Rutherford Technology High School Year 8 student, Lotus Antoni, our STEM girls were invited to attend the prestigious Young Business Minds Awards night in Newcastle held on Wednesday 15th November 2023.

Amongst the hundreds of applicants Lotus was named the winner of the 2023 Innovation in Business Enterprise award, for her renewable milk packaging business model. Lotus received not only her award, but also a cash prize of \$1,000.

Upon delivering her acceptance of the award speech, and detailed brief of her future aspirations for her business model in front of an audience in excess of 160 people across NSW industry, Lotus was then congratulated and offered additional financial sponsorship from AMP Control and InTouch Media.

Some of the schools which Rutherford Technology High School was in the running against included the likes of: Newcastle Grammar, Hunter School of Performing Arts, Macquarie College, Hunter Valley Grammar, All Saints College, Avondale College, and St Phillips Christian College to name a few.

A very big congratulations to Lotus on this huge achievement as one of our leading Women in STEM.

We also congratulate staff member, Ms Jade Bassett, on winning the Teacher Innovation Award for her implementation and leadership of the Women in STEM Program.

MESSAGE FROM THE DEPUTY PRINCIPAL

Hello and welcome to what is the beginning of the winding down for 2023. Students have excelled this year across many avenues in Academia, Team Sport, Individual Sport, Dance, Music, Drama, Creative Art and much more. A congratulations to all students that have reached their goals for 2023.

Term 4, 2023 is an exciting time with multiple excursions, assemblies and activities coming up. Students have many things to look forward to including the PBL rewards excursions and end of year excursions for year groups.

We also have the 2024 Year 7 Orientation Day coming up on the 28th of November, more Targeted Transition days on Wednesdays and the 3-week Support Student Transition Days. All Rutherford Technology High School staff are very excited to meet the incoming cohort and are eager to start making new connections.

Also coming up is the School Presentation Day and Sports Presentation Day where we recognise those students who have excelled throughout the year in their chosen field. We look forward to seeing who claims some of the prestigious awards such as Dux of a Year Group, Sportsperson of the Year, Citizenship, Year Adviser Awards and much more.

The SRC are actively working to get non-perishable food and toys for the Christmas Hampers that will be delivered to families in need. If anyone has any new and unwrapped toys or non-perishable food items such as cans of food, drinks, pasta etc, please deliver to Rutherford Technology High School administration office.

We would like to extend our congratulations to Ned Sutherland who has been awarded the Premiers Sporting Challenge Scholarship which is one of the major sporting awards from the Hunter Sports Association.

The final congratulations and shout out goes to all of the wonderful Year 12 students that graduated and had their formal. Students all dressed up in their best attire, looking fabulous and fancy. It was a great night had by all and staff were extremely proud of how students conducted themselves during the event. The final hoorah was the Graduation Ceremony where students, staff and families had the final celebration of the 2023 Year 12 cohort. It was wonderful to see the large number of attendees who wanted to acknowledge the hard efforts and commitment of the wonderful group. Congratulations Year 12, 2023.

Ms Teliah Buckton
Deputy Principal Inclusion and Support

IMPORTANT INFORMATION

A reminder to parents/carers that our school administration office staff are unable to get students out of class to leave early from 3:00pm Monday; Wednesday; Thursday & Friday and from 2:00pm Tuesday.

If you require your child to leave early, it is advised that a note from yourself must be brought to the school administration office prior to 9:00am (or at the first break) so the student can be given an 'early leaver pass' or alternatively parents/carers can send an email to the school stating the time and reason the child is to leave.

Please be aware when you attend our school administration office to collect your child it is compulsory to you to provide photo identification.

Thank you in advance for your cooperation and understanding in helping protect our students.

Thank you to the Rutherford/Telarah Rotary Club for their donation of three boxes of Christmas Puddings for our Christmas Toy and Food Drive.

All donations are welcome and can be left at our School Administration Office

TECHNOLOGICAL AND APPLIED STUDIES

TAS FACULTY REPORT

It has been a busy time in TAS this semester. Teachers and students have worked hard to complete Major Project work, the HSC is over and we have said goodbye to all our wonderful Year 12 students for another year.

It is also important to recognise the dedication of Mr Robinson who has given up many of his holiday hours so his students could come and continue with their Major Projects.

Below is some of the excellent work our Year 12 students have produced in Industrial Technology: Timber and Furniture.

Year 12 student, Laura Vallance worked tirelessly on her HSC Timber Major Project and has received a SHAPE Nomination. SHAPE is an exhibition of exemplary Major Projects from practical based subjects that will run in March 2024. Through designing, researching, continuously testing she has produced a remarkable piece of furniture. Since her nomination, Laura has recently been notified that she has been shortlisted for consideration to be entered into the exhibition. Congratulations to Laura for all her hard work and effort.

In Hospitality, students have been continuing refining both their food preparation and food service skills in a simulated work environment. Students for the first time had the opportunity to cater a full-service breakfast for 16 school Principals and Senior Executive at the LMG Meeting. Students were commended on both their food preparation and service skills.

Our Stage 5 students have also been very busy this year, producing excellent results and practical work across a variety of subjects that fall under the TAS banner. It is fantastic to see our students engaged in relevant learning experiences that prepare them for the world they will live in beyond their school years.

I have also had the pleasure of watching Industrial Technology Metal students design and produce some exciting Major Projects. We have seen everything from tool boxes to steel fountain sculptures, demonstrating our students variety of skills and ability to think outside the square.

Finally, our TAS Staff would like to thank all the students, parents and carers for their support in regards to subject fee collection and the promotion of appropriate clothing and footwear, which are extremely important when it comes to student outcomes in our TAS area.

Mr Scott Cromarty
Head Teacher TAS Faculty

STEM INFORMATION

The ME Program's Schools Partnership Engagement is staging a Career Information for Parents session from 4:00pm-5:00pm on the 23rd of November 2023 at The Cuning Culinarian. This will include a free light dinner. Parents will learn about the ME Program which focuses on Defence Industries, hear from Industry and Education representatives on career path advice, all with the view of encouraging students to study STEM subjects and potentially choose STEM related further studies and careers in the Hunter. Registration is necessary at <https://www.eventbrite.com.au/e/me-program-career-information-for-parents-tickets-741879480497>

The RAAF will be holding the Newcastle Williamstown Air Show 2023 over the weekend of Saturday 18th and Sunday 19th November 2023. On Saturday they will be performing flight displays over Nobby's Beach and on Sunday, there will be a non-flying open day featuring ground displays and a range of military capabilities from across the Australian Defence Force (ADF) and the aviation sector. This event is \$10.00 entry but students from Rutherford Technology High School will be able to collect a free ticket if they see Mr McGowan in Science prior to the event.

A vibrant poster for a 'Pool Party' set against a background of blue water with ripples. The word 'POOL' is written in large, white, 3D block letters with a blue outline. The letter 'O' is replaced by a colorful beach ball. The word 'PARTY' is written in white, bold, sans-serif capital letters below 'POOL'. The poster is decorated with tropical elements: a slice of watermelon in the top right, a beach umbrella with a yellow flower on the left, and various tropical leaves (palm, monstera) around the edges. At the bottom, there are two more watermelon slices and two colorful beach balls. Text is overlaid on the poster: 'Proudly Presented by' above the Maitland AECG logo (a stylized 'M' with a yellow circle), 'Join us at our FREE community' in a white box, 'Sausage Sizzle' in green, 'Santa' in pink, and 'Drinks' in orange. The date and time 'WEDNESDAY | 6TH DECEMBER | 4PM - 7PM' and the address '230 Anderson Drv, Beresfield' are at the bottom.
