Congratulations to our Newly Elected 2024-2025 Senior Leaders

Pictured are our 2024-2025 School Captains and School Vice Captains. A brief introduction and profile of each of them is included in this newsletter.

The 2024-2025 School Senior Leadership Team is made up of the School Captains, School Vice Captains and four Senior Leaders. The four senior leaders for 2024-2025 are Isaac Holden, Mikayla Price, Noah Rodgers & Zac Wadwell.

Jeremy Bourke, Charlotte Harwood, Eva Turner, Drew Fullerton

MESSAGE FROM THE DEPUTY PRINCIPAL

It's hard to believe we are already a couple of weeks into Term 4. The year has flown by and with less than 8 full weeks to go it'll be Christmas before we know it.

Week 2 and HSC Examinations are well underway with many Year 12 students feeling positive walking out of their exams. While some smiling faces are relieved that the exams are over. Many have been very happy about the content of the exams and how they answered the questions. With some students being able to celebrate the end of their exam period already, others will be looking forward to the end, with the last exam being the 8th of November. A short while after this, we are looking forward to celebrating Year 12's achievements at their Formal on 12th of November and their Graduation Ceremony on 14th of November. A very exciting time for them. We wish students luck with all they are embarking on for the rest of this term and in the future. They have achieved so much already and should be proud of their achievements. I'm sure celebrations will be had when HSC results are released on 18th of December.

With the current Year 12 finishing their schooling, this term the 2024 Year 11 cohort move into their HSC - and final - year of schooling. It is an exciting step but can be a bit overwhelming or daunting. To help students and parents prepare for and navigate Year 12, we recently held an HSC Information Evening providing advice and strategies on managing wellbeing, practical major work projects, policies and procedures and more. A huge thank you to all the staff who gave up their Monday evening to deliver information, as well as to Mr Brady Cooper who coordinated and organised the evening. It was great to see so many students turn up with their parents. If you were unable to attend and have any questions about the HSC, please do not hesitate to contact the school.

I would like to encourage all parents and carers to advise students to report any incidents or concerns to a staff member. To ensure more timely or immediate dealings with issues, it is very helpful when students directly involved are able to report and provide details and first hand information, this greatly assists the resolution process. While students have Year Advisers and Assistant Year Advisers, Head Teachers and Deputy Principals they can report to, they can also report to a trusted staff member with whom they feel comfortable to discuss their concerns. Early reporting of issues is also very helpful in preventing incidents before they occur. This enables us to resolve situations and provide the necessary support for students.

Finally, while we are on the last leg of 2024 there is still a lot happening before we wrap up the year. Junior years will be undertaking their final assessments and yearly examinations, Semester 2 reports and End of year presentations.

A giant thank you to our Wellbeing team who have organise 'Fun Sock Friday' today to raise money for the Black Dog Institute, this supports mental health. October is Mental Health month and it is good to put spotlight the importance of mental health which can often go unnoticed or unspoken about. For this very worthy cause, I'm sure there will be a lot of interesting socks worn to school, along with the sweet treats and baked goods on sale. I have no doubt the day will definitely live up to its name of fun.

I wish you all a great Term 4.

Mrs Stephanie Mole
Deputy Principal Year 8 & Year 11

IMPORTANT INFORMATION

CHANGE TO SCHOOL OPERATIONS ON MONDAY 28th OCTOBER 2024

The NSW Teachers Federation has called for all members to attend a meeting at 8:30am on Monday 28th of October 2024.

As a result of this meeting, the school will provide minimal supervision of students from 8:30am to 10:00am. Normal time-tabled classes will not be in operation and students on-site will be supervised in the canteen quad. At 10:00am students will attend roll call with Period 2 classes starting at 10:15am and school will resume as normal.

Students sitting the HSC will not be affected as they are supervised by NESA staff.

If there are further changes, parents and caregivers will be updated immediately

PDHPE FACULTY REPORT

Welcome to Term 4 - the final term of 2024.

The PDHPE Faculty would like to take this opportunity to remind students to bring hats and water bottles in preparation for activities in the hotter weather. Adjustments will be made for practical lessons when necessary, however participation in lesson activities is still a mandatory requirement throughout all the school terms, both hot and cold. It is also a timely reminder that students are required to bring a note from parents/carers for non-participation in practical lessons. Without a note, students will be expected to engage in lesson activities.

Year 10 are entering their last term in the Junior school and nearing their completion of RoSA requirements. Students are encouraged to ensure all assessable course tasks are met, with any outstanding N-award notifications completed. Staff are always available during breaks to assist students who require help in finalising tasks.

Year 7 students will be attending Dullboys Rutherford for Ten-pin Bowling for three sessions this term for sport. All sport payments for the year must be paid in full in order for students to attend.

The last day of Term 3 saw the running of the Annual Old Boys/Girls Football Day, a tradition held in honour and memory of ex-student Kallan Egar. This was the 8th year the event has been run. Congratulations to the Open Boys team taking out the game 2-1. In the earlier game, the Open Girls were victorious against the Old Girls 3-1. The links for both games can be found below.

Avery-Jones Trophy
Kallan Egar Cup

<https://app.veo.co/matches/20240927-old-girls-3ed75e39/>
<https://app.veo.co/matches/20240927-open-boys-e060acba/>

Congratulations are also extended to all our sporting teams and students who competed and achieved success in the back end of Term 3. Rutherford Technology High School continues to extend its achievements in many sporting and dancing events, enabling our students to attend which is made possible by the support of staff both at competitions and back at school.

Upcoming events include the Rutherford Technology High School, School Achievement Recognition Ceremony and Presentation Day where various sporting achievements will be presented. Also the Rutherford Technology High School Dance Showcase for students in Years 7-11, taking place on Wednesday November 15th at 6:00pm in the school's Multi-Purpose Centre. This will be a celebration of the hard work put in over the year by students in our Dance program.

As always, we wish our students and coaches the best in their pursuits.

Mr David Thomas
Head Teacher PDHPE Faculty

Introducing our 2024-2025 School Captains

SCHOOL CAPTAIN - CHARLOTTE HARWOOD

Since transitioning to Rutherford Technology High School in late October 2022, where she joined Year 9 from a selective performance arts high school in Newcastle, Charlotte has made an extraordinary impact within the school community.

With a strong academic and leadership background, Charlotte immediately expressed her interest in the Student Representative Council (SRC). Last year, Charlotte was successfully elected as a representative for her Year 10 cohort and again elected this year reflecting her commitment to serving her peers and the school. This leadership journey has now culminated in her election as School Captain for 2024-2025.

Charlotte's enthusiasm for leadership is matched by her passion for academic and extra-curricular engagement. Throughout her time at Rutherford Technology High School, she has excelled across a wide range of subjects. Her versatility and dedication have been evident in her diverse subject choices, allowing her to explore both academic and creative interests. Charlotte's subjects selected are English Standard, Mathematics Standard 2, Dance, Community and Family Studies, PDHPE and VET Sports Coaching, aligning her passion for health, education and sports.

In addition to her academic pursuits, Charlotte is highly regarded for her leadership skills and her ability to connect with her peers. Her background in performing arts and sports has shaped her into a confident, articulate leader who is not only driven by her personal goals but also deeply committed to enhancing the school environment for all students. As school captain, Charlotte aims to advocate for a school culture built on respect, responsibility and commitment, whilst empowering her fellow students to pursue their own passions.

Whether on the field in her TSP Football training, in the dance studio or in the classroom, Charlotte's dedication to both her academic and extra-curricular activities makes her an inspiring role model for students across all year groups. As School Captain, she is excited to bring her vision for a vibrant, supportive and connected school community.

SCHOOL CAPTAIN - EVA TURNER

Eva joined Rutherford Technology High School in 2020, transitioning from the then small Lochinvar Public School as a sports leader and Dux of her year. She joined RTHS's GATS program as the only student from Lochinvar and remained through to Year 10, staying committed to her studies, which has been reflected through her academic achievements.

Eva has been an active representative of the school through swimming, competing at zone and regional levels from 2020 onwards, as well as other various school activities.

In Eva's senior secondary education she has chosen to study Advanced English, Standard Mathematics, Legal Studies, Business Studies, Ancient History, and Hospitality. Following the HSC, Eva hopes to study a Law/Business degree at University.

As School Captain, Eva has now joined the SRC (Student Representative Council) and looks forward to working alongside her fellow Captain, Vice Captains, and Senior leadership team. She is excited to represent the school as Captain and be a positive role model for students, whilst furthering her personal leadership qualities and skills.

SCHOOL VICE CAPTAIN - JEREMY BOURKE

Jeremy joined Rutherford Technology High School in 2020 at the start of Year 7, transitioning from Branxton Public School.

When commencing his secondary education, Jeremy developed a keen interest in the School Student Representative Council (SRC) and therefore stood for election and has been a member of the SRC consecutively since joining. Jeremy's last year on the SRC will see him hold the position of School Vice Captain.

Jeremy has been actively involved with the school community in many ways, including organising student driven initiatives and events to represent Rutherford Technology High School in many sporting, academic and SRC achievements. Jeremy has developed a particular passion for his position on the SRC Community Engagement Team.

For Jeremy's HSC schooling he has selected the subjects of Modern History; Legal Studies; Standard English; Standard Mathematics; Business Services and History Extension. Jeremy aspires to study law and/or political science after high school and hopes to launch a successful political career.

Outside of school, Jeremy enjoys many hobbies such as taekwondo, lawn bowls, reading, gardening and lapidary/smithing work.

Jeremy is most delighted to continue to serve his school community and aims to use his leadership skills and experience of SRC related matters to mentor new student leaders. Jeremy looks forward to working with SRC members, teachers, extended staff and his fellow senior leaders to further improve Rutherford Technology High School's community.

SCHOOL VICE CAPTAIN - DREW FULLERTON

Drew joined Rutherford Technology High School in 2020 after transitioning from Rutherford Public School, where he was a member of the SRC and Dux of his year.

Drew has been a part of the school's TSP Football Program since Year 9 and has been selected to represent the school as part of the Boys Open Football team. Drew has had many academic achievements including academic excellencies and merits.

In Drew's senior years he has selected to study: English; Mathematics; Software Engineering; Information and Digital Technologies; Engineering Studies and Business Services. Through these studies Drew wishes to get accepted at university for a Software based field.

Drew looks forward to representing Rutherford Technology High School as a School Vice Captain alongside his fellow senior leaders, SRC members, staff and students as well as taking on the responsibilities and commitments that come with his role.

Dear Families

Our partner 'Atomi' hosted their first webinar for parents, now available [here](#) as an on-demand walk-through!

Claire Johnson, Teacher and School Success Partner, outlines the basics of Atomi and shares how parents can effectively support their child in reaching academic goals.

What is Atomi?

Trusted by over 700 Australian schools, Atomi is an online learning platform that helps your child understand their content and improve their results through video lessons, interactive quizzes and intelligent features.

How does our school use Atomi?

Our school uses Atomi in Year 7-12. The full subject offering is available [on the Atomi website](#).

What's covered in the video walk-through?

The walk-through covers practical tips and tricks to help you track your child's progress and facilitate their growth, including:

- An Introduction to Atomi
- How Atomi supports learning in the classroom
- Practical tips and tricks to implement at home
- Where to find more information and support
- Q&A with the Atomi team and guest speaker

How do I access the resources mentioned in the webinar?

You can access both documents mentioned below:

- [Student Technology Skills Continuum](#)
- [Email template - Request Atomi at your child's school](#)

All further resources are available as [helpful links](#) on the webinar page.

TERM 4: WEEK 1

NEURANEXT AI AND ROBOTICS

On Friday of Week 1 Term 4, Year 9, 10 and 11 students were invited to learn more about the changing nature of A.I. and its use within Robotics. Students learnt about A.I. via a series of live interactive implementations of the technology including computer vision, autonomous cars & robotics.

Between watching an autonomous car drive around a track and having the opportunity to walk a Robotic dog, students enjoyed learning about the impact AI has made so far.

With the changing workforce and the inclusion of AI in all industries, students are encouraged to gain micro credentials in both AI and Cyber Security.

Male applicants with AI studies received an interview invitation in 54% of cases, whereas male applicants without AI studies were invited to interview in 28% of cases.

Female applicants with AI studies received an interview invitation in 50% of cases, whereas female applicants without AI studies received one in 32% of cases.

Link to online training courses – roughly 2 hours each – currently free of charge.

Term 4: Week 1 PBL Awards

Madelyn	Commitment to developing skills and teamwork in Agriculture
Ruby	Consistent commitment in Visual Arts
Jack	Consistent effort and positive attitude in Humanities
Charlie.B	Consistently applying herself in Science
Charlie.S	Commitment to trying his best in all areas of Technology Mandatory-Food
Xavier	Consistent application in English classes
Logan	Effort and achievement in Visual Arts
Jensen	Consistent commitment to all aspects of classwork in Digital Technology
Zaiden	High levels of class engagement and consistent effort in Japanese
Hazelle	High levels of class engagement and consistent effort in Japanese
Ella	High levels of class engagement and consistent effort in Japanese
Emilia	Exceptional application and effort in Mathematics
Lily	Improved commitment towards her handwriting in English lessons
Paul	Commitment to designing a fantastic cookbook during Technology lessons
Ashar	Commitment to developing skills and teamwork in Agriculture
Hayley	Consistent application to English
Montannah	Commitment to Learning in HSIE
Lexi	Exceptional application and effort in Mathematics
Lotus	Outstanding commitment and application in PDHPE
Kyana	Excellent academic achievement in Mathematics
Aiden	Commitment to developing skills and teamwork in Agriculture
Violet	Diligence in Drama
Sarah	Consistent commitment to all aspects of classwork in ICT
Eliza	Exceptional application and effort in Mathematics
Ryan	Outstanding commitment and application in PDHPE
Brayden	Enthusiastically contributing to class discussions in English
Abigail	Commitment to learning and class discussions in Child Studies
Lucy	Consistent effort in Visual Arts
Jackson	Consistent excellence in Construction lessons
Jack	Commitment to his studies in Aboriginal Studies
Joel	Excellent progress in Information and Digital Technology
Alana	Exceptional commitment to all areas of Retail Services
Chase	Consistent effort and application in SLR

RTHS TSP Rugby League

INAGURAL HUNTER NRL BEACH TOUCH FOOTBALL

On Tuesday 22nd October 2024, we had 35 students represent Rutherford Technology High School at the Hunter NRL Beach Touch Gala Day, which was held at Nobbys Beach, Newcastle.

This was the first time the event has been offered and our school were lucky enough to have four teams involved. It was such a great experience for our students who found the sand and modified rules a different type of challenge to their usual rugby league environment.

Our Under 14 Boys managed to win all their games, with our Under 14 Girls, Under 16 Boys and Under 16 Girls impressing with their skills and teamwork in their pools.

Congratulations to our students who represented Rutherford Technology High School at the event and a big shoutout to our major TSP Rugby League sponsor, McDonalds Rutherford, as well as CMC Transport for assisting with transport on the day.

Thank you to the Major Sponsor of our TSP Rugby League Program
McDonalds Rutherford

Lord of the Flies

During the last week of last term, Ms Miller's Year 9 English class, worked hard and participated in a range of island challenges to coincide with the novel they studied '*Lord of the Flies*'.

These challenges involved three cross-curricular activities:

- Create a tribunal mask with the deepest meaning (Visual Arts)
- Build the most aesthetic/functional/thoughtful hut (Design & Technology)
- Designing a parachute which stays afloat for the longest time (Science)

Students thoroughly enjoyed these activities and are very proud of their creations.

Dymocks Children's Charities Library Regeneration Program

A huge thank you to Dymocks Children's Charities Library Regeneration Program for the \$15,000 grant which Rutherford Technology High School recently received. It has raised much discussion among both staff and students when they see the huge number of books waiting to be accessioned and used within the classrooms and library. Thank you in advance to all the library and administration staff who are very busy accessioning and covering all the new books. Happy reading everybody!

*Mrs Tania Abbott
Teacher Librarian*

NSW Department of Education

Are you looking for part-time work and want to make a difference?

Become an Assisted Travel Support Officer

The Department of Education is looking for Assisted Travel Support Officers (ATSOs) to work on a temporary basis during the school year.

The Assisted School Travel Program (ASTP) provides specialised transport to eligible students with disability, to ensure their safe travel to and from school.

How to apply

Support something that's special to you

Did you know you can **donate 20%** of your purchase to a fundraiser of your choice?

All you need to do is search for a cause you'd like to support, select a fundraiser & we'll do the rest!

SUPPORT NOW

The graphic includes icons for a heart, a thumbs up, and a hand holding a heart.

THE LEARNING COMMON

**open for both schoolwork
access and general access.**

Before school

- Schoolwork access is from 8:20am each morning.

- General access is from 8:45am.

Recess & Lunch

- Schoolwork access is available during the first 10 minutes of the break onwards.

- General access is approximately 10 minutes after the initial bell to allow students time to eat and drink outside. As well as allowing quiet time for the students working in the library.

Bakers Delight *Rutherford*
We're for real.

The staff and students who are involved in the Wellbeing programs would like to acknowledge the generosity of 'Bakers Delight' at Rutherford who provide us with bread.

We express our appreciation and hope our school community can reciprocate.

Rutherford Technology High School has an Official Facebook Page – just go to Facebook and look for 'Rutherford Technology High School NSW Official Site' and click on 'Like'.

We will be using the Facebook page to keep everyone informed about events at the school, important dates for your diary, and general information about the school.
