Five weeks in and five weeks left of Term 3, well that what it was when I first put pen to paper but now it is eight weeks in and two week left!! Year 7 have been admirably working well in their classes through the various restrictions and changes made during this time. An absolute favourite day of the week for students (and their teachers) is Thursday mornings with the CCC programs in full swing. Students have engaged in a variety of classes but a picture tells a thousand words.

Mr Bradley Delforce
Year 7 Assistant Year Advisor

YEAR 8 REPORT

Year 8 have had a very busy term after a long break between assessments. Students dealt with multiple assessment tasks from a range of subjects maturely and many of them have been recognised at our weekly faculty awards presentations.

During Week 5 of this term students were advised at their year meetings of appropriate ways to manage their conflicts and we encourage families to have these similar conversations with their children. We have an amazing Wellbeing support team who are there to support students but we ask that students start asking for more assistance/guidance from their classroom teachers or Year Advisor/Assistant Year Advisor.

A reminder in regards to school uniform, we are a uniform school and therefore all of our students are required to adhere to our uniform policy. Stepping into spring we hope to finally see the end of the colourful jumpers that have been creeping into the school. Our uniform shop is fully stocked with our polo shirts and shorts. A friendly reminder that leggings and gym tights are not a part of our school uniform so please refrain from sending your children to school in these items.

A reminder to our Year 8 parents to complete the 'Tell Them From Me' survey. This survey allows our school to address areas of concern, success and implement changes to better support student wellbeing.

Our rewards day this term (Week 10) will take a different spin with students entering their B-Bucks into a raffle for the chance to win gift cards for Greenhills shopping centre. This rewards day recognises those students who are consistent with their positive behaviour within the school so we strongly encourage our students to be mindful of this over the coming weeks in particular.

We look forwards to the exciting things to come in Term 4.

Ms Charlotte Hewitt
Year 8 Assistant Year Advisor

PBL NEWS

"It's a truth universally acknowledged that" an education opens up doors and provides much more than words and numbers. The first step to 'getting there' is simply, *come to school!* This fortnight our PBL focus has been attendance. Missing school now and then doesn't seem like much, but let's break it down. If you miss 1 day a fortnight over a school year, that equals a month per year, which over your school life equals one year missed! Double that to one day a week and you'll miss 2.5 years from your education-serious stuff. Missing school also limits your 'in-person' social interactions (as opposed to social media) - another vital part of growing-up and preparing for the world of work.

As a parent I know it can be difficult at times to motivate kids, but there *are* ways parents and carers can 'get the kids on the bus', besides just saying *'you've got to go because you have to!'* Talk about the positives. School offers so much more than academia. Rutherford Technology High School offers many extra curricula activities, and the outlets for the sports minded are extensive. On a personal level, listen to your student's 'stories', be engaged and engage them with your 'school stories'. Provide them with some good old logic-attendance = learning = skills = jobs = money = and so forth. And if things get really tough, how about an old-fashioned reward system -a month of school with no days off and "you win a prize".

Talking of prizes, don't forget our 'B-Bucks'! Our own currency for Positive Behaviour. Coming to school raises your chances of scoring some; which in turn gets you a chance winning one of our 'B-Bucks' raffles, or (*when things return to normal*) spending up on our PBL rewards days.

So, the rewards of coming to school and being in class are massive, and possibly even fun as well. Just remember 'days missed = years lost'.

Mr Andrew Rutherford
RTHS PBL Team

YEAR 12 RETAIL SERVICES

Over the last two terms Year 12 Retail have taken part in the ABW Enterprise Education Business Simulation. The class was split into three groups and these teams competed against one another to run the most successful consumer electronics retail chain.

The three companies were:

- ABJ Jadine Roets, Aimee Turner & Brayden Wallbridge
- Myleno Techno Goods Leia Avery, Noah Curry & Myah Roworth
- JB LOFO Trent Bell, Phoebe Quilty & Ana Wadwell

Throughout the business simulation the students learned how to read and analyse financial reports, make decisions based on future trends and to act in response to changing business conditions. In addition to this each group made a 30 second television commercial and produced a variety of marketing materials (grand opening flyer, catalogues and loyalty program).

Last week the final judging of the competition took place with Mrs Pratt, Mr Lenskyj and Mr Hunt judging each teams pitch. Some quotes from the judges were:

'Trent Bell could sell ice to Eskimos'

– Mr Hunt in response to JB LOFO's TV Ad

'The most unique ad I've ever seen. It may attract or scare away customers'

– Mr Lenskyj in response to Myleno's Commercial

'The catalogue looks real and I want to watch the commercial again'

– Mrs Pratt in response to ABJ's Pitch

Ultimately, JB LOFO were crowned winners of the competition much to the disgust of the other teams who are currently considering their legal options. Well done to every student who took part. Hopefully, we can now all be friends again!

Mr Toby Butler
Head Teacher Vocational Education & Training

Congratulations

TERM 3: WEEK 8 – VET/CAREERS FACULTY & HSICE FACULTY PBL AWARDS

VET/Careers Faculty

Adam	Dedication and Commitment to his TVET Automotive course
Alex	Outstanding Progress in Hospitality
Charleigh	Outstanding Work in all Areas of Sports Coaching

What's the buzz word that seems to make teenagers feel that they can't do a task or can't manage a situation?

“Anxiety”

One of the first steps to supporting a teenager with anxiety is to be able to notice and identify signs that they are finding times more challenging.

Anxiety can be seen in:

- **behaviours** - being quieter or withdrawn than usual, constantly seeking reassurance or opting out or finding ways to leave class or activities.
- **emotional responses** - looking fearful or hypervigilant or oversensitivity to feedback or criticism.
- **thoughts** - always expecting the worst, fear of failure.
- **learning** - avoiding class participation, wanting work to be perfect, difficulty seeking help for tasks.
- **social relationships** - withdrawing from friends, avoiding large groups.

Reassuring your teenager that it is okay to feel worried before a new or challenging task might be helpful. More targeted approaches that might help include:

- supporting your teenager to recognise and to describe what they might be feeling (Eg. 'wobbly', 'stressed', 'worried').
- recognising and challenging any negative self-talk that tells them they can't do or cope with something.
- supporting your teenager by helping them to break down a worrisome task or activity into discrete chunks to complete or to work towards.
- offering opportunities for manageable challenges that help to stretch your teenager and increase their sense of confidence and capability.

Sara Donald
School Counsellor

TSP FOOTBALL - PRIMARY SCHOOL TASTER LESSONS

During this Term, Mr Newham has been working with his Talented Year 9 TSP Football Class on their coaching skills as well as visiting our partner primary schools to conduct Football Taster Lessons.

These lessons are a part of our transition process and give Stage Three students a taste of what the high school TSP Football Program offers.

Rutherford Technology High School students have been fantastic and our future football stars from Rutherford, Lochinvar and Greta Primary schools have also been awesome in our visits.

Rutherford Technology High School P&C Association is holding a Thompson Pie Drive Fundraiser and as delivery is **Thursday 24th September 2020** it is just in time to fill your freezer for the school holidays!!

We are raising money to assist the school in the purchase of a large agriculture shed for the farm but it will also garage our two school buses.

An order form can be found on the last page of this newsletter or alternatively you can order online via Flexischools. Orders, together with payment, are due by **4:00pm Monday 14th September 2020**.

ABORIGINAL LEARNING & ENGAGEMENT CENTRE

"Great News: Our school's new Aboriginal Learning and Engagement Centre has been successful in applying for a \$1,000 grant from Way Ahead to support Aboriginal and Torres Strait Islander mental health. We are very excited about getting students involved in planning a mural and workshops promoting awareness of mental health.

The LEC is still in the process of consulting with Aboriginal leaders in the school and extended community to plan a range of connected activities over the next few months. Watch this space!"

Rutherford Technology High School is conducting the "Tell Them from Me" survey until Friday 25th September 2020.

This survey covers a wide range of school life areas and provides us valuable information. Whilst we understand that surveys do take time (approximately 10 minutes), it is one of the many ways that we gather feedback and use it to inform our decisions for the future of our school.

We urge families to please take the time to complete them so that we receive valuable and reliable data. Your assistance would be greatly appreciated.

This information has also been emailed to families and is also on our school FaceBook page.

Survey Link: <http://nsw.tellthemfromme.com/v3bjb>

Parent Information

IMPORTANT PARENT INFORMATION

Change in Details

A reminder that it is important that our school administration office has your correct and current up-to-date information, including address, telephone number, email address and emergency contacts. If you have recently had, or have in the future, a change in details please ensure you contact our school administration office to have this information updated accordingly.

Leaving School Early

Permission from the school will only be approved for:

- A. A medical/dentist/specialist appointment substantiated by a copy of the appointment slip and/or the doctor's name, surgery address and appointment time; **or**
- B. Family emergency. Brief details to validate this request must be provided (or parent contact details).

Whilst parents may give their permission for a student to leave early, it is ONLY the school which can approve the leave.

If a student has a note from their parent/caregiver and they satisfy A. or B. of the conditions above, the student must: give the note/details to the Administration Office before Roll Call. Students are not to leave the school grounds without a school "early leaver" slip. Students attending TAFE or other courses carry school approval documentation.

Unscheduled collection of students during the last lesson is disruptive to teaching and learning.

Unless it is an emergency situation, parents will be asked to wait until the end of the school day for student/s to be collected.

If a student is collected early from school by a parent/guardian, please ensure you bring with you photo identification.

CANVAS SETUP & ACCESS: PARENTS

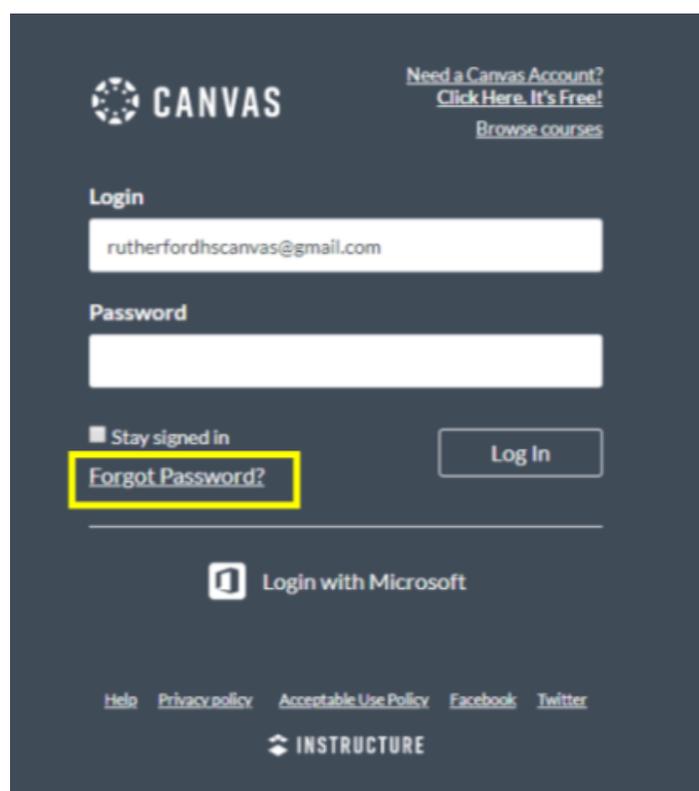

Our school administration office has had a number of enquiries with regards to CANVAS Setup & Access for Parents - this link will take you directly to the screen shown and then you will need to follow the steps.

<https://tinyurl.com/RTHSPARENTCANVAS>

Note:

Prerequisites - You will need to register for the parent portal & You will need to of linked your students into your parent portal account

FACE TO FACE REGO & INFO
-4.30-6PM @ THE BRADFORD HOTEL TUESDAY 8TH SEPTEMBER

EVERY MINUTE COUNTS...

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...
10 minutes a day	50 minutes of learning each week	Nearly 1½ weeks per year	Nearly ½ a year of school
20 minutes a day	1 hour and 40 minutes of learning each week	Nearly 2½ weeks per year	Nearly a year of school
½ hour a day	½ a day of learning a week	4 weeks a year	Nearly 1 ½ years of learning
1 hour each day	1 whole day of learning each week	8 weeks per year or nearly a term a year.	Over 2 ½ years of learning

Your child's best learning time is at the beginning of the day...

Check the time your school starts. DON'T BE LATE!

Bakers Delight
We're for real.

The staff and students who are involved in the Breakfast Club would like to acknowledge the generosity of 'Bakers Delight' at Rutherford who now provide us with bread. There are many local businesses who donate their time, service or products to our school. We express our appreciation and hope our school community can reciprocate.

Rutherford Technology High School has an Official Facebook Page – just go to Facebook and look for "Rutherford Technology High School NSW Official Site" and click on "Like".

We will be using the Facebook page to keep everyone informed about events at the school, important dates for your diary, and general information about the school.
