On Tuesday 1st April 2025, Rutherford Technology High School Student Representative Council attended the Combined Schools ANZAC Service at the Civic Theatre in Newcastle.

This year's theme was Women In War and followed the inspirational and deeply moving stories of six women from our region who have served or who are currently serving in the Australian Defence Force.

Our students commented on how engaging and meaningful the performance was from their peers and how awestruck they were of the stories of the six women.

The Student Representative Council were incredibly respectful and represented our school's core values impeccably.

Thank you to all who helped to organise this opportunity.

MESSAGE FROM THE DEPUTY PRINCIPAL

As the term comes to an end, it's hard to believe how quickly the time has passed.

It has been a positive start to 2025 with lots of learning and exciting events having occurred. Our Year 12 students have just completed their Half Yearly Exams, and I want to acknowledge their hard work and determination. It's also a good reminder for all of us to stay focused as we head into the second term.

The Year 12 Semester 1 reports have been released. If you have any concerns about your child's progress or performance, please don't hesitate to contact the school to discuss with the relevant teacher, head teacher or deputy. We are committed to supporting our students in every way possible to help them achieve their best.

Interim reports for students in Years 7-11 have also been issued. These reports will not contain comments but will indicate whether teachers would like to meet with parents during the upcoming Parent-Teacher Night. If your child's teacher has indicated an interview is needed, please be sure to sign up for a timeslot. This is a great opportunity to discuss your child's progress and any areas of improvement.

As the colder months approach, please ensure that your child is wearing the correct winter uniform to stay warm and comfortable. Please ensure students have the correct jumper and pants each morning before coming to school. Tracksuit pants need to be the school tracksuit pants with the RTHS lettering on, or plain black dress pants are another option; tights are **not** school uniform. Students may also wear a plain black or white with no visible logos/patterns/emblems etc. on the sleeves) long sleeve shirt or jumper under their school shirt (. If students or parents are unsure about any aspect of the uniform policy, please refer to the school website or contact the school office for further information. Following school expectations will ensure students are able to participate in extracurricular activities as positive ambassadors for our school.

To finish the term with some fun, the Colour Run event is being held this afternoon. It's a fantastic way to wrap up the term with lots of colour and excitement. We encourage all students to participate, it has proved to be a very enjoyable event in past years.

Thank you to all our students, staff, and families for a successful Term 1. We wish everyone a joyful and restful Easter break. This is a time to recharge and enjoy time with family and friends. We look forward to welcoming everyone back for Term 2. Stay safe, stay warm, and have a wonderful break.

Deputy Principal Year 9 and Year 12

RUTHERFORD TECHNOLOGY HIGH SCHOOL GIRLS RUGBY LEAGUE SEASON LAUNCH 2025

This week we saw the launch of our girls 2025 rugby league season with the introduction of their new jersey for their upcoming Country Cup qualifiers for the Under 16 and Under 14 Hunter All Schools competitions.

The TSP Rugby League Program is sponsored by McDonald's Rutherford, and we were fortunate to have Linda Andrews come along and spend some time with the girls. Michael Feros, who is the owner and licensee, along with Linda who is the general manager, have been huge supporters of the TSP Program. This year they have really pushed for the girls to have their own identity and with the introduction of the pink jersey, all of our girls in the program will be easily recognised and be the envy of their opposing teams.

Our girls' numbers have grown significantly over the past two seasons with record numbers for Years 7 and 8 in 2025. It is amazing to see so many girls learning new skills, training each day in TSP lessons and being able to play in school tackle competitions, touch footy and Oz Tag Gala Days and the Hunter NRL Beach Ttouch competition.

2025 looks like an amazing year of growth and opportunity for our girls and their rugby league adventure. We will post more photos and results as the year progresses.

Thank you to the Major Sponsor of our TSP Rugby League Program

NSW Junior Chess League

To select the Rutherford Technology High School chess representative team, 12 students signed up to participate in a lengthy in-school competition where they versed each other to determine the students who will be representing RTHS in the NSW Country Secondary Schools Junior Chess League.

Congratulations to Levi Hinton, Kynan Levey, Eli Slomka & Logan Kavanagh who will represent RTHS in the tournament.

A huge thank you to Library SASS member Mrs Smith for her assistance in running the in-school competition. She is always there ready to help the students out whenever it is needed.

The RTHS Representative Chess Team competed in their first round on Wednesday last week (2nd April 2025), winning against students from St Joesph's College Lochinvar. The visiting students and staff enjoyed their morning, experiencing some friendly matches and morning tea after the main games.

With eagerness we look forward to hearing which school we will verse in Round 2 early next term.

All students would like to thank SASS members Mrs Keath and Mrs Fisher, as well as Lewis Holmes in Year 11 for their assistance with jumping in and helping on the day.

Once again, Rutherford Technology High School are taking part in the Stewart House Donation Drive.

Donations of \$2.00 coin (or equivalent) can be placed into a donation envelope and if you complete your details on the back of the envelope you will be entered into the draw to WIN a \$4,000 holiday travel voucher! (Full terms and conditions available on the Stewart House Website). Donation envelopes can be collected from, and returned to, our school administration office.

Your donation supports the public school children who attend Stewart House every year from schools across NSW and ACT – and yes Rutherford Technology High School have had students attend.

Stewart House is a safe haven next to Curl Curl beach and children attend at no cost to their parents/ carers. During a twelve (12) day stay they are provided with dental, optical, hearing and medical screening and treatment. Children participate in educational programs and excursions designed to develop their social and emotional skills, build self-esteem, and improve their overall wellbeing. This experience provides children with a much-needed break from their current circumstance. Our children are inspired to see beyond the present and to have real hope and positive aspirations for their future. Children in the care of Stewart House attend a specific purpose school onsite for eight (8) days of their 12-day stay. The NSW Department of Education provides infrastructure and staffing support for this school. All other costs associated with the children's' stay are met from charitable donations.

We will be collecting until the end of Term 2, Week 4 (Friday 9th May 2025) to ensure Stewart House receive entries for the draw in time. Please help and support this wonderful organisation.

Thank you for your Support.
