RUTHERFORD TECHNOLOGY HIGH SCHOOL SUPPORTING HUNTER LEGACY

Thank you to Noah, Amelia, Charlotte and Jeremy for representing our school on Friday 1st September 2023 at Rutherford Marketplace to support Legacy selling merchandise for their annual appeal.

Special thank you goes to Jeremy who also gave up his break time on Wednesday and Thursday to sell merchandise to students and staff at school.

Over the three days, Rutherford Technology High School, raised \$1,000.00 supporting Hunter Legacy.

MESSAGE FROM THE DEPUTY PRINCIPAL

It has been another long term and we are coming close to the end of Term 3. This term we have seen many achievements from students and staff and are looking forward to see what the last few weeks hold.

Term 3 has seen a lot of amazing achievements from all students at Rutherford Technology High School. We have seen excellence with our lawn bowls team, rugby league team, rugby union teams, dance troupes, TOM team, Aboriginal Education groups and many more. I just want to start by saying these extra curricular activities don't get to go ahead without the wonderful support of staff who organise the events and take the students to the events, but also for the staff that stay behind covering the organising teachers' classes. It is a huge team effort and we are very lucky here at Rutherford Technology High School that everyone is willing to pitch in and help so that students have the opportunity to achieve in extra curricula events.

Term 3 also sees our HSC students putting in the final effort to finish off their schooling journey. Students are busy cramming for exams, finishing major works and completing HSC performances. We wish all students good luck in their HSC and can't wait to see how well everyone achieves. It is really important for all students to remember that everyone has their own path and whatever they choose to complete is perfect for them. We are proud of our HSC students who are completing ATAR pathways, non-ATAR pathways, TAFE courses, traineeships, SBAT courses, apprenticeships and the Life Skills pathway.

Term 3 will see Rutherford Technology High School say goodbye to our five wonderful Year 12 Support students who have been extremely polite and respectful and a pleasure to teach. These five students have excelled academically and on the sporting field and we are very excited to see them grow further into mature young woman and men.

Congratulations to our newly elected 2023-2024 Senior Leaders:

School Captain:
School Vice Captain:
Senior Leaders:

Karla Roets & Zakorie Hutchinson
Isabella-Rose Sloan & Cooper Harwood
Ruella Corpus; Purav Goyal; Ella-Rose Owen & Rylan Staples

Just a regular reminder that as the weather is warming up, students need to be in the correct school shirt and shorts. No tights are allowed, and students need to have a note from parents/carers if they are going to be out of uniform.

Ms Teliah Buckton
Deputy Principal - Inclusion & Support

SCIENCE FACULTY REPORT

Bringing Science Education to Life

Welcome to the latest edition of the RTHS Science Faculty Newsletter!

As we dive into the exciting happenings of Term 3, we are thrilled to bring you updates on assessment tasks, classroom essentials, student support, upcoming activities, and a sneak peek into an exciting new elective for the next academic year.

Let's get started

Assessment Tasks for Year 8, 9, and 10

As we approach the end of Term 3, it's time for our Year 8, 9, and 10 students to reflect on their Assessment Tasks. These tasks provide a valuable opportunity for our young scientists to demonstrate their understanding of the concepts covered this term. Effective time management and diligent preparation are key to success. Students are encouraged to review their class notes, engage with study resources, and reach out to their teachers if they have any questions. Remember, our dedicated Faculty is here to support you every step of the way. A reminder to our Year 10 cohort that they must also clear their N-Awards to be awarded a ROSA, so reach out if you need support in resolving these.

Classroom Essentials: Books and Pens

We would like to emphasize the importance of bringing books and pens to every class. These seemingly simple items are essential tools for effective learning. Taking notes, participating in discussions, and engaging with the subject matter actively contribute to a deeper understanding of the material. Let's all make a conscious effort to come prepared to each class, ensuring a more engaging and productive learning environment for everyone.

Student Support and Assistance

We understand that assignments can sometimes be challenging, and that's perfectly okay. Our Faculty is committed to helping students succeed, and we encourage any student who needs assistance with their assignments to reach out to their teachers. Whether it's clarifying concepts, brainstorming ideas, or receiving feedback, our teachers are more than happy to provide the guidance you need to excel. Don't hesitate to ask for help; it's a sign of strength and a determination to succeed.

Term Activities: Learning Beyond the Classroom

Students were proud ambassadors for our school in attending the Science & Engineering Challenging at UoN in Week 6. Whilst we made the State Finals, there were a total of 24 teams from across the state, only two from our region from a total pool of 64 progressed to the Finals. This achievement is the most successful we have seen at Rutherford Technology High School and is a direct result of our committed STEM staff including Coordinator, Mr McGowan. Whilst we came second at regionals we were unsuccessful in moving onto the National competition. This was a fantastic day on campus for our students and staff, thank you to Mrs Evans also and to the students who represented our school with pride and we look forward to challenging for Nationals next year.

RESPONSIBILITY

COMMITMENT

Introducing a New Stage 5 Elective for 2024: Marine and Aquaculture Technology

We're thrilled to offer a sneak peek into an exciting addition to our curriculum for the next academic year. Starting in 2024, Rutherford Technology High School will be introducing a new Stage 5 Elective: *Marine and Aquaculture Technology*. This course will provide students with a unique opportunity to explore the fascinating world of marine ecosystems, aquaculture practices, and sustainable technologies. From understanding marine biodiversity to learning about responsible aquaculture methods, students will gain valuable insights into this vital field.

What to Expect from Marine and Aquaculture Technology:

Exploration of Marine Ecosystems: Students will delve into the diverse ecosystems that make up our oceans, from coral reefs to deep-sea environments. They'll learn about the delicate balance of marine life and the importance of conservation efforts.

Aquaculture Techniques: This elective will cover the principles of aquaculture - the cultivation of aquatic organisms such as fish, shellfish and plants. Students will discover various methods of sustainable aquaculture and their significance in meeting global food demands.

Technological Innovations: The course will explore cutting-edge technologies used in marine research and aquaculture, including remote sensing, underwater robotics and advanced monitoring systems.

Environmental Sustainability: Students will develop an understanding of the ethical and environmental considerations surrounding marine and aquaculture industries. They'll explore ways to ensure the responsible use of natural resources.

We are confident that this new elective will not only inspire a deeper appreciation for marine life but also equip students with skills and knowledge that are increasingly relevant in our changing world.

As we navigate through Term 3 and look towards Term 4 of the academic year, let's continue to embrace the wonder of scientific discovery and the joy of learning together. We wish our Stage 6 Science students all the best for their upcoming exams and for those who make their way into Science fields beyond our classrooms we are proud of the part we played in your educational journey.

Remember, our Faculty is here to support you in your educational journey. If you have any questions, concerns, or ideas you'd like to share, please feel free to reach out to us.

Thank you for being a part of the vibrant RTHS Science Community, and thank you to our committed staff who go beyond the classroom to support our students in their learning journey.

Mrs Laura Foster
Head Teacher Science Faculty

THE UNIVERSITY OF
NEWCASTLE
AUSTRALIA

On Tuesday 5th September 2023, some fantastic Year 12 students visited the University of Newcastle's NuSpace, Q Building and Callaghan Campus. They had a fun and informative day learning about UoN courses and extracurricular life. We even met up with some ex-RTHS students kicking goals in the post-school world. Thank you to the UoN for hosting us and Mr Hunt and Mr Butler for tagging along.

TERM 4 SPORT Years 8, 9 & 10

Dear parents and caregivers,
 Students can choose an offsite sport from the choices listed below.
 Students who do not choose an offsite sport will be split into teams and will rotate around school team sports and participate in a variety of activities.

\$45 BUS FEE FOR TERM 4 12/10/23 – 14/12/23

****Payment to be made by 3pm Monday 9th October 2023****

Steps for paying and selecting sports:

Payments and selection can be made at the office and online via School Bytes.

Please note sport venues are capped and will not be visible for payment or selection when there are no vacancies left.

When selecting a sport online, School Bytes will automatically redirect to the online payment portal. You have 15 minutes to complete payment before preferences are invalidated.

If choosing a paying bus venue sport – weekly fees **MUST** be paid to the venue each week.

At school team sports – these will also be capped and will not require payment to be made before selection. It is advised if your child wishes to be in a particular team sport with their peers that the correct (same) team number be selected.

If students do not select a sport, they will be placed into a school team sport (no cost).

Online permission will be emailed out prior to sport commencement.

NO CHANGES WILL BE MADE TO SPORTS GROUPS DURING THE TERM. (Changes will only be made if students show unacceptable behaviour at external sport venues).

Please call the office if you need any assistance with sport payment and selection.

SPORT	COST PER WEEK	ADDITIONAL INFORMATION
Futsal	\$5	Futsal tournament with Mr Newham
Genesis Gym	\$8	Students MUST bring gym towel
Premier Fitness Gym	\$8	Students MUST bring gym towel
Driving/Chipping Range	\$8	Equipment provided by venue
Ten Pin Bowling/Putt Putt	\$8	Equipment provided by venue
Gravity X	\$12	\$3 for Grip socks
Rock Climbing	\$12	Equipment provided by venue
Lawn Bowls	FREE	No bus fee required – walk

Circle of Security® PARENTING SERIES

At times ALL parents feel lost or without a clue about what our child might need from us.

Imagine what it might feel like if you were able to make sense of what your child was really asking from you. The Circle of Security® Parenting™ program is based on decades of research about how secure parent-child relationships can be supported and strengthened.

Learning Objectives of the Training:

- Understand your child’s emotional world by learning to read the emotional needs
- Support your child’s ability to successfully manage emotions
- Enhance the development of your child's self esteem
- Honour your innate wisdom and desire for your child to be secure

Presented by: Alison Fardell (Samaritans) & Jo Geering (Maitland Region Community Support)

Who should attend: Parents with children aged 0-6 yrs.

Location: Woodberry Place of Friends, within Woodberry Public School - Lawson Ave, Woodberry

Dates: Mondays 21st & 28th August, 4th, 11th & 18th September (5 weeks)

Time: 12:30pm– 2:30pm

Cost: FREE - Child minding available

Frequently Asked Questions

When can I apply for an AVCAT Scholarship?
Applications open 18 August, and close at midnight October 31.

Do all applicants receive an AVCAT Scholarship?
The selection process is very competitive and scholarship numbers are limited therefore, not all worthy and eligible applicants will receive a scholarship.

How will my scholarship application be assessed?
Applications are considered by a team of independent assessors and AVCAT's National Selection Committee. The following criteria are used to assess applications: financial need, academic potential and personal circumstances.

What supporting documents do I need for my scholarship application?
It is advisable to start preparing your documents before applications open as this can take a considerable amount of time. You can find more information at avcat.org.au.

When will I be notified of the outcome of my application?
Applicants will be notified of the outcome of their application from late February through to early March. Applicants will be updated on any change to the timing of notification.

Where can I find more information?
You can find more information on the AVCAT website at avcat.org.au or contact the AVCAT office Monday - Thursday on 02 9213 7999 or at info@avcat.org.au. Register your interest in applying at avcat.org.au/scholarships

'I can say with confidence that my AVCAT scholarship has given me the reach I needed to grab hold of my dreams and aspirations.'

— AVCAT Scholar

AVCAT SCHOLARSHIPS

Transforming lives through education

Applications open 18 August, and close midnight 31 October 2023.

AVCAT Scholarships, including the Long Tan Bursary, are for the children and grandchildren of Australian ex-serving veterans. Scholarships provide \$4000–\$6000 per year, for three years, to full-time students at university, TAFE or a registered training organisation.

'My AVCAT Scholarship gave me confidence that I still draw on. It's something that cannot be taken away.'

— AVCAT Scholar

Scholarship Eligibility

Eligibility criteria includes Australian residency, child or grandchild of Australian ex-serving veteran, full-time tertiary student in 2024 at uni, TAFE or a RTO for minimum one-year course, in receipt of or eligible to receive means-tested Commonwealth educational benefit — Youth Allowance, ABSTUDY, Austudy or Veterans' Children Education Scheme (VCEs).

Apply online at avcat.org.au

Trainee Information & Recruitment

If you have a passion for caring for our youngest in the community, then now is the time to come and see what that involves. We invite you to our exciting **Trainee Recruitment Event**, where you can explore the options of becoming a trainee employee or a School Based Apprentice Trainee (SBAT) at one of our amazing Hub services.

There will be experienced educators on hand to answer your questions, presentations from industry professionals, and an opportunity to tour one of The Hub centres.

Date: Tuesday 12th September 2023
Time: 6.30pm
Location: The Hub Waratah
 39 Station Street Waratah 2289

Traineeship or SBAT?

Traineeships

CHC30121 Certificate 111 in Early Childhood Education and Care
 Full time traineeship opportunities allow those who are interested in starting a career in Early Education, to work in a centre with a team of Early Childhood professionals whilst completing their study online with ECC (RTO ID 90081).

The opportunity to complete on-the-job training within a Hub centre provides each trainee with an authentic experience of working in the early childhood education and care sector.

As an employee of the Hub you will be immersed in the full experience of Early Education with children 0-5 years.

SBAT

The SBAT model allows school age students to gain a qualification while completing their HSC. Students leave school at the end of Year 12 with a qualification that can lead directly to employment and have the opportunity to continue the learning pathways with advanced entry into university.

As part of the traineeship, participants will complete the theoretical component of their studies online. This will be complemented by 100 days of paid on-the-job training at one of the Hub centres.

The SBAT program will allow students to attain their Certificate III in Early Childhood Education and Care while completing their HSC.

Testimonial

Being part of The Hub was an absolute game-changer for me. The trainers were beyond supportive throughout my entire study period. They were always there, checking in on my progress and providing guidance whenever I needed it. Thanks to their amazing support, I was able to achieve my goal of obtaining a Certificate III in Early Childhood Education. This certification opened up so many doors for me, including landing a permanent job in the field. Now, I'm continuing my educational journey by pursuing my diploma. I can't express how grateful I am for the opportunities and growth that being part of The Hub has brought into my life. It's been an incredible journey so far! Abbey M

MAI-WEL EMPLOYMENT PATHWAYS Information Sessions

CALLING ALL PARENTS AND CARERS!

Do you know a young person in Year 10, 11 or 12, or who is ready to transition out of school, that may need some guidance on their next steps?

We have a range of programs and services available to youth in our community. To fill you in on all that's possible with Mai-Wel, we want your feedback on the best times and locations to host our Employment Pathways Information Sessions.

Follow the QR code or visit our website to have your say and sign up to be notified of our upcoming sessions!

SESSIONS WILL BE HELD:
WEDNESDAY 13 SEPTEMBER (MAITLAND)
WEDNESDAY 20 SEPTEMBER (CESSNOCK)
 WWW.MWLFS.COM.AU/INFO-SESSION
 EVENTS@MAIWEL.COM.AU

During our Information Sessions, we'll provide you with a general overview of all our services, but we'll especially focus on our Employment Pathways, including:

MAI-WEL ACADEMY

From as early as Year 10, to long after finishing school, Mai-Wel Academy is a unique program to help bridge the gap from school to the next stage of life, whether that be school or study. With a number of local industry partnerships, our own internal simulated work experiences, and experienced mentors, we help people discover what they want to do and create an individualised pathway to get there.

DISABILITY EMPLOYMENT SERVICES

As a registered Disability Employment Services (DES) provider, Mai-Wel works with job seekers with disability, health conditions or mental health barriers to achieve life changing employment outcomes.

WORKFORCE AUSTRALIA - TRANSITION TO WORK

As a registered WorkForce Australia - Transition to Work (TtW) provider, Mai-Wel provides employment support to young people aged 15-25 to address the barriers to employment.

Construction

BUILD YOUR FUTURE

- ✓ Construction industry is the second largest industry and third largest employer in Australia (nationalskillscommission.gov.au).
- ✓ 13% of all Australian workers are in the construction or related industries (Backtobasics.edu.au).
- ✓ Construction employment predicted to continue to grow to 664,000 worker (5.8%) over the next five years (nationalskillscommission.gov.au).
- ✓ Governments have committed to significant funding towards transport, residential, health and educational infrastructure projects (20-21 Budget paper No#3).
- ✓ The State Government's total commitment to infrastructure projects of \$108.5 billion over the next four years.
- ✓ Female participation is growing and highly welcomed, with 84.6% of the workforce being male and 13.6% being female (as of the end of 2021) (labourmarketsights.gov.au).
- ✓ Trades will continue to be a growing need to support the Australian economy.

YOUR FUTURE IS IN YOUR HANDS

WHY DO AN APPRENTICESHIP?

- Provides applied learning opportunities and transferable occupational skills.
- Foundation to progress to further qualifications diploma, advanced diploma, or bachelor's degree.
- 82% of VET graduates are employed after training compared to 67% of university graduates.
- Starting salary as qualified carpenter \$55,900, excluding super.
- Median university graduate starting salary \$54,000 (Skills for Thrive-SkillsOn4).
- Apprentices get paid to learn.

Construction Apprentices at North have a dedicated trade qualified Apprentice Manager to help them transition to a fully qualified carpenter. Our site and office teams also assist and support Construction Apprentices in their professional and personal development. North mentoring programs are designed to provide the tools for our people to become construction leaders. There are no set rules on how far, or where you want to take your career.

- Apprentice
- Carpenter
- Leading Hand
- Crane Operator
- Contracts Administrator
- Systems Manager
- WHS Manager
- Builder Trade Contractor / Sub Supervisor
- Site Supervisor
- Construction Project Manager
- Construction Manager
- Business Owner
- Travel With Your Trade

WHO IS NORTH?

North is a trusted regional commercial construction company. We work with government, public and private clients delivering a wide range of high-end projects including hospitals, schools, aged care facilities, commercial premises, infrastructure builds and affordable housing. Safety and our values are paramount.

WHO IS A NORTH CONSTRUCTION APPRENTICE?

North's Construction Apprenticeships are a little different to the standard carpentry apprenticeships. At North we recruit and mentor individuals to become construction leaders. A North Construction Apprentice:

- is undertaking a Carpentry Apprenticeship
- has a desire to be a construction leader
- wants exposure to all trades and building techniques
- focuses on quality, Australian Standards, systems, and WHS
- uses latest build advancements, build technology software systems
- is a leader with relational and respectful qualities
- has a growth mindset with a hunger to learn
- enjoys physical labour tasks
- driven by excellence and excited to learn.

WHAT DOES A NORTH CONSTRUCTION APPRENTICE DO?

Some of the daily activities of a North Construction Apprentice include:

- site pre-starts and safety walks
- team support, tasks as required
- toolbox talks
- cleaning site and amenities
- ongoing personal and professional development
- assessing the entire job site for safety and tidy housekeeping throughout the day
- working with leading hands and site managers to construct or modify various structures
- assisting subcontractors where required, and ensuring they are complying to safety
- assessing subcontractors are working to plans, guidelines and Australian Standards to ensure quality and compliance
- daily record keeping and diary entries via electronic construction programs and systems
- end-of-day site walks and securing of job site for overnight security
- preparing and presenting project details at monthly apprentice meetings
- routine professional development mentoring and performance progress reviews.

BUILDING WITH TRUST*

PAID INTERNSHIP - Year 12 Graduate 2023

INTERNSHIP CONSTRUCTION PROJECT MANAGEMENT

North Construction & Building is seeking highly motivated Year 12 school leavers interested in a future career in construction project management & procurement, to undertake two weeks fully paid internship at our Tuggerah Head office from the **Monday 5th February – Friday 16th February 2024**.

If you are considering a University pathway into Construction Management, Engineering, Building & Design Management, or Certificate IV in Project Management then don't miss this opportunity.

AMAZING EXPERIENCE

Be the first to experience this amazing hands-on exposure to an introduction to project management in the commercial construction industry. Fully supported by a buddy, you would spend time working on live projects and tenders rotating across various departments of preconstruction, estimating, projects, systems and safety whilst being mentored in practical work skills.

You will gain exposure to construction processes and planning methodology, industry trends, contracts administration, professional communication, leadership techniques, problem solving and understanding the importance of quality, and compliance with Work Health & Safety. You would also be working with the latest build technologies and assisting the various teams working across a variety of projects.

About North: We are a highly reputable organisation based at Tuggerah, Newcastle, Dubbo, Orange, Mudgee and Brisbane and have been recognised as the 17th Best Place To Work in Australia 2021.

What We Build: Schools, Commercial, Hospitals, Government, Affordable Housing & More

How Do I Apply?

Send in your Resume and Cover Letter that tells us why you would like to do an internship with North, why you are interested in construction and what you hope to gain from the experience. Email to: careers@north.com.au

Applications Open Friday 27th October & Close at 5pm Monday 13th November 2023

Bakers Delight *Rutherford*
We're for real.

The staff and students would like to acknowledge the generosity of 'Bakers Delight' at Rutherford who now provide our Wellbeing Faculty with bread. There are many local businesses who donate their time, service or products to our school. We express our appreciation and hope our school community can reciprocate.

Rutherford Technology High School has an Official Facebook Page – just go to Facebook and look for "Rutherford Technology High School NSW Official Site" and click on "Like".

We will be using the Facebook page to keep everyone informed about events at the school, important dates for your diary, and general information about the school.
