## MESSAGE FROM THE PRINCIPAL

We have come to the end of a very busy and challenging term. Our school continues to grow as we welcome more students to our classes, and we also welcomed new members of staff. This week we also farewell Mr Roger Allon from our TAS Faculty who is retiring after a long career. Thank you, Mr Allon, for your contribution to Rutherford Technology High School. We all wish you a happy retirement.

### Reports Years 7-10 and Attendance

Reports will be issued to students this week via the parent portal. I believe that the teacher comments are at least as important than the marks and grades, if not more so. It is the comments that tell us how the student is progressing and what they need to do to improve. I encourage parents and carers to sit down with their child and read through the whole report together to get a better picture of how their child is doing. For some, this will be an easy conversation, while, for others, not so much. Reports also include information on your child's attendance. Please take the time to discuss with your child and emphasise the importance of attending school and the impact that missing school can have on learning. Did you know - If your child misses as little as 1 day per week, they will miss 40 days of school and 8 weeks of learning in 1 year. Over an entire school journey, this adds up to 2.5 years of lost learning. Did you know that all students in NSW public schools are expected to have an attendance rate of 95% or above? This is because absences add up and can impact your child's learning more than you think. That's why making sure your child comes to school every single day (unless genuinely sick) is so important. If you have concerns about your child's attendance, please do not hesitate to contact with Mr Ben O'Leary, Deputy Principal Attendance.

### Abundance of Student Extra-Curricular Activity

My thanks to our staff for supporting students to access so many extra-curricular activities for our students. In just the past fortnight we have seen students engage in well-being activities like our school musical *'The Wizard of Oz'*, Perfect Presence, PBL Awards Ceremonies and Activities, STEM, Life Ready, Sport Knock-out and Representation in Athletics & Cross-country; Careers Immersion Days and Subject-Specific Excursions, and of course a multitude of students involved in StarStruck. These events involve a large amount organisation and commitment from our staff, going above and beyond to create opportunities for our students.

### Subject Selection

An early reminder to Year 8 and 10 students and parents that the Subject Selection Information evening is being held on Tuesday 8th August 2023 in the Library and MPC. Year 8 information commences at 6:00 pm and Year 10 at 7:00 pm. Important information will be disseminated throughout the evening, and it is essential that both students and their parents are in attendance. There will be many teachers in attendance to answer questions regarding different subjects and courses.

### School-Based Traineeship (SBAT) Information Sessions: St Nicholas Pathways

St Nicholas Pathways are hold information sessions about their School-Based Traineeship (SBAT) Program. Their SBAT Program is designed to provided students with valuable vocational training and real-world work experience, opening doors to exciting career pathways. During each information session you will have the opportunity to: Learn about the different career paths available to graduates of the SBAT Program; Understand the structure of the program, including the balance between school and work-based training; Hear success stories from current and past SBAT participants; Obtain detailed information on the application process, eligibility criteria and important deadlines and speak directly with experienced trainers and staff who will provide guidance and address any questions you may have. The following sessions are available:

- 25th July 2023 5:00pm-6:00pm @ St Nicholas Pathways' Training Facility (24 Hunter Street, Maitland)
- 26th July 2023 5:30pm-6:30pm @ St Pius X High School, Adamstown (Park Avenue)
- 27th July 2023 5:00pm-6:00pm @ St Nicholas Pathways' Training Facility (24 Hunter Street, Maitland)

It is strongly encouraged that students and parents attend the information session to gain a comprehensive understanding of the SBAT program and make informed decisions about future career paths.

I would like to thank the students and staff for a great and productive term. Despite everything that is going on, somehow, we have all found a way to make it work and just get on with things. I wish all members of our school community a safe and restful break.

**Ms Simone Hughes**  
Principal

*Happy Holidays*

# TECHNOLOGICAL AND APPLIED STUDIES

## TAS FACULTY REPORT

As we bid farewell to an eventful semester, we are proud to share the achievements of our dedicated Faculty and talented students. From practical projects and assessment tasks to community engagement, it has been a period of growth and success.

Our committed teaching staff have been actively involved in guiding and supporting students as they undertake practical projects and complete assessment tasks. From constructing intricate models through to the completion of excellent furniture products, our teachers have fostered an environment that encourages hands-on learning connected to real world problem solving. We commend their dedication to the learning experiences they deliver to our students.

The Hospitality department has been thriving, catering not only for school-wide functions but also for community events such as the Mother's Day Breakfast, Hunter Valley Careers Expo and the HPGE Primary Schools Day. Our budding hospitality professionals have been honing their skills while working towards their Certificate II in Hospitality. Through their efforts, they have not only impressed guests with delectable dishes and impeccable service but have also gained invaluable industry experience that will serve them well in their future endeavours.

A special mention goes to our Year 12 students, who have been diligently working on their HSC Major Projects and preparing for their Trial HSC Examinations. These significant milestones demand tremendous effort, focus, and determination. We applaud their resilience and commend their commitment to academic excellence.

One of our staff members, Mr Allon, is leaving us at the end of term so I would like to take this opportunity to thank him for all his hard work over the past twelve months. Mr Allon has brought many new and exciting learning opportunities into the school in his time with us that are both engaging to students as well as academically challenging. He will be greatly missed by both students and staff.

As we approach the holidays, we extend our warmest wishes to parents/carers, students and the wider community. We encourage students to take a well-deserved break.

In closing, we are immensely proud of our students' achievements and look forward to witnessing their continued progress. We would also like to thank all the students, parents/carers for their support in regard to subject fee collection and the promotion of appropriate clothing and footwear, which are extremely important when it comes to student outcomes in our TAS area.

**Mr Scott Cromarty**  
**Head Teacher TAS Faculty**

# SYDNEY JEWISH MUSEUM

WHERE HISTORY HAS A VOICE

On Thursday 15th June 2023, a group of Year 9 students, along with a few Year 11 students, travelled to the Sydney Jewish Museum as part of their studies to consolidate their learning of the Holocaust. While at the museum, the students were able to ask questions, learn from the museum staff and were able to use Artificial Technology to ask survivors some questions about their experiences in one of the camps.

# お握り

Year 10 Japanese students experienced Japanese cooking and had great time learning to make Onigiri. Onigiri is food made from white rice formed into triangular or cylindrical shapes and often wrapped in *nori*. Traditionally, an onigiri is filled with pickled ume, salted salmon, katsuobushi, kombu, tarako, mentaiko, takanazuke or any other salty or sour ingredient as a natural preservative. Nowadays, most Japanese convenience stores and supermarkets stock their onigiri with various fillings and flavours. Thank you Mr Saunders!

Rutherford Technology High School  
NAIDOC Week  
*Grandparents' Morning Tea*

**To the Grandparents and Grandparent Figures of our  
Aboriginal and Torres Strait Islander Students,**

In celebration of this year's NAIDOC Week theme "For our Elders", we at RTHS wish to celebrate our elders too. As a part of our NAIDOC activities in Week 2 of Term 3, we are inviting Elders, grandparents and grandparent figures of our Aboriginal and Torres Strait Islander students to attend a morning tea at our school. This event will take place after our annual NAIDOC assembly. The NAIDOC assembly commences at 9.30am and you are also invited to attend this event.

Please find all the relevant information for the morning tea below. If you have any questions, feel free to reach out to the school via the email address provided below.

When?

10:30am

Tuesday 25th July 2023

Where?

Rutherford Technology High School Staff Common Room

## TERM 3 SPORT Years 8, 9 & 10

Dear parents and caregivers,

Students can choose an offsite sport from the choices listed below.

Students who do not choose an offsite sport will be split into teams and will rotate around school team sports and participate in a variety of activities.

### \$45 BUS FEE FOR TERM 3

20/7/23 – 21/9/23

**\*\*Payment to be made by 3pm Tuesday 18<sup>th</sup> July 2023\*\***

Steps for paying and selecting sports:

Payments and selection can be made at the office and online via School Bytes.

Please note sport venues are capped and will not be visible for payment or selection when there are no vacancies left.

When selecting a sport online, School Bytes will automatically redirect to the online payment portal. You have 15 minutes to complete payment before preferences are invalidated.

If choosing a paying bus venue sport – weekly fees **MUST** be paid to the venue each week.

At school team sports – these will also be capped and will not require payment to be made before selection. It is advised if your child wishes to be in a particular team sport with their peers that the correct (same) team number be selected.

If students do not select a sport, they will be placed into a school team sport (no cost).

Online permission will be emailed out prior to sport commencement.

**NO CHANGES WILL BE MADE TO SPORTS GROUPS DURING THE TERM.** (Changes will only be made if students show unacceptable behaviour at external sport venues).

Please call the office if you need any assistance with sport payment and selection.

SPORT	COST PER WEEK	ADDITIONAL INFORMATION
Futsal	\$5	Futsal tournament with Mr Newham
Genesis Gym	\$8	Students <b>MUST</b> bring gym towel
Premier Fitness Gym	\$8	Students <b>MUST</b> bring gym towel
Archery	\$8	Equipment provided by venue
Driving/Chipping Range	\$8	Equipment provided by venue
Ten Pin Bowling/Putt Putt	\$8	Equipment provided by venue
Gravity X	\$12	\$3 for Grip socks
Rock Climbing	\$12	Equipment provided by venue
Lawn Bowls	FREE	No bus fee required – walk

# Careers NSW Schools

## Discover careers right for you

Careers NSW is fully funded by the NSW Government and offers free personalised careers guidance to complement existing careers programs in schools.

Are you a student that has questions about what you'd like to do, what you are good at and what pathway is right for you? Careers NSW can help.

### What is the Careers NSW school trial?

The Careers NSW school trial in Terms 2 to 3 2023 will enable the broader school community to inform the development of Careers NSW school support services.

The Careers NSW Schools website provides secondary students with careers services to support their career planning journeys and information on the booking process.

### Careers NSW school trial includes the following services.

Services will differ between participating trial schools.

### Group career exploration sessions for students in Years 7-10

Gain self-awareness, motivation, aspiration, and confidence. You will be exposed to career development concepts, career myths, explore different jobs and industries and learn how to recognise your skills and achievements. Group career exploration sessions are organised by your school and held in-person at school.

[education.nsw.gov.au/careers-nsw/schools](https://education.nsw.gov.au/careers-nsw/schools)

## NSW Department of Education

**Careers appointments for students in Years 9-12**

Attend an appointment with a qualified careers practitioner and talk through career development topics including your interests, skills, job opportunities, industries, and employers and how to choose relevant future training and education opportunities. You can also learn skills like how to develop a resume.

Student careers appointments are available virtually and in-person at school:

**i. Virtual appointments**

Organise a virtual appointment and access personalised careers guidance at times convenient to you outside of school hours (subject to appointment availability) on the [Careers NSW Schools website](https://careers.nsw.gov.au/schools). If you're 18 you can book these appointments yourself. If you're under the age of 18 your parent or carer can book appointments for you.

**ii. In-person appointments at school**

Access in person appointments with a careers practitioner at your school. The benefit of in-person appointments is that you may access valuable careers resources during free periods, your lunchtime or as your study schedule allows (subject to appointment availability and school scheduling). Your school will book these appointments on your behalf.

**Parent and carer information discussion with a careers practitioner**

Your parent or carer can book and attend an information discussion with a careers practitioner to discuss your career development.

Discussion topics include how your parents can help you recognise your interests and skills, identify job opportunities, explore industries and employers' networks and help you explore future courses, training, and education.

**Mock interview appointments for students in Years 9-12**

Practise job interview techniques and get tips and advice on what to say and do in an interview. If you're in Years 9-12, you can book and attend a virtual mock interview appointment with a careers practitioner. Your parent or carer will book these appointments if you are under the age of 18.

If you're in Years 11 or 12, you can also access in-person mock interview appointments at school. You can ask your school to book these for you.

**Career development presentations**

Learn about career development concepts such as job search, resumes and job applications, networking and interviews. Your school will organise career development presentations.

**Career development workshops**

Workshop style group facilitation – experience career development concepts such as resume writing, looking at resume examples, or get to practice your interview or networking skills. Your school will organise career development workshops.

# AYAF2023

## THE AUSTRALIAN YOUTH AEROSPACE FORUM

### 10TH - 14TH OF JULY

Australia's five day live-in conference for Year 10, 11 & 12 high school students to explore pathways into the aerospace industry.

#### PREVIOUS EVENT HIGHLIGHTS

- 52 attendees from across AUS
- RAAF Base Amberley Tour
- Model rocket builds & launches
- Industry panels and speeches

[www.ayaf.ayaa.com.au](http://www.ayaf.ayaa.com.au)

The AYAF is a five-day live-in conference which provides students in **Grades 10, 11 and 12** the opportunity to investigate **careers and pathways** in the aerospace industry. It is designed to showcase the various university and industry opportunities available to students upon completion of secondary school. In 2022 we brought all aspects of the aerospace industry to 50+ high school students from around the country, and invite you to be a part of the novel and exciting opportunities for 2023.

Through keynote speeches, panel discussions, facility visits and interactive workshops, delegates gain valuable insights into the challenges of this fascinating field. Hearing from accomplished professionals with backgrounds in engineering, manufacturing, technical and defence roles.

Training

## COURSE INFORMATION

This is a preparatory qualification which provides a defined and limited range of basic skills and knowledge used in hairdressing salons by individuals who provide assistance with client services. These routine and repetitive tasks are completed under direct supervision and with guidance from hairdressers who manage the client service. The combined skills and knowledge do not provide for a job outcome as a hairdresser and this qualification is intended to prepare individuals for further training.

There are no entry requirements for this qualification.

### Course Cost

This qualification is covered under smart and skilled funding, to be eligible for this funding, you must be over the age of 15 and have left school. To check your eligibility, visit [www.smartandskilled.nsw.gov.au](http://www.smartandskilled.nsw.gov.au)

### Uniform Requirements

Students are required to purchase a school t-shirt of \$25, to be payable on the first day of class.

### Method of Delivery

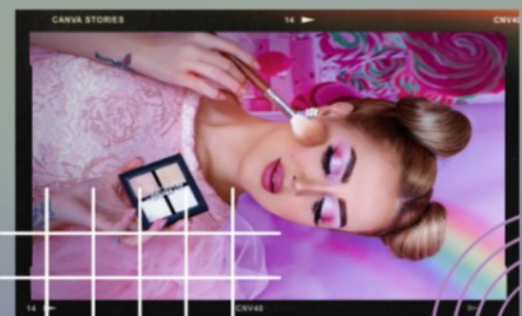

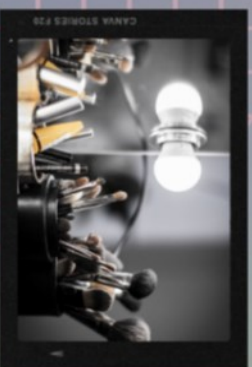

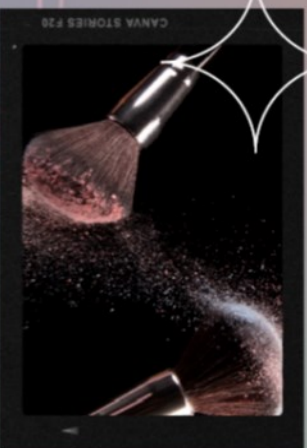

This qualification is delivered with practicals completed on campus in our simulated salon environment while theory is completed through our online study portal. Students must have access to a computer and internet to fulfill the online course requirements. Students will be required to schedule and perform services on paying clients as part of assessment.

### Duration of Course

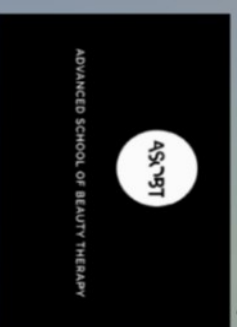

Delivered over 15 weeks, students are needed to complete 15 hours per week online, and 6.5 hours on campus per week for in salon training. Students are required to participate in work experience for a total of 25 hours over the duration of this qualification.

\*Student Kits are available as an optional purchase, however, are not required for completion of this course. If you wish to purchase a Student Kit, please contact our coordinator for further information.

## SHB30221 - Certificate III in Make-Up

Email to enrol now!  
[coordinator@schoolofbeauty.nsw.edu.au](mailto:coordinator@schoolofbeauty.nsw.edu.au)

RTO 7052

### Qualification Description:

This qualification reflects the role of individuals employed as make-up artists to design and apply make-up for a range of purposes and occasions across the beauty, fashion, media and entertainment industries.

These individuals possess a range of well-developed technical and consultation skills where discretion and judgement are required and are responsible for their own outputs. This includes working cooperatively with a range of individuals including photographers, fashion stylists and media production staff.

Work is typically conducted as part of a team or on a freelance basis in settings such as make-up studios, retail cosmetic counters, fashion and media sets and photography studios.

### Entry Requirements:

There are no entry requirements for this qualification.

### Cost:

This qualification is subsidised by the NSW government subject to eligibility and availability such as students must be over 15 and left school.

Students are required to purchase an ASOBT shirt at the cost of \$25 payable on first day.

### Duration:

Study 2 days a week, for 24 weeks

### Delivery:

Face-to-face with online elements and practical components completed in our student salon.

### Carer opportunities include:

In salon make-up artist, self-employed make-up artist and many other employment outcomes.

### Locations

Maitland, Newcastle, Central Coast

### STUDENT REVIEWS

Studying at Advanced School of Beauty Therapy has not only given me the skills and knowledge of the industry I've been dreaming to be a part of, and it has boosted my self-confidence. Such a welcoming environment. 100 percent recommend this credited school!

**Beth Horder**

I have thoroughly enjoyed studying at ASOBT and have gained the skills needed to work in the beauty industry while making amazing friends in a friendly and caring environment. Don't just think about it, sign up today and change your life for the better.

**Toby Jervis**

I have enjoyed my time studying and learning new things at ASOBT. It has been the best experience.

**Taleah Pearce**

# WINTER APPEAL

*together we can make a difference*

Temperatures are dropping yet the number of families needing support are increasing so Carrie's Place are calling on the corporate businesses, organisations, community, schools and individuals to help us make a difference this winter.

**Donations and support can come in many forms so think about how you may be able to help.**

## Currently we have:

- Knitting groups making beanies, scarves & gloves.
- Church groups making meals.
- Corporate organisations donating body warmers.
- Banks doing appeals for goods & non-perishables.
- Sporting organisations doing appeals for non-perishables.
- High Schools doing fundraisers & awareness campaigns.

## What we still need:

- Sleeping bags (-5 degrees), tents & felt blankets.
- Warm clothes - fleece jumpers, jackets, thermal under garments, thick socks, winter pyjamas.
- Readybath bathing cloths - fragrance & rinse free (20cm x 20cm).
- Can openers and sporks (or multi-use cutlery).
- Getting started packs - pots, pans, plates, cups, utensils.

Carrie's Place will share stories of support & kindness, across our social media channels & provide recognition on our website.

# STAYING CONNECTED WHEN EMOTIONS RUN HIGH

## AN INTERVENTION FOR FAMILIES, FRIENDS AND CARERS WORKSHOP - NEWCASTLE

Date: Friday 25<sup>th</sup> August 2023

Time: 8.45 Registration 9am start to 3.30pm

Venue: Club Macquarie - 458 Lake Rd Argenton 2284 COST \$10

### EVENT OVERVIEW

This workshop provides carers with additional communication skills to support someone (between 12yrs to 100yrs) who experiences any of the following:

- Has relationship difficulties,
- Demonstrates changing emotions and strong overwhelming feelings that can make communication difficult,
- Sometimes behaves in a way that makes them a danger to themselves or others.

These symptoms can be experienced in those with mental health issues, drug and alcohol dependence, developmental and learning disorders.

**Bakers Delight**  
We're for real.

**Rutherford**

The staff and students would like to acknowledge the generosity of 'Bakers Delight' at Rutherford who now provide our Wellbeing Faculty with bread.

There are many local businesses who donate their time, service or products to our school.

We express our appreciation and hope our school community can reciprocate.

Rutherford Technology High School has an Official Facebook Page – just go to Facebook and look for "Rutherford Technology High School NSW Official Site" and click on "Like".

We will be using the Facebook page to keep everyone informed about events at the school, important dates for your diary, and general information about the school.
