9th Aug	White Card Course
10th Aug	HSC Timber Major Projects Due
11th Aug	U/15's Netball Gala Day

Well done!

Outside of school, Year 7 student - Cooper Hall, has been achieving great results in his chosen sport of Softball.

Cooper has had a busy year to date on the sporting field with many softball accomplishments.

Cooper was selected to play for the NSW Country Sliders team in this years regional championship where he played against other states throughout Australia in Redcliffe (QLD) with his team finishing 5th out of nine teams.

He played well, pitched amazing and had many strike outs.

Cooper was also selected for the Hunter Academy of sports for softball and this is a big achievement for Cooper because he was actually too young to play for this team but they made an exception for him.

Cooper had a great time in both tournaments and learnt so much as a person.

Well done Cooper!

MESSAGE FROM THE PRINCIPAL

On behalf of the school staff, I congratulate all students and parents for a very positive start to Semester 2. I would also like to compliment and thank students for doing their best to display our values of Respect, Responsibility and Commitment with how well they have worked in class and maintained their effort since school has returned.

We provide our students with opportunities to excel at their studies and the many other activities that are offered at our school. As well as an extensive curriculum, we excel in sport and the arts with students given multiple opportunities to participate and represent the school and community.

Our focus on creating safe and respectful learning environments is based on our high expectations for student behaviour that relate to safety expectations, respectful behaviour expectations and engagement expectations. **At Rutherford Technology High School we have a zero tolerance to violent behaviour and behaviour where students use aggressive and offensive language aimed at teaching staff.**

We strive to create an atmosphere where all students feel welcome, supported and valued. We ask that parents and caregivers partner with us to promote positive behaviour both in and out of school.

Staffing

This term we welcome to the Rutherford Technology High School staff:

- Mr Peter Cook and Mr Jack Murphy to the TAS Faculty
- Mrs Stephanie Mole has stepped into the Deputy Principal chair for the remainder of 2023
- Mrs Samantha Linhart is relieving Head Teacher English

Trial HSC Exams

Year 12 Trial HSC Exams are scheduled for Weeks 3 and 4. Rutherford Technology High School will be following DoE and NESA guidelines for these exams. Students have all been provided with their exam timetable and rules and responsibilities. Students must wear full school uniform for all exams.

Uniform

Thank you to the vast majority of parents who have assisted in ensuring their child is dressed in appropriate school uniform each day. When all our students dress in the correct uniform, it sends a strong and positive message to our community about the standards and values of Rutherford Technology High School and demonstrates the pride that the students have for their school. Our uniform shop is open Tuesday morning and Thursday afternoon. Families can order and pay online.

Semester 1 Reports

At the end of Semester 1 we published semester 1 reports for students in Years 7-10 on the parent portal. If you are unable to access please contact the front office between 9:00am and 3:00pm and our staff will be able to walk you through the portal. Please note we do not print reports unless specifically requested. If you have concerns about your child's academic progress, please phone and arrange a time to speak to staff over the phone.

Attendance

Rutherford Technology High School offers significant supports for our students including but not limited to support staff and programs to assist students with their learning above and beyond their normal classroom teachers and it is important to encourage them to seek help if they need it.

Also, just a reminder to all students and their families that regular attendance at school is essential if students are to reach their potential. Our school, in partnership with parents, makes school attendance a very high priority. Don't forget that good school attendance leads to better school results, better peer relationships and better life chances! Support your child's success at school by getting them here right up until the end of the year! If you have concerns about your child's attendance please make an appointment with Mr Ben O'Leary, Deputy Principal Attendance.

NAIDOC Week

This week Rutherford Technology High School celebrated NAIDOC Week 2023. National NAIDOC Week celebrations are held across Australia in the first week of July each year (Sunday to Sunday), to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples.

NAIDOC Week is an opportunity for all Australians to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on earth. This year's Theme is **'For Our Elders'**.

Across every generation, our Elders have played, and continue to play, an important role and hold a prominent place in our communities and families. They are cultural knowledge holders, trailblazers, nurturers, advocates, teachers, survivors, leaders, hard workers and our loved ones. Our loved ones who pick us up in our low moments and celebrate us in our high ones. Who cook us a feed to comfort us and pull us into line, when we need them to. They guide our generations and pave the way for us to take the paths we can take today. Guidance, not only through generations of advocacy and activism, but in everyday life and how to place ourselves in the world. We draw strength from their knowledge and experience, in everything from land management, cultural knowledge to justice and human rights. Across multiple sectors like health, education, the arts, politics and everything in between, they have set the many courses we follow. The struggles of our Elders help to move us forward today. The equality we continue to fight for is found in their fight. Their tenacity and strength has carried the survival of our people. It is their influence and through their learnings that we must ensure that when it comes to future decision making for our people, there is nothing about us - without us. We pay our respects to the Elders we've lost and to those who continue fighting for us across all our Nations and we pay homage to them.

Thank you to our hard-working Aboriginal Education Team led by Mrs Michelle Keyes for the week of activities and cultural education.

Ms Simone Hughes
Principal

Rutherford Technology High School NAIDOC Week celebrations commenced on Tuesday 25th July 2023 with our NAIDOC Assembly and Grandparents Morning Tea. Our assembly was a fantastic opportunity to celebrate the efforts and showcase the talents of our Aboriginal and Torres Strait Islander students. We would like to acknowledge the students who spoke, danced and performed, all of whom represented themselves, the school and their culture with pride. We'd also like to thank the parents, carers, grandparents and guests who attended the assembly and morning tea.

For Our Elders

ENGLISH FACULTY REPORT

Welcome back to Semester 2. We've had a positive start to the year and look forward to more of the same in the semester to come. To celebrate the successes of our first semester in English we'd like to start on a positive note.

Shout outs from the English Faculty to:

- ♦ 10L for having a positive attitude and mature approach to their studies in English.
- ♦ 10R for representing the school well in their local community when they attended the "Lord of the Flies" excursion.
- ♦ 9T for dedicating themselves to writing their essays.
- ♦ 7K for increased commitment to completing their library lessons.
- ♦ 9L for creating a pleasant classroom environment.
- ♦ 8M for their consistent hard work.
- ♦ 10M for increased effort in class.
- ♦ 8A for being a supportive class and helping each other with their learning.
- ♦ 10H for creating an enjoyable classroom environment.

We'd also like to send a reminder that with our new units starting this term we will again have an end-of-term assessment task, which will require students to demonstrate the skills and knowledge we have built throughout the term. For Years 7-10 these tasks will be due in Week 9, so keep an eye out for the notifications with specific details and dates for each task. Students will be provided with time and support in class to help them prepare for these tasks, but they will also need to take some responsibility to ensure these are completed and submitted on time. Year 11 are also finishing up their course in Term 3, with final assessments due and their Yearly Exams in Week 9.

As always, this semester is particularly important for our Year 12 students, who are just about to sit their Trial HSC Exams. After these, they will be winding up their six years of high school as they focus on preparing for their HSC in Term 4. It is imperative that they use these last few months wisely to revise what they have studied throughout the year and practise their skills – it's been a long journey to get to this point and with just a little more time and focus, they will be able to achieve these final steps. We wish them all the best in achieving their goals and dreams.

It's also a big term for Year 10 students, who are about to begin the process of subject selection for Year 11 and 12. While students have been provided information on the different English courses available, to assist them in making the right choice it is essential to discuss what the best option is with their class teacher and the head teacher. Our Year 10 English course has been specifically designed to give students a good idea of the expectations of the different senior courses, as well as student performance in the course being a good indicator of what senior course they are best suited for. Please do not hesitate to contact us if you wish to discuss course choices further.

This term we welcome Mrs Clifton to the English Faculty and with Ms Mole stepping into relieve as Deputy Principal, Mrs Linhart will be relieving as Head Teacher English. Some changes, yes, but still familiar faces in English this semester who are as always willing to assist students with any queries or support they might require. Just come and have a chat with us when needed.

Mrs Sam Linhart
Head Teacher English Faculty

Year 8 Report

Hello, Year 8 Parents/Carers

Welcome back to Term 3.

Mr Connaughton and Miss Earl would like to congratulate our wonderful Year 8 students for all of their hard work, effort and achievements with their academic studies and involvement in sporting teams and extra curricular activities during Semester 1.

Athletics Carnival

Last term we held the school athletics carnival at Maitland athletics centre. It was great to see so many Year 8 students in attendance. Congratulations to all of the students who made it through to zone and regionals.

Age champions for Year 8:	13 Girls	Laila Malone
	14 Girls	Sienna Frost
	13 Boys	Connor Smoothly
	14 Boys	Charlie Hall

Dance News

Well done to all of the Year 8 students who participated in the Starstruck performances last term. All of your hard work and dedication towards rehearsals was demonstrated throughout your performances.

Congratulations to our amazing Year 8 dancers who performed at Hunter Dance Festival on Monday night. Well done girls!

PBL Assembly

Well done and congratulations to the Year 8 students who were recognised at the Semester 1 PBL Assembly for demonstrating our school core values, Respect, Responsibility and Commitment. Keep up the great work.

NAIDOC Week

This week we had a number of our Aboriginal and Torres Strait Islander students participate in a range of NAIDOC activities. Also, congratulations to the students who received an award, participated in the performances or spoke at the NAIDOC Assembly.

Well done Year 8 on a great Semester 1. Mr Connaughton and Miss Earl look forward to seeing Year 8 achieve amazing things in Semester 2.

Miss Jade Earl
Year 8 Assistant Year Adviser

AUSTRALIAN MATHS TRUST

It's that time of year – The Australian Mathematics Competition Week 3 Term 3, 2023

A great opportunity for students to challenge themselves and show their mathematical ability.

You don't need to be at the top of the class to be great problem solvers, and this is how the mathematics competition lets you shine!

Over 1,000 students share the prizes and around 50% of participants qualify to receive a Certificate of High Distinction, Distinction or Credit. All other entrants in the competition receive a Certificate of Participation or a Proficiency Certificate. All students are provided with a detailed report showing how they performed on each problem with wider statistical rankings.

Rutherford Technology High School will be holding the competition on Friday 4th August 2023. Notes have been distributed to students who wish to participate and are due back no later than Friday 28th July 2023. The school will again be covering the cost of each student participating.

If you have any further questions please contact, Mrs Debbie Evans, competition coordinator via the school administration office on 4932 5999.

Canteen

Rutherford Technology High School canteen is operated by the P&C and offers online ordering through Flexischools. Our canteen has EFTPOS available and whilst we encourage cashless payments, cash is still accepted. Flexischools ordering **MUST** be in by **9:00am** and in accordance with Healthy School Canteens, pies and sausage rolls are only available at 'Break 1'.

Frequently Asked Questions

When can I apply for an AVCAT Scholarship?

Applications open 18 August, and close at midnight October 31.

Do all applicants receive an AVCAT Scholarship?

The selection process is very competitive and scholarship numbers are limited therefore, not all worthy and eligible applicants will receive a scholarship.

How will my scholarship application be assessed?

Applications are considered by a team of independent assessors and AVCAT's National Selection Committee. The following criteria are used to assess applications: financial need, academic potential and personal circumstances.

What supporting documents do I need for my scholarship application?

It is advisable to start preparing your documents before applications open as this can take a considerable amount of time. You can find more information at avcat.org.au.

When will I be notified of the outcome of my application?

Applicants will be notified of the outcome of their application from late February through to early March. Applicants will be updated on any change to the timing of notification.

Where can I find more information?

You can find more information on the AVCAT website at avcat.org.au or contact the AVCAT office Monday - Thursday on 02 9213 7999 or at info@avcat.org.au. Register your interest in applying at avcat.org.au/scholarships

'I can say with confidence that my AVCAT scholarship has given me the reach I needed to grab hold of my dreams and aspirations.'

— AVCAT Scholar

AVCAT SCHOLARSHIPS

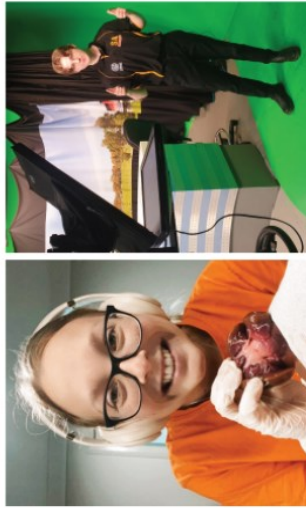

Transforming lives through education

Applications open 18 August, and close midnight 31 October 2023.

AVCAT Scholarships, including the Long Tan Bursary, are for the children and grandchildren of Australian ex-serving veterans. Scholarships provide \$4000–\$6000 per year, for three years, to full-time students at university, TAFE or a registered training organisation.

'My AVCAT Scholarship gave me confidence that I still draw on. It's something that cannot be taken away.'

— AVCAT Scholar

Scholarship Eligibility

Eligibility criteria includes Australian residency, child or grandchild of Australian ex-serving veteran, full-time tertiary student in 2024 at uni, TAFE or a RTO for minimum one-year course, in receipt of or eligible to receive means-tested Commonwealth educational benefit — Youth Allowance, ABSTUDY, Austudy or Veterans' Children Education Scheme (VCEs).

BANNED

What is Prime drink, is it okay for kids and why have schools in Australia banned it?

Dear Parents/Carers

With the introduction earlier this year of PRIME Drink, this is a reminder that ALL Energy Drinks - including PRIME, are banned at Rutherford Technology High School.

Please see the link below explaining that schools are banning PRIME and also information relating to the drink.

[What is Prime drink, is it okay for kids and why have schools in Australia banned it? - ABC News](https://www.abc.net.au/news/2023-07-27/prime-energy-drink-banned-in-australian-schools/10323720)

Any further queries should be directed to our principal via the school administration office.
